Friday, June 3rd was a day most seniors were looking forward to for a long time. After being with each other for 13 years, this was the last time the class of 2011 would be together as a group. Kaiti Pullano addressed the audience, speaking about the past and sharing funny anecdotes of elementary and junior high school. Stephen Posney looked into the future and recognized the potential accomplishments of the class of 2011. Everyone laughed and cried as they related to their stories. The band added a festive touch to the evening by playing "Pomp and Circumstance" and the "Alma Mater". The choir sang the emotional song, "It's so Hard to Say Goodbye to Yesterday". Class president, Megan Mansmann led the students in turning their tassels to the left symbolizing transition from student to graduate. With a round of applause, the class of 2011 marched out of Laube Hall ready to take on their future!

Cécile Solomiac

Cécile Solomiac joined FHS for the 2010-2011 school year. She was the first foreign exchange student Freeport has seen in many years. She was very involved at the school, working with Key Club, Ski Club, Cross Country, Track, Lip Service, and Chorus. If you went to a football or basketball game you would have spotted Cécile cheering on the team along with best friend, Melissa Cooper.

In France, her home is in Breuillet; in Freeport she is hosted by the Coopers. "I was able to stay with the most hilarious family in all of America. It was so much fun living with them," she said. "I really liked being an exchange student, because it was really fun. The coolest thing was meeting new people, because when they knew I was French they were immediately interested."

As Cécile spent more time here, English became her favorite language. That's saying a lot because in addition to French and English she also speaks Spanish and Russian. Next year Cécile will be greatly missed. Her enthusiasm and great sense of humor has made such an impact here that she will not be forgotten!

Au revoir Cécile et bon voyage!

Homecoming 2010 was an enjoyable experience for everyone involved. Six lucky girls, Jenna Napierski, Rachel Lassinger, Jen Chelko, Kaiti Pullano, Lauren Screen, and Karlee Kocon were nominated for homecoming queen. After the students viewed the girls' presentations, they were able to vote for their choice. That evening the nominees took part in the homecoming parade in Freeport. During half time at that night's football game the winner was announced as Jen Chelko. She was crowned by Lacy Smiesko, last year's queen. Jen is a well liked girl, one that can be looked up to and depended on. The dance was also a complete success. Everybody was up on their feet dancing throughout the entire night. It was surely a night to remember for not only Jen, but everyone who was in attendance.

"The Moonlit Masquerade" was a fun experience for all who went. The dance took place at Laube Hall and was hosted by our teachers. The room was beautifully decorated. The girls wore elegant dresses and the boys were handsome. DJ Stell played fun music throughout the entire night, and everyone was having a fantastic time. By the end of the dance, everyone was relieved to go home and get off their sore feet, but wished that the night had lasted a bit longer.

The 2011 Junior and Senior Prom was a night to remember. Everyone looked truly amazing in their flowing dresses and handsome tuxes. Thankfully, the rain held off and it was a great day for pictures. For promenade the stage was decorated elegantly with the look of Paris, including an Eiffel Tower. Shortly after promenade, everyone rushed off to the Syria Shriners to get the party started. Those who attended were ecstatic to devour the chocolate dipped treats. After dinner, everyone hit the dance floor. There was an awesome variety of music that was great for dancing. At the end of the evening, the prom committee distributed a sparkling picture frame: a special reminder of the night. "Here's to the Night" of Prom 2011!

