Library Happenings JULY 2020

Website: www.alleghenyvalleylibrary.org

FB: @CommunityLibraryofAlleghenyValley

The Community Library of Allegheny Valley is pleased to announce the welcome addition of a specialized Local History Department to enhance the library's regular collection.

Originally, the local history collection was housed in the library's Tarentum branch. When the Tarentum branch closed in February, plans were made to relocate the entire collection to the Harrison library. By the end of March, all materials had been painstakingly moved and meticulously housed in the former space of the Harrison library's book sale materials.

Local History Department resources include:

- Over 1,400 books with special emphasis to our local areas.
- Atlases and maps
- Nearly 1,200 rolls of microfilm of local newspapers
- Genealogy resources including:
 - Ancestry Library edition (in library use only)
 - Genealogy books and periodicals
 - Church histories and records
 - City directories
 - County and family histories
 - Funeral home and Cemetery records
 - Obituary indexes
 - High School yearbooks
 - Vertical files of surnames

The Local History Department staff is available to answer questions, provide research guidance and help in finding materials.

Other services available include:

- Assistance is always available by phone (724-224-3691) or Email (alvalley@einetwork.net)
- Research requests will be accepted for obituaries. *Limit 2 names for \$10.00.
- *Additional names: \$5.00 each.
- Extensive general research is done for a fee when time permits.
- Copier and scanning available
