during the three years
I have known you
Love
Babe

Dear Students,

We have prepared the Taleoken this year as a memorial of a happy year spent at Ken High. This book depicts you in your classes, your clubs and activities, and your athletics. We have striven to preserve for you particular remembrances of your high school days. We have endeavored to make it possible for you to recapture in future years the unparalleled memories of a school year complete with classmates, dances, and sports enthusiasm.

This book symbolizes your life at Ken Hi. It shows you at work and at play, a year full of earnestness, zeal, vivacity, and fun.

While reminiscing, this year book will help to recall the thrill of receiving senior rings, the ardor of exchanging them—the bustle of senior pictures and wallets bulging with likenesses of fellow classmates.

Then there were the activity pictures, ambitious students rushing to and fro with the hopes of getting to each one on time and the teachers—wearied of interrupted classes.

In the meantime senior name cards had been ordered from Tri-Hi-Y members and there was the same eagerness of collecting them as the pictures.

Then the Sock Dance—the successful annual affair where girls donned jeans and plaid shirts and everyone parked his shoes in the check room—

Do a very nice job of it

the Monitor's "Srotinom Llab" whose turkey door prize turned out to be a miniature chocolate turkey—the Camera Club's first venture into Ken Hi's social doings with the "Shutter-Flutter Hop"—complete with a chosen Mr. Kodak and Miss Ansco.

Remember those club initiations when you were decked out in comic regalia—the paddles, treating upper classmen with respect, and the eccentric antics you had to perform—all part of picture.

Then there was the enthusiasm that meant a football game and the animation that meant a basketball game—the joyful spirit after a victory and the mournful silence after a loss but always being proud of two wonderful teams.

And then—Spring, the end of the year. Seniors nostalgically putting away books, the signing of year books, and the pomp and ceremony of graduation.