Varsity Football

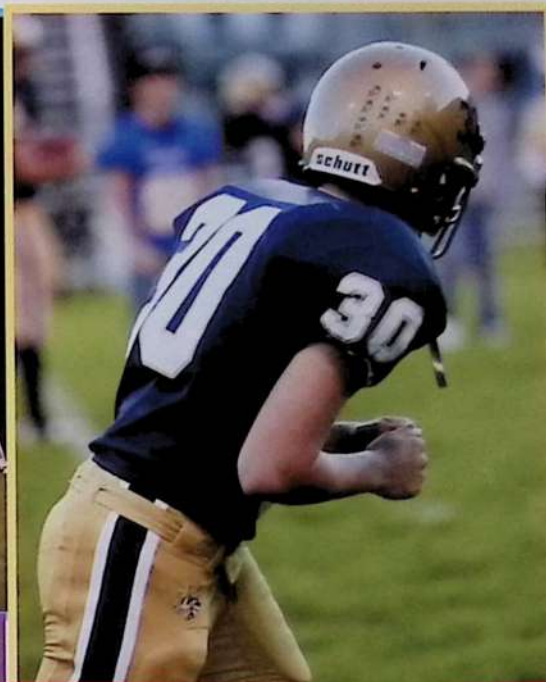

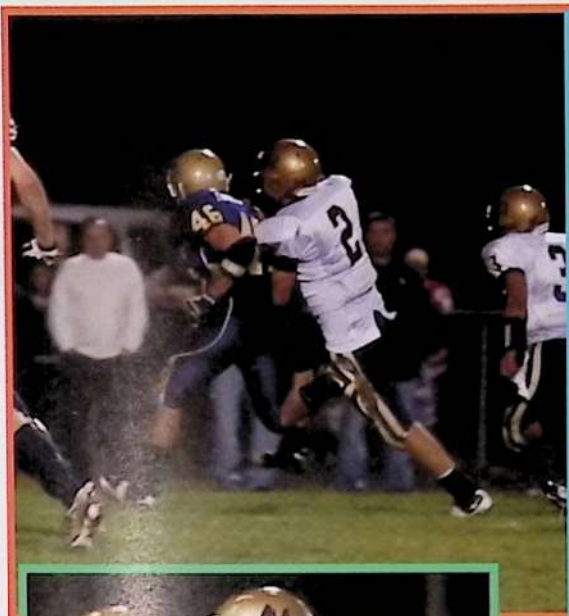

Friday nights in the fall are by far one of the best times to be in the small town of Freeport. The bleachers are filled with anxious spectators, the band is playing and the football team is gathered in a huddle down on the field. The whistle blows and everyone knows it is time for some football. Football has been a tradition in Freeport for over 50 years, and, for as long as anyone can remember, their motto has been "All Heart". The team has definitely proved that they play with all that they have every game. "I am so proud of all of these boys. They played their hardest and it paid off," said Coach Gaillot at the football banquet. That quote is entirely true. Even though the team started the season out with a loss against Highlands, they immediately bounced back with a win against Quaker Valley, Shady Side, and Burrell the following three weeks. "I am powerful" was a phrase that was in the poem Coach used to read to us before every game to get us pumped up. I will always remember that," said Freeport Senior Curtis Hughes. The boys continued to play well even with some hindering injuries to the team. Freeport was able to make it to the playoffs and waited anxiously to hear who their opponent would be. When the team heard they would be playing Jeanette in the first round, they were instantly up for the challenge. Freeport was the underdog going into the game but that did not stop the fans or the team from believing. Freeport pulled the upset with no problems at all. It was the first time in a while that Freeport made it passed the first round. Our next opponent was South Fayette. The team gave it their all but unfortunately lost. They ended their season with a 7-4 record. There were seventeen seniors on the team this year, and they all played extraordinarily. When talking about the new season, Coach Gaillot said, "I would just like to wish the seniors luck in their futures, and tell everyone else that I am excited for next year." Everyone knows that no matter what happens, the Freeport High School football team will play with "All Heart."

9th Grade Football

Michael Troupe

The 9th grade football team's season started out very promising with very good practices and a very good scrimmage against Kittanning. Going into the regular season, the team was playing well together despite several injuries. With an "All Heart" attitude the team never gave up and finished the season. This included two big wins over Ford City and Knoch. Coaches Stivenson, Kleckner, and Lowery were pleased with the effort and the never give up attitude with the team. Now that the season is over, the 9th grade team is eager to bring their talent to the varsity team next year.

- Hunter Fennell and
Michael Troup

"I Am very proud of our team this year, despite the amount of injuries we have had. We still finished out with a strong effort and attitude." -Steven Lassinger

JV/Varsity Golf

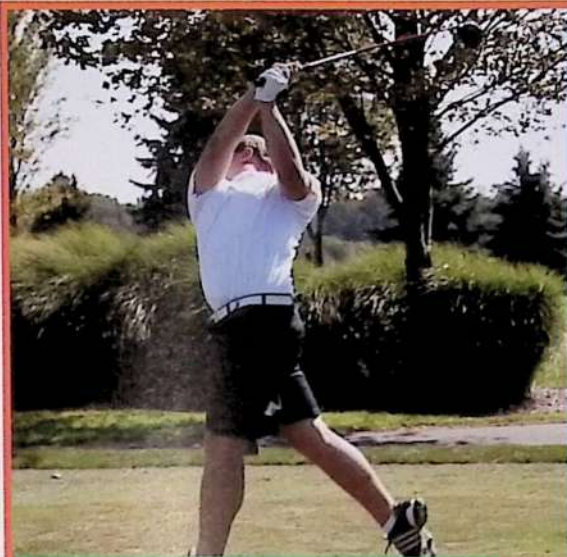

"Improve a little bit each day." This phrase was the motto of the Freeport Golf Team this year. Under the supervision of their **new coach**, Mr. Joseph Sprumont, the young team learned to work together to win matches. Starting their summer program at the end of June, everyone **worked hard** to try and improve. Led by seniors Patrick D'Amico, Devin Earney, and Jake Hohn the varsity squad went 12-7 overall and 10-4 in section matches, ranking in third place. This was a good start under the new coach and everyone was proud of what had been accomplished. For **WPIAL qualifiers** this year, the team sent six boys and one girl. Tyler Thomas, Devin Earney, Patrick D'Amico, Robbie Miller, Josh Luchesa, Richard Vandruff, and Kaitlyn Minyon all went to **individually compete** against schools from around the region. Sophomore, Robbie Miller tied for third out of thirty-nine with a 77 in the first round and went on to the second round of the WPIAL championships to represent the team. Now that everyone is better acquainted and has an idea of what's going on, the team looks forward to a big season next year!

Girls Soccer

Kamri Brestensky

This year, the girl's soccer team was led by 8 **determined** seniors, Kamri Brestensky, Amy Cataldi, Ali Mientus, Katie Jack, Nicolette Blake, Brittany Gaspersic, Kristie Teorsky, and Taylor Bombalski. These girls have played together since their childhood. Just missing playoffs last year, they set their goal to make playoffs this time around. Winning in double overtime in the very last seconds of the Indiana game on senior night guaranteed the lady jackets a spot in the **WPIAL playoffs**. The girls faced South Park in the first round of playoffs and were defeated 3-0. The season ending was bittersweet when they accomplished their playoff goal with teamwork, while honoring the 8 **seniors** who created the backbone of the team. The girls soccer team had a competitive section along with a successful pre and post season.

- Kamri Brestensky

"I Am very appreciative for all the girls on the team for making it a fun year!" - Brittany Gaspersic

Boys Soccer

The boys soccer team came out strong this season after a rough season last year. They finished with a record of 8-6-1. With a new coach, they had to learn how to play the way he wanted, and it took them a while to get used to it. The team struggled in the beginning, but was able to turn around their season. They fixed formation by putting new people in different positions. Even with the team readjusted, they unfortunately missed playoffs by only two games. The seniors this year were Garrett Blake, Tahlon Kirkland, Dylan Levish, Tyler Lutynsky, Cody Riley, and Tyler Singer. Their spots will be hard to fill. With the potential of the hard working underclassmen and the new coach, the boys soccer team hopes to improve even more than they have in years past.

