

3D PRINTING

Anyone can use our 3D printer!

Design jewelry, replacement parts, toys, phone accessories, models, & prototypes!

How to submit a print job:

- Email your 3D model file (in STL or OBJ format) or the link to the design webpage to kristinej@einetwork.net.
- Include your name & library card number.
- Choose a color for your print job. Available colors include blue, green, purple, red, yellow, orange, gray, warm gray, black, and white.
- Maximum print size is 10x10x12.5 cm.
- Library staff will reply with a cost estimate. The cost is \$1 to start the print, and \$1 per hour of printer operation.