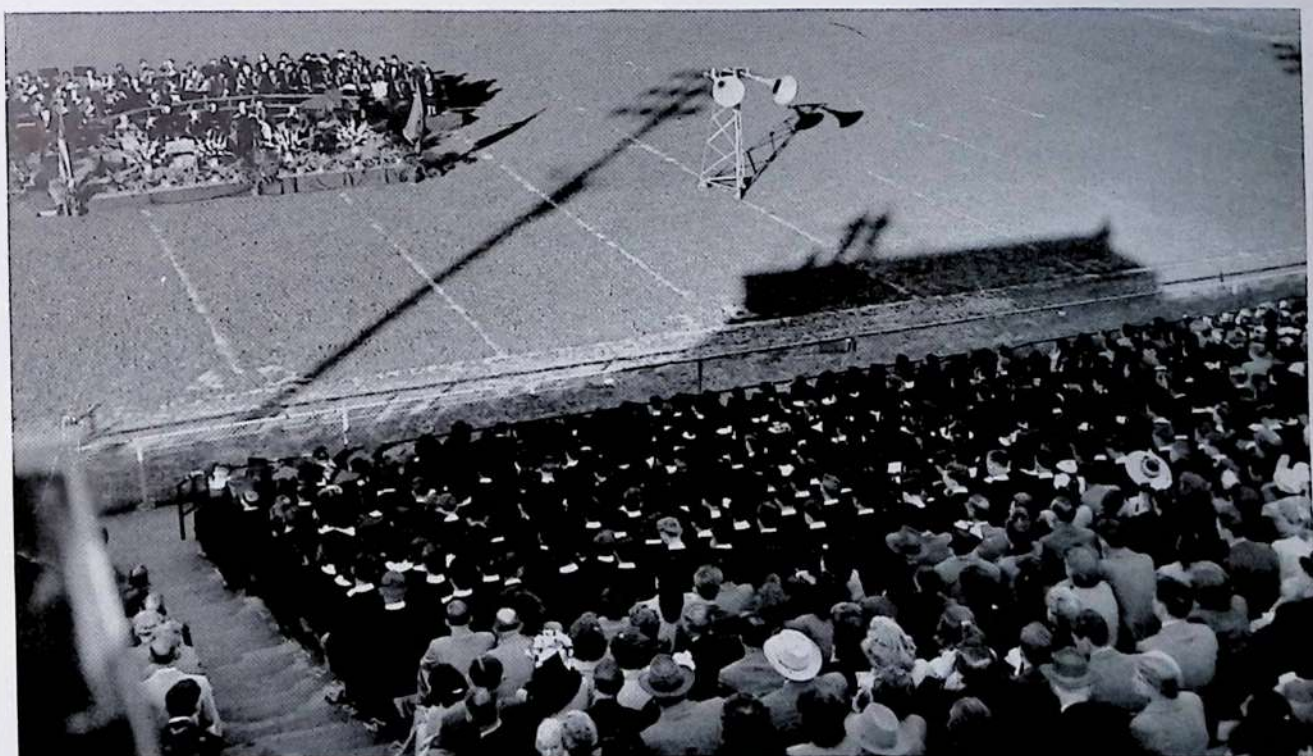

We have sincerely tried to preserve for you these precious memories so that in future days you will have a lasting record of a school year spent at Ken Hi.

Sincerely,

The Taleoken Staff

Ken Hi

Dear Adele,

I'll never forget the many happy times we had together or the many nice fights either. As long as I remember Ken Hi, I'll remember you. I hope your future life will be as successful and as happy as your school life. As long as you have your friendly smile and pleasant disposition you'll never be lonely or unhappy and your future life will be a guaranteed success.

All my Love
Always,
De.

ADMINISTRATION

Those who are devoting their lives to making our lives richer and more fruitful. These are the people who will live in our minds for what they have done for us.

Board of Education

Seated: Mr. DeSimone, Dr. Vonderheid, Mr. Blackburn, Mr. Kronkoski, Mr. Patterson, Mr. Daughenbaugh, Mr. Vaughan.

Standing: Mr. McKean, Miss Mazur, Dr. Chapman.

No school system in Pennsylvania can come into existence or function without the direction of its Board of Education elected by the citizens of the community. New Kensington may well be proud of the members of its Board of Education who devote so much time to the general planning and efficient functioning of our public schools. Problems of finance, building, personnel, courses of study, equipment, and athletics require long hours of discussion and investigation.

We, the forty-niners, feel very fortunate to have had the privilege of spending our last year in the newly renovated senior high building. The pastel shades of paint and modern lighting in each class room and study hall have made our senior year easier and happier in this pleasant environment. Our gratitude to the Board of Education who planned all this for Ken Hi.

The board members are Mr. F. E. Kronkoski, president; Mr. Joseph DeSimone, vice-president; Mr. C. H. Vaughn, treasurer; Dr. C. C. Vonderheid, Jr., Mr. E. H. Blackburn, Mr. A. F. Daughenbaugh, Mr. James Patterson. Dr. E. T. Chapman is superintendent of schools; Miss Veronica Mazur is secretary and Mr. F. W. McKean is solicitor.

The Senior Class

All good things must come to an end but little did we realize the end would come so soon. Reminiscing a little, we found ourselves sophomores, eagerly preparing for the "Sophomore Hop." In 1948 we were high pressure salesmen, selling candy and magazines in order to finance the Prom, the last thrill of the seniors' school days. Vacation came; in the fall we were the class of '49. On September 8, the second day of school, came the first order of senior rings which we proudly displayed to the underclassmen. Class election followed; the finals brought in George France, president; Dick Brown, vice president; Paul Cochran, secretary; and Joseph Cashell, treasurer. We took part in all the important events of the year. Special assemblies and exams gave us relief from classes. Early in September Colao had a tough time getting that pose for senior pictures. May came fast, and our worries began. Plans were under way for the Class Day program and the Senior Private. The topic of the day was the Prom date. Another special day in May was the last school day for Seniors and the long-awaited Taleokens of 1949 when Seniors thronged the halls to secure classmates signatures. All these events are sweet memories filed away forever as we look forward to the day when we will appear in the black robe of a graduate and leave behind the best years of our lives.