Boys/Girls Cross Country

Kyle Zboran

The 2010 Freeport Cross Country team endured what was a long, but successful year. The girls finished with an **all-time best record** of 8-1. The boys also finished with a respectable record of 6-3. The girls JV and Varsity teams won their first teams awards ever at the Freedom Invitational, with the varsity girls team placing second and the JV girls placing first in their races. Senior Lauren Screen said, "That's the best finish we've had since I've been here. I can't wait to see how the girls do in the future. I'm so proud of all their hard work!" At the **WPIAL meet**, run at Cooper's Lake in Slippery Rock, the girls team placed sixteenth and the boys placed twenty-second out of a large group of tough, competitive runners. Sophomore Kayla Zboran, finished 7th overall as an individual at WPIALs and qualified for the PIAA state meet for the second time in her high school career. At the state meet, Kayla placed sixty-eighth out of over three hundred of the **best runners in the state!** Altogether, everyone worked as a team this year, despite the fact we had a few of our key runners on the boys team out with an injury. The thirteen seniors on the team will be **greatly missed** next season, but many returning members are looking towards the team's future, the junior high runners! Like any other sport, we finished our season tired, but healthy.

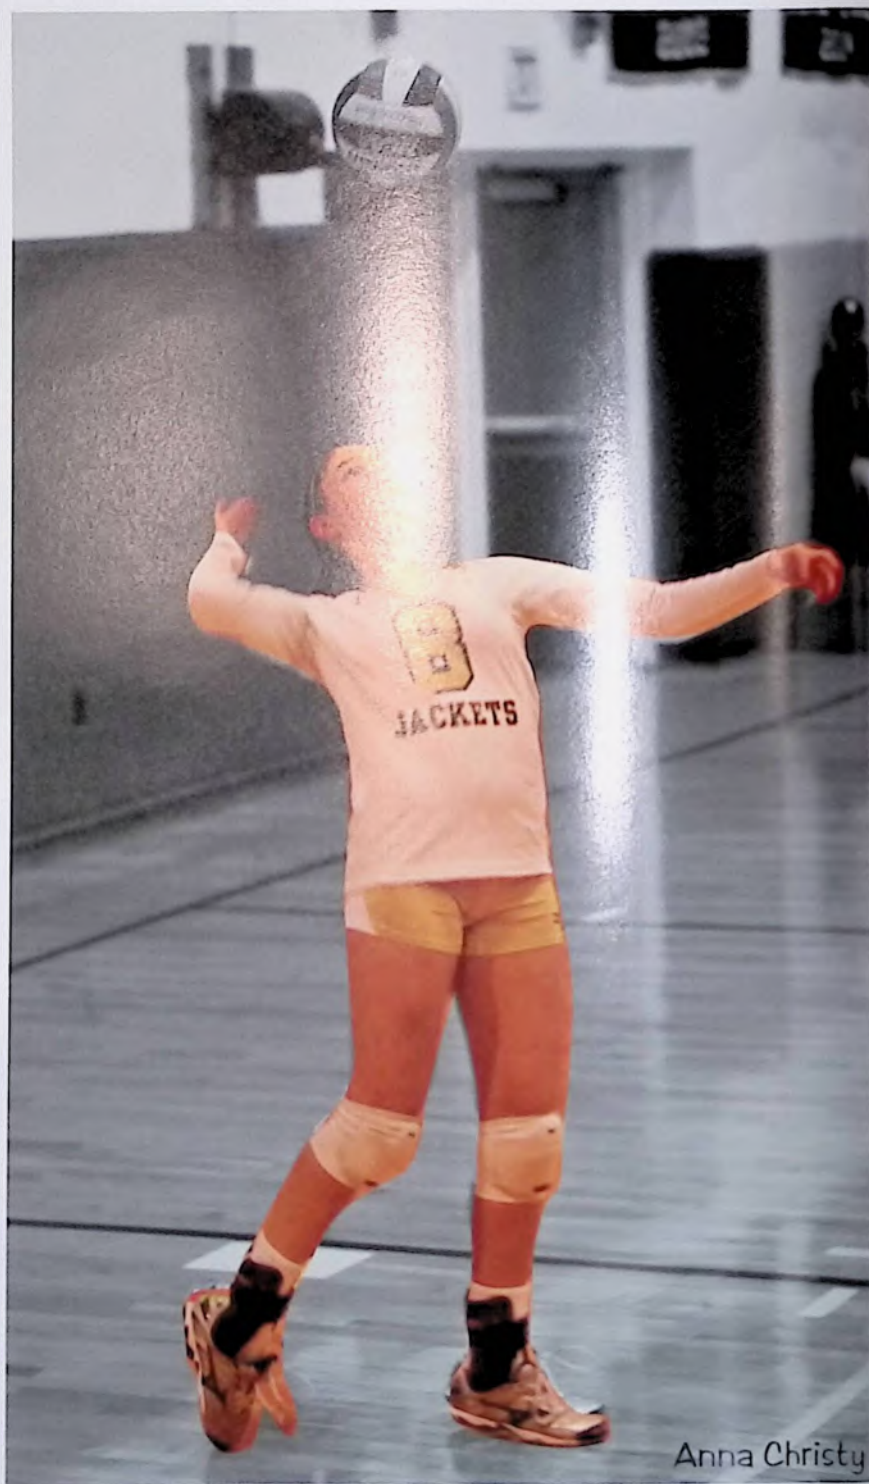

-Brittany Full and Nicole Miller

"I Am really proud of the team and how we did this year. It was a lot of fun and I am really going to miss our cross country family." -Kevin Keppel

JV/Varsity Volleyball

There was only one goal that the Freeport Girls Volleyball Team didn't accomplish this year, and that was going to York, Pennsylvania for states (and of course, having a better charter bus driver). Yet, even that couldn't take away their WPIAL gold medals. This year's volleyball team was the first in Freeport history, and the first in the Alle-Kiski area to be the girls volleyball WPIAL champions. Before the first round of the PIAA's, the undefeated team was section champs and held a record of 21-0. They won both their home and Slippery Rock tournament against their long-time rival, Wilmington. However, going into the season, the team was looked down upon. It was said it would be their rebuilding year and that they wouldn't be the section champs once again. The dedicated fans had faith in the team from the beginning, and the girls thank them for their support. This year, the Freeport Volleyball Team stepped out of the shadows of last year's accomplishments and made their own identity with the leadership of our seniors, Anna Christy, Rachel Grubbs, Laura Prunty, and Kaiti Pullano. The underclassmen made memories that will last a life time.