Junior Class

As has been the history of previous Ken Hi junior classes, this year's juniors have been very busy earning the money with which they will finance their various projects in the junior and senior years; most important of which is the Junior-Senior Prom.

The magazine drive has been one of the most successful ventures ever to be undertaken by a junior class at Ken Hi. The constant supervision of Mr. Menk and Mrs. Harter has made this possible, but of course we cannot forget the ever-urging and dire threats of Mr. Burnett in all his history classes. Mrs. Griesemer, too, has done a marvelous job in handling the candy sales. One hundred thirty-nine juniors participated in selling 1970 boxes of candy. The sale began September 28 and ended December 17.

Besides selling candy and magazines, the juniors have put on two assemblies displaying the talents of fellow classmates. The assemblies were under the supervision of the home-room section teachers.

The Harvest Ball was an unforgettable success with our local band leader, Buddy Lee, and his Sextet.

The Junior-Senior Prom committee are being chosen according to the amount of candy and magazines sold by each individual. The Prom is expected to be one of the biggest and most successful at Ken Hi.

The juniors have shown themselves capable of taking a job and making that job something to be proud of. These many undertakings, successfully completed, furnish excellent training for the future citizens of New Kensington.

Sophomore Class

To those of us who attended Ridge Avenue Junior High, entering Ken Hi last fall as sophomores was like returning to an old friend. But to many of us it was a strange, new experience. We were a little awed by the size of the building, the large number of students and teachers, and the many activities which we saw about us. But now we all feel quite at home here. The students and teachers are our friends and we have begun to take our part in the various activities of Ken Hi.

One of our first activities was the election of officers and Board of Activities members. Through the nominations and campaign speeches we became better acquainted with our classmates.

Among the things we enjoyed most were the Friday morning assemblies. These usually consisted of guidance periods, but on four occasions during the year we met together as a class for special programs. These were supervised by our section room teachers, and presented by student talent. It was then we learned that there is musical and dramatic talent in our class. These programs offered a variety of plays, skits, and musical selections.

The most important social event of our class this year was the Sophomore Hop held in the spring. Almost as much fun as the dance itself was the preparation for it when we worked together on committees.

Our sophomore year has been interesting and pleasant and we are looking forward eagerly to our junior and senior years.

BOARD OF ACTIVITIES

The Board of Activities offers an excellent opportunity for student participation in school government. This year, the Board chose a new president when Mr. Vorlage, who headed the board for many years, resigned. Mr. Miller, assistant high school principal, took over the post. Among the activities sponsored by this organization are a Friendship dance at the beginning of each school year and a Career Conference Night, which enables students of Ken Hi and other neighboring schools to get acquainted with some fifty or more colleges in the state. The Board also entertained at a banquet which brought the sponsors and representatives of the various clubs in Ken Hi together. The concession stand at the Ken Hi stadium and during basketball sessions, at the gym, is under the supervision of the Board.

NATIONAL HONOR SOCIETY

The National Honor Society is an organization whose purpose is not only to promote scholarship, but also to create interest in service and leadership and to build good character. Election to the group is a great honor that should be received humbly by its members. While names of students may be proposed by any faculty member, the actual choosing is done by a council of senior section room teachers, Miss Boucher, and Mr. Weaver. Since membership in the group itself is honorary, its members are able to be leaders and members of other clubs. New officers, except the treasurer, are elected every semester. Miss Russell is the treasurer and Miss M. Phillips is the club sponsor. At the end of the junior year, five per cent of that class may be elected to membership so that there will be members to carry the club over to the next year.

THE ASSEMBLY STAFF

President	Edward Lipski
Vice-President	Patsy Lucci
Secretary	Ralph De Simone
Treasurer	John Kraft

The Assembly Staff, under the capable direction of Mr. Jefferson, is always ready when called on to show the much wanted movies for the various classes in Ken Hi. The boys are taught how to operate the different projectors, both sound and silent, and how to hook up the public address system for school assemblies in the auditorium. This training the boys get while members of the Assembly Staff not only enables them to be of service to their school, but also offers them opportunity to learn many things about movie projection and sound systems that may some day be of great use to them. This training may be as serviceable after graduation as it has been to the school while they are here.

THE MONITORS

President	John Iverson
Vice-President	Ray Chorba
Secretary-Treasurer	Bob Armstrong

When the warning bell rings to change classes, you might notice a fellow near you slip from his seat and silently depart from the class. These boys are the Monitors who act as Ken Hi's traffic managers. It is their job to keep confusion at a minimum during the changing of classes, assist at fire drills, conduct section rooms to their places when assemblies are held and to act as couriers while on hall duty. The club consists of twelve members and a faculty sponsor, Mr. Fred Herlinger. Each member receives a Monitor's pin as an award of merit at the end of his senior year provided he has completed at least a year's service. Besides their regular duties, the Monitors featured a successful social event, the Srotinom Llab, or Monitors Ball, spelled backwards. It was a pre-Thanksgiving dance and a turkey was given away as a door prize.

SENIOR TRI-HI-Y

President	Helen Greer
Vice-President	Kathryn Goll
Secretary	Mary Lou Murtha
Treasurer	Ella Mae Armstrong
Chaplain	Audrey Brooks

The Tri-Hi-Y is open to any girl in the senior class who can fulfill the requirements and live up to the purposes and obligations of the club which has been organized by the Y. M. C. A. The Ken Hi Tri-Hi-Y has been quite active this year. The Sock dance was a social success of the fall season. The girls, together with the Junior Tri-Hi-Y, assisted at the theaters where the merchants entertained the children at the holiday season. Helen Greer and Mary Lou Murtha attended a conference at Indiana at which time a United Nations Conference was held. Both girls were elected to represent the district at Harrisburg in March when the state convention will be held. Selling name cards proved to be a profitable venture for the girls. Most important of the social events is the annual Mother-Daughter banquet held in May. Miss Daris Phillips is the sponsor.

JUNIOR TRI-HI-Y

President	Dora Bartolacci
Vice-President	Virginia Stepek
Secretary	Suzanne Noble
Treasurer	Bernice Schaffner

Because of the continued interest of Ken Hi girls in Tri-Hi-Y work the juniors again have their own organization. The aims and purposes of the two groups are identical although each undertakes its own projects but supports the activities of the other. The juniors did exceptionally well with their candy-cookie day sale and added materially to their treasury. They also assisted at the theaters in looking after the children when the merchants sponsored a movie for the youngsters. Informal initiation, as well as formal initiation, is never-to-be forgotten experience. A dance in the spring is being planned. The girls are also hoping to send their officers to summer Tri-Hi-Y camp where they will receive inspiration and training to carry on next year's work. Miss Boucher is the advisor for the group.

RED CROSS

President	John Perotti
Vice-President	Joseph Bosso
Treasurer	Suzanne Noble
Reporter	William Morrow

The Red Cross Club is an active organization under the sponsorship of Miss Mathison. It is one of the clubs in which its members can find real satisfaction in doing service for others. One boy and one girl are elected to it by each section room every year. These students lead and plan campaigns to knit afghans for refugees, make up Christmas boxes, and provide dolls at Christmas for under-privileged children. Annually, each section room, led by the Red Cross representative, fills a box to go to some child overseas. The club also puts on a yearly radio program over the local station. In the fall the club conducts the annual drive for Red Cross members. Sometimes the members receive a "thank-you letter" which gratifies those who help.

HI-Y

President	Charles Miller
Vice-President	Ray Chorba
Treasurer	John Iverson
Secretary	George Welsh
Chaplain	Bob Crum

The Hi-Y ranks as one of the top organizations of the school. Its purpose is "To seek, to create, maintain, and extend high standards of Christian character throughout the school and community." Consequently the Hi-Y offers any boy in the senior high opportunities for spiritual and social development and Christian service. The initiations held in September and early spring are the most colorful and eagerly awaited events of the school year. The club, sponsored by Mr. Ringhoffer, attends conventions, sponsors dances, and decorates Ken Hi's Christmas tree every year. Christmas boxes were sent to the needy in Europe. The Hi-Y is very closely associated with the Y. M. C. A. having a basketball team in the "Y" league, attending the annual Y. M. C. A. dinners and district Hi-Y conferences. The members are always welcome in any of our many Y. M. C. A's.