Cheerleading

Krista Uptegraph

The Freeport High School cheerleaders put in a lot of sweat and time preparing for their cheers during the football and basketball games. The long hours paid off when the varsity and junior varsity entered the Kennywood competition, and both **won third place**. One of the highlights of the football season is when the girls hold a mini-camp for the elementary girls, so the future cheerleaders could learn cheers and even cheer at one of the varsity football games. Even though it may have been cold and rainy for most of the games, the girls enjoyed cheering the boys on. Once football season was over it was time to start cheering for boys and girls basketball. During the basketball season, they held another mini-camp, which was just as enjoyable. This year was very fun and filled with memories. The girls would like to **thank all of the coaches** for making this year quite enjoyable for all cheerleaders.

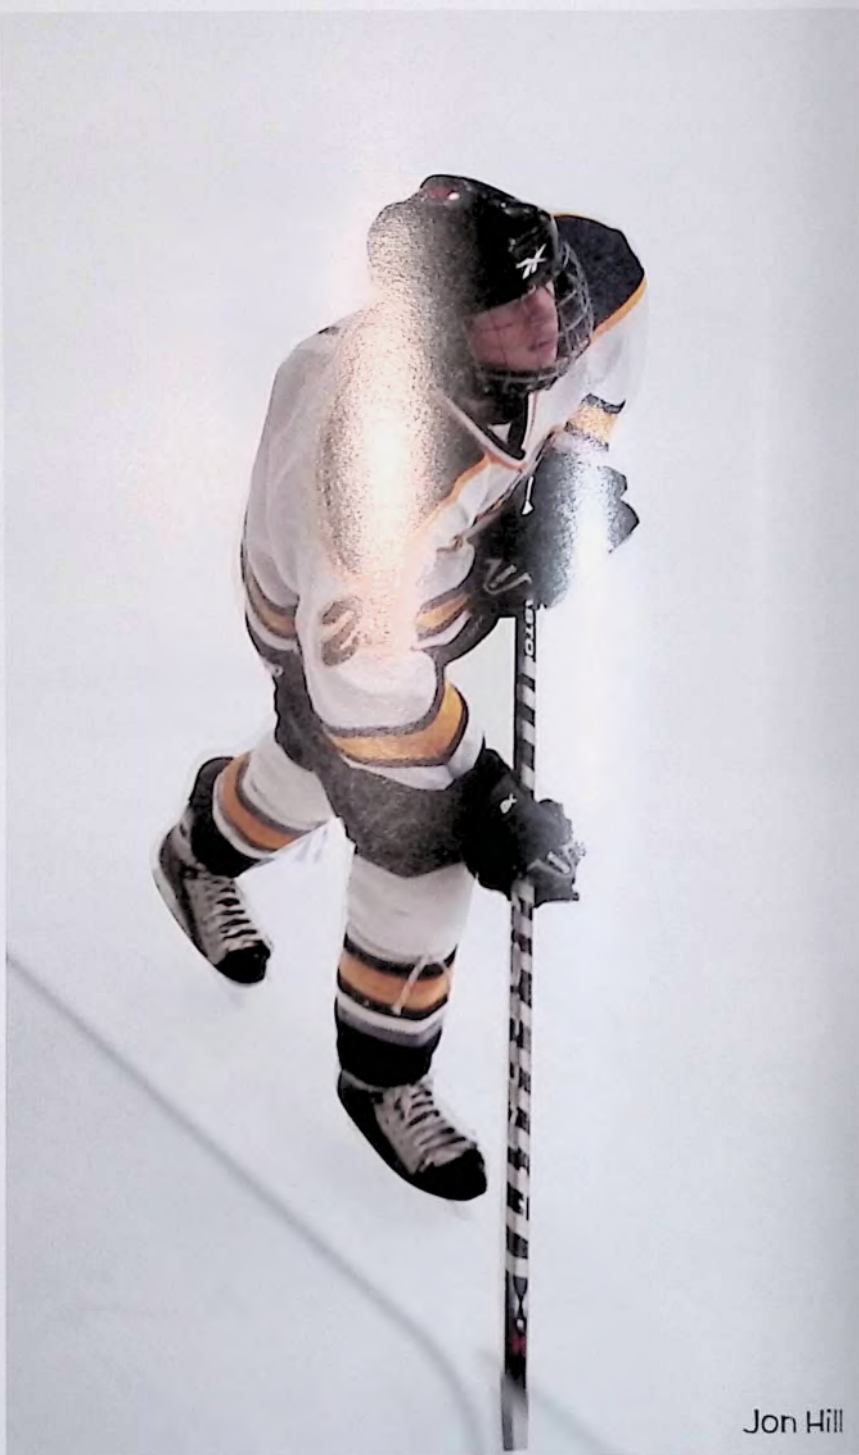

-Jenna Uric and Katey McCoy

"I am extremely proud of the cheerleaders dedication and enthusiasm throughout the season. Good luck to all the upcoming girls!" -Denaye Semego

Varsity Hockey

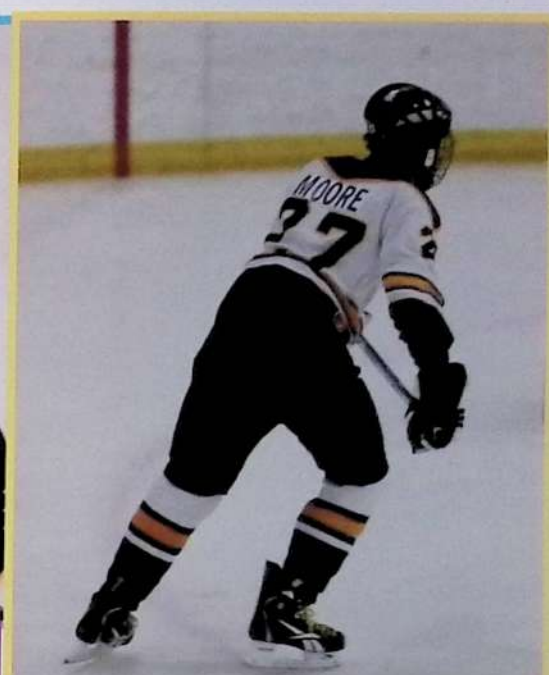

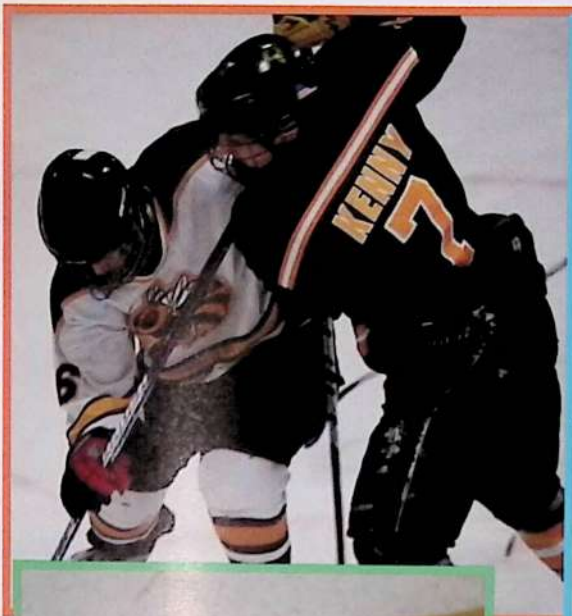

The season got off to a good start with a pre-season tournament that helped the 7 freshmen gain varsity level playing experience. They did better than anyone expected, winning 3 out of 4 games and coming in second place. With that, the season looked promising. The schedule had Freeport facing the top teams in the division early in the season. Halfway through the season, with a record of 3-9, chances of making the playoffs looked really slim. Luckily, the last stretch of games before playoffs were a little bit easier, earning the team 4 wins, 1 tie, and 4 losses. Finally, a playoff spot was locked in with a record of 7-13-1. In the first round of the playoffs they faced Central Valley, which everyone knew would be a tough competition. The post season ended short with this game. The team has great young talent, but unfortunately for this season, a bit too young; come next season there will be no doubt of Freeport's success.

The Freshman Hockey Team had a **great season** this year, with big plays and exciting games. Last year, the team had an incredible season and became **undefeated Division Champions**. They went on to become the PIHL Champions and carried that unforgettable feeling into this season. The team placed third in the section with a record of 12-3-1. They had a lot of **new players** coming in this year and a lot of players moving up to varsity, so it was a completely different group than in past years. However, everyone on the **team** worked hard, got to know each other, and played well throughout the season. The team came out strong and was able to win a lot of big games to propel them into the **playoffs** again. The coaches that made this great season possible were Mel Reichenbaugh, Jeff Haberstroh, Jim Hill, Mike Kapustik, and manager Steve Huston. This year's team had a great year and gave hope for an **amazing team** in the coming years. Good job and good luck!

-Jared Kapustik

Swimming

As in years past, the swim team didn't make as big of a splash as hoped, but still they found themselves looking back on a lot of fun moments from the season. The team's hopes were high coming into the season with 12 people committed to the team. However, once the season started, the personal expenses of joining club teams, inconveniences involved with traveling to practices, and a couple season-ending injuries brought the team back to a more typical 5 members. Led by three seniors, Jamie Boyle, Josh Carion, and Ryan Sweeny the team went into just about every meet completely outnumbered. That didn't stop them from trying their best though, and even with the knowledge that they couldn't win most of the meets, the swimmers still fought for first place in the events. Seniors, Jamie Boyle and Josh Carion, along with freshman, Rebecca Dudek, qualified for the WPIAL meet at the University of Pittsburgh. Everybody had a fun season, and were proud of themselves! Good luck to freshmen Kylie Lucas and Rebecca Dudek in leading the team for years to come!

The Girls Basketball team had a **successful** experience this year. After losing one senior, the team improved dramatically, ending the season with a 9-5 record. The girls were lead by **five** seniors Jen Hawk, Sam Angely, Hope Thompson, Nicolette Blake, and Anna Christy. Being honored with **fourth place** in the section was a great accomplishment for these young ladies. Although they lost the first game in the playoffs, it was a meaningful journey. The seniors want to wish next year's team a great season and to remind them to always **have fun**.

Boys Basketball

The JV and Varsity Freeport Boys Basketball team had an admirable 2010-2011 season under Coaches Davies, Beale, Macura, and Thompson. Also, managers Mike Genta and Mike Knize were a big help to the team. At the end of the season, Coach Davies was named the 2010 National Federation of High Schools Mid-east Section Boys' Basketball Coach of the Year, a remarkable and well-deserved honor that awarded him as the top coach out of eight states in the region.

The **eight seniors** on the team, Jake Campbell, Derek Durand, Kevin Keppel, Tahlon Kirkland, Shawn Liberto, Cody McClelland, Donnie Pastoria, and Tyler Singer provided **great leadership** for the team. Everyone contributed to a different part of the game. The Varsity team finished with an overall record of 8-9, and they were 5-7 in section. While they barely missed making the playoffs, they made a late season run (winning four of their last six section games) that helped them to come very close. It was a season for the seniors to be proud of, and there is a lot of **potential** for next year.

The team will be returning two Varsity starters: junior Ryan Dunn and sophomore Brendan Lynch, the leading scorer this year. Other juniors that are likely to return next year are Alex Carson, Sean Carson, Jake McQueen, Rob Palko, and Jordan Ziemianski, along with sophomores Ryley Cowan, Zane Geist, Robbie Miller, and Fred Pastoria. This upcoming group showed their talent and ability to win in their JV and Varsity playing time, and they should have a very good chance at **retaking the section title** from one year ago.

9th Grade Basketball

Casey Collins

This year, the 9th grade boys' basketball team had an **outstanding season**. Ending with a 13-3 record, the team was very pleased with their performance. They have been a **powerhouse in their section** since 7th and 8th grade. They played against all the same teams throughout the years so they expected to yield the same results as before. Losing to only Burrell in previous years, the team hoped to beat them this year by taking the title of **section champs**. They came as close as ever this year in the first game losing by only one point. The next time the teams encountered each other was the **last game of the season**, and Freeport's starting point guard, Casey Collins, was out with a sprained ankle. The team fought valiantly, but ended up losing by a few points. They also lost to Shady Side late in the season and this was very disappointing. Seth Bowser had this to say about the season: "Throughout the season our team sustained **many injuries and setbacks** but kept our composure, played well, and won many games."

-Jimmy Mansmann

"I Am pleased with this year's 9th grade basketball squad. The team played through obstacles and still managed to win many games." - Seth Bowser

JV/Varsity Softball

This season was a very memorable one for the softball team. All of the girls started conditioning in January to get ready for the spring season. This year's team was led by seniors, Anna Christy, Meggan McGuire, and Rachel Grubbs. It was a very fun year and everyone's hard work paid off. The team made it to the playoffs and faced the number two ranked team, Mount Pleasant. It was an exciting game with Freeport trailing in the seventh inning. The team rallied and beat Mount Pleasant 8-7. The season came to an end the next week, ending with a record of 12-5. Overall everyone said the season was a great success. With a very talented group of underclassmen, the Freeport Softball team will go far next year.

Freeport's baseball team is known for the hard work they put in every year. A large part of their **success** comes from the coaching staff. Head Coach Graczyk won the Coach of the Year award last year. Senior Jake Campbell said he won this prestigious title because he "coaches with a passion for his love of the sport to keep us players always working hard and not just going through the motions." Coach Kocan also plays a great role in helping the players with everything, not just baseball. He brings a humor to the field that greatly lightens the mood during the rough and often hot practices. Only having lost a few key hitters in the lineup, the team kept the majority of their **star players**. Jake notes that there were multiple team leaders on the diamond this year. All of them worked to help each other out and made everyone try their hardest. The team won the section title last year and hoped to do the same this year, but only made it to the first **round of the playoffs**. All of the seniors are proud of what they accomplished throughout their baseball career and wish the younger players good luck in the upcoming season.

-Jimmy Mansmann

"I Am never going to forget this season; we had our highs and lows, but looking back, it was more fun then I could have ever imagined." -John Fetchko

Girls Track & Field

This year, the girls track team had an unforgettable season. Unfortunately, it would be the last season for their head coach, Bill Dillen, who has been grabbing victories for the last 20 years. Advised to focus on one meet at a time, the girls poured their heart out into every one of them and won the section championship. They didn't stop there though! The girls reeled in the WPIAL AA Championship title and are proud of their hard work. Individuals who qualified for states included sophomore Kayla Zboran in the 1600m run, and junior Bronte Soul and senior Harley Westerman in the triple jump. Qualifying relay teams included the 4x800m consisting of freshmen Rebecca Dudek and Brittney Bianco along with seniors Taylor Bombalski and Kristie Teorsky, and the 4x400m with juniors Alyson Moore and Lynsey Gugino and seniors Kamri Brestensky and Chelsea Chaffman. The team agrees that they will greatly miss Coach Dillen and having him asking how long he stays mad. Any girl will give you the same answer to that question as Chelsea Chaffman does when you ask her how long it takes to run 100m, "not long".

Boys Track & Field

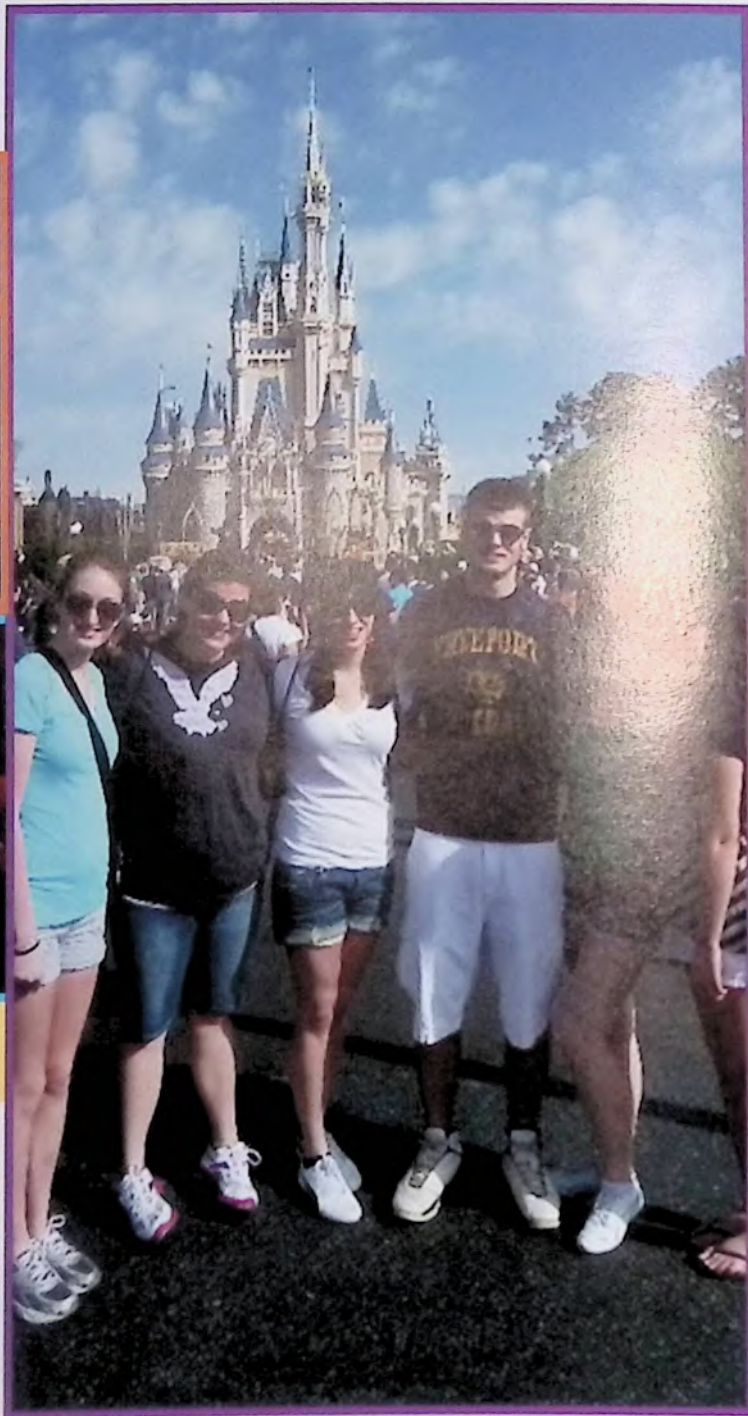

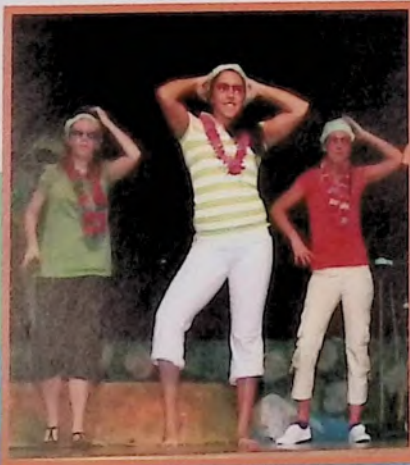

Derek Durand

This year, the boys track team was on a mission. Although they were the best in the WPIAL the previous year, they graduated many key contributors from that championship team. Outside of themselves and their coaches, no one expected anything from them, much less another run to a section title. However, the guys worked extremely hard and displayed flashes of greatness right from the start. In their first section meet, they managed to upset Deer Lakes, who was favored to win the section. They never looked back, defeated every other team during section play and won the section championship for the third straight year. They then moved on to the WPIAL playoffs, where they managed to defeat Quaker Valley but unfortunately lost to eventual WPIAL Champion, Riverside. Nevertheless, the defeat did not take anything away from all that the boys accomplished during the season. Senior Derek Durand, who broke the school record in the long jump during the regular season, speaks for the entire team by saying, "We are happy with the way things turned out his year." It was an incredible run.

"I Am always going to remember this season because everyone doubted us and we ended up section champs." - Garrett Blake

This year, Freeport High School performed "The Winslow Boy". It was an interesting story about a boy attending military school who is accused of stealing a money order. The cast had a great time bringing the show together under the direction of Mrs. Lah. The cast and crew, led by student director Amanda Reesman, did a wonderful job bringing the play to life. Everyone took on the challenge of getting into character, including the girls who played the role of a boy! The cast was supported by a strong effort from the crew. Overall, "The Winslow Boy" production was a great experience for all.

The Freeport Theatre Department got an early start on their "spring" musical, with the February production of "Honk!" This hilarious and touching adaptation of the classic tale "The Ugly Duckling" was well received by both audience and cast members alike. "The message of 'Honk'," says musical director Tom Koharchik, "teaches the importance of respect and love for others." This show truly touched each and every person who partook in it, with the message... somewhere out there, someone's gonna love ya, warts and all! And in your own way, you are a swan.

The marching band and choir's trip to Disney World in March was truly an unforgettable experience. On this action packed adventure, students had the opportunity to visit Downtown Disney, Magic Kingdom, Animal Kingdom, Epcot, and Hollywood Studios. While in Magic Kingdom, the marching band performed in one of Disney's most famous parades: the Electric Light Parade. Mrs. Zboran, a spectator of the parade, said, "Seeing Freeport lead the parade for tens of thousands of people nearly brought a tear to my eye." The choir also got a chance to perform in front of hundreds of people from all over the world at Downtown Disney. Senior Paige Steiner, said, "I thought that the choir performance was an experience of a lifetime. As we were singing, people were stopping to watch us; some even started to film us! It's amazing to know that we're now in some person's family videos." Overall, the trip to Disney World was a success and will prove to be a lifelong memory for all of the participants.

For the senior class that journeyed to Washington D.C., March 19th through the 21st was a very busy weekend. The students were able to experience very interesting aspects of the city, such as the Newseum and the Bureau of Printing and Engraving. With visits to numerous memorials and back-to-back tours of museums and buildings, they were on an extremely tight schedule. There is no doubt that the seniors got the most they ever could out of the United States' capital in such a short trip. Though all were exhausted by day three, everybody had a great time. Much gratitude and appreciation is owed not only to Mr. Beneigh and the other faculty involved, but especially to our guide, Mrs. Green. "The Lean, Mean Touring Machine."

This year, Freeport once again participated in the Lip Service fundraiser for the Freeport Food Bank. There was a total of 23 staff members and 72 students involved. They raised over \$4,500 for the food bank. The top five money raisers performed in a live assembly on Wednesday, November 24th. Performing "Car Wash," Mrs. Phillips and Anna Christy came in third. Mrs. Lah, Joey Sadecky, Rachel Sadecky, Amanda Girdwood, and Tim Pollick placed second by performing a medley of popular songs. The crowd and judges loved Ms. Lunz, Alan-Michael Wisniewski, Mike Matjasko, and Curtis Hughes, who rocked and rolled their way to first place. The winners were determined by a combination of scoring from a panel of guest judges and the amount of money raised by that group. The real winner, however, was the Freeport Food Bank, who received a much needed donation thanks to everyone's hard work and generosity.

Megan,
How fast these first 18 years have gone. We remember the day you were born, and we held you tightly in our arms and looked at our "perfect" baby girl, never wanting to let you go. We knew eventually we would have to open those arms a little at a time and let you try things on your own. First we opened them to let you do story time, swimming lessons, and play dates with mom. Then eventually you did things on your own such as dance classes, gymnastics, school, band, and cheerleading. It was difficult to let you do these without us, but we found that every time we opened our arms and allowed you to try something new, you amazed us with your abilities every time. We are so proud of all that you have done so far and the decisions that you have made.

Now with arms wide open, we will set you free to search for yourself in the rest of your journey of life. May you hold all that you have learned and your passion, integrity, and values with you to accomplish your desires and have all of your wishes come true with all our love to our still "perfect" daughter.

Dear Kasey,

The last 18 years have been a joy watching you grow into a beautiful, intelligent young woman. Your drive to succeed is only surpassed by your compassion for others. Your many accomplishments over the years have made us very proud and we look forward to seeing what the future holds for you as you begin this new chapter in your life.

Love always,

Mom, Dad, Justin and Logan

Chandler,

Having three sisters and being the one boy in the family not only makes you our favorite son, it also made you the one most likely to have to carry around packages at the mall, after all these years, you still handle it with an amazing sense of humor!

We are so proud of all that you have accomplished, your character, your integrity, and your ability to handle adversity. In the past eighteen years, you've overcome many challenges, including a mom who freaked out about every one of your second grade spelling tests, several cross country moves, and a wicked ability to crash bikes, ATVs and golf carts. Through all of it, you stayed strong, always knew exactly who you were, and didn't let any of it change you for the worse.

As you move forward and build your own life in the years to come, remember to rely on your faith. We know you'll continue to make this world a better place and that much success awaits you!

Thank you for always protecting your little sister, being a loyal friend, telling the best jokes, reminding me when to use an extension cord and being the best son ever!

All our love,
Mom and Chris

Seniors:

My favorite high school memory was...

Being on the colorguard squad my freshman and sophomore years. We had some great times at the football games, festivals and competition that I will never forget.

-Abigail Bennett

My favorite high school memory would be my senior year when we were playing Jennette High School in the first round of the playoffs this year. Ron Doucet caused a fumble and I ran and got the ball, picked it up and ran into the endzone for a touchdown. We won that game and it was the first win in the playoffs since 2002.

-Curtis Hughes

Learning that all of my hard work paid off- basically, learning I had been accepted to UPenn. Though this may not be a memory, I will certainly miss my French class. Four great years- merci beaucoup, Madame!

-Megan Mansmann

My favorite would have to be spending a whole lot of time in the TV Productions room. We always had so much fun and a lot of funny things happened. It is where I got the inspiration to go into my future career.

-Jamie Fergus

Going undefeated and winning the section in baseball my junior year.

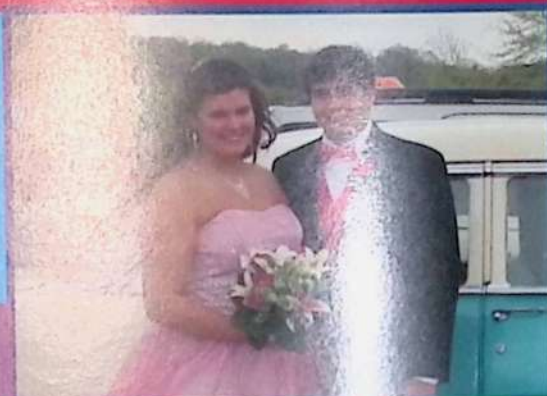

-John Fetchko

Checking out the babes in the hallway with Laura Wagner.

-Briana Smith

My favorite high school memory was going to the Friday night football games with friends. No matter how cold it got we all stayed and cheered on our team. Another favorite memory is dancing, finding the perfect dress and taking so many pictures at all the school dances, especially prom.

-Nikki Balentine

Screaming "yeaaaaah!" down the halls with all the graduates of 2010. And making underclassmen angry and/or uncomfortable.

-Krista Uptegraph

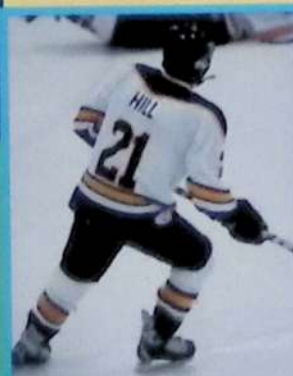

I couldn't just pick one favorite memory, but I think it's a collection of making the best of late night rehearsals, freezing football games, and getting burnt to a crisp at band camp.

-Andrea Bragiel

When I swung a golf club and accidentally let go of it, almost hitting

someone's car, in Physics.

-Daniel Brickeen

My favorite high school memory is all the CiCi's trips during basketball season with Stu, Jen, Anna, Nicolette, and Sam.

-Hope Thompson

Performing as Rose Royce to the song "Car Wash" in the Lip Service Fundraiser.

-Anna Christy

I will miss the fact that high school was pretty easy going and i'll have to take on my own responsibilities now.

-Morgan Carwile

School baked buns!

-Jennifer Hawk

Learning something new daily, and having all of my friends in one place.

-Hannah Black

Mr. Jones physics projects and demonstrations that eventually lead so off topic we can never get back on track.

-Brandon Fry

After graduation from good old Freeport Senior High, I'll definitely miss a few things. Such as, the turkey and biscuits day, befriending the teachers and developing a one on one connection with them. Also I will miss being able to see my friends everyday.

-Michael Matjasko

I will miss most the small community atmosphere, hanging out with my friends, and all of the activities I am involved in.

-Alexandra Mient

I will miss being involved in so many activities with such a wide variety of people. I'll also miss always having either football or basketball games every Friday night.

-Jenna Napierski

The teachers. So many teachers I've had over the years have put countless hours into helping me do well in class. It is because of them that I have been successful and the reason I am where I am today.

-Kaiti Pullano

I'm really going to miss seeing my friends everyday, my teachers and participating in Key Club.

-Kasey Devlin

I will miss all of my friends that I've made so many memories with. Also the cancellations and delays.

-Garrett Blake

I will miss all my friends and all the teachers who have made my high school experience something I will never forget!

-Cortney Dlubak

I will miss the close relationships I had with fellow students and faculty.

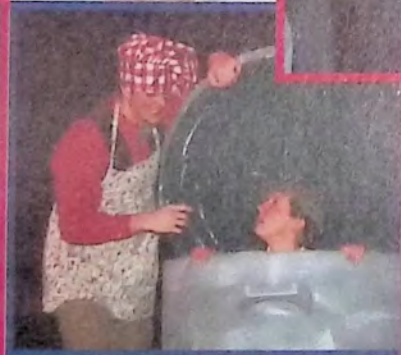

-Derek Durand

The thing I will miss most about high school is hanging out with my friends everyday and the teachers that help you when you need it.

-Eliza Laufer

What I will miss most about high school is...