Future Homemakers Of America

COLLEGE CLUB

The College Club was organized for seniors who are college bound. Throughout the year the members hear speakers and representatives from various colleges, which enables them to become more familiar with the schools of higher learning in our United States. Tests are given during the year, which give the future college student a preview of their future work. There are approximately 90 members. Most of them are classical students, but the club is open to students of any course. This year, together with the Board of Activities, the club sponsored a Career Conference. The members of the club were hosts and hostesses for the evening. About 2000 people attended, not only to see the representatives, but the parents of the students were anxious to see Ken Hi's new look. The club is sponsored by Miss Dorothy Eiges and Mr. John Keiser.

FUTURE HOMEMAKERS OF AMERICA

President	Dolores Dahm
Vice-President	Patty Rossi
Secretary	Beverly Russell
Treasurer	Renetta Cieslinski
Historian	Jeannie Spence

The Home Economics Club has been affiliated with the state and national Future Homemakers of America for three years. It offers an opportunity for the future development of pupil initiative in planning and carrying out activities related to homemaking. The motto, "Toward New Horizons," expresses the purpose of the organization—learning to live better today in order that our lives and those of our families may be better tomorrow. Membership is entirely voluntary, and the club is open to anyone enrolled in the sewing or cooking classes. An annual spring fashion show, a trip to Pittsburgh, a skate, and an annual party are among the activities of the club. A delegate participated in the state convention at York, Pennsylvania, in April. Miss Olmer and Mrs. Potter are the sponsors for this active and helpful organization.

LIBRARY

Our Librarian, Miss Ewing, and her staff are always hard at work to satisfy all our needs. The library is open to all students seven periods of the day, providing they have a library permit. Students may receive the necessary permits from their subject teachers. Students and teachers have access to the library before and after school also. The library in Room 319 contains about 4,500 books, including reference works, supplementary texts, and recreational reading. The borrower is responsible for all books taken by him, and must pay for all those lost or damaged while charged to him. A fine of two cents per day is charged for each "two week" book kept after the date on which it is due, and five cents for each "over night" book. Besides being a very well-equipped library, the room contains a very interesting display of plant life.

BANK STAFF

The Bank Staff consists of students who are capable of handling the books and money. Through the Student Bank come many business transactions. Students, teachers, section rooms, classes, and organizations are benefited by the bank. Mr. Vorlage, the cashier, selects the members when they are in their junior year. He chooses the members with recommendations from some of their teachers. These new members are taught the system by which all business transactions are made. The Bank Staff sells candy so that they may have money to secure new machines for the business machine class. For the use of the students, the Bank Staff sells pencils and tablets. There are three tellers, Leona Kerr, Beverly Remy, and Ruth Frazier; four bookkeepers, Jerie Wilson, Lois Magee, Lora Lee Andree, and Mary Haddad; two auditors, Sylvia Peters and Louise Fowler; a checkwriter, JoAnne Kulick; and a messenger, Wayne Farneth.

ATTENDANCE STAFF

From all the girls at Ken Hi a few are selected each year to serve on the Attendance Staff. The Attendance Staff is an honorary society but it is not a social group. Rather, it is a service group because the girls must sacrifice study halls in order to spend one period a day in Miss Boucher's office. The girls are chosen from the senior, junior and sophomore classes. This year's staff is made up of the following girls: Dorothy Gerlach, Shirley Shearon, Ruth Bowser, Norma Jacoby, Alice Fadrowski, and Dolores Merlina. It is the duty of these girls to list absentees, check attendance, and to assist the dean in her work. Each year a representative is invited to the Board of Activities banquet. This year Dolores Merlina, the only senior on the staff, attended the banquet. This organization is important to the smooth operation of Ken Hi.

THE ORCHESTRA

The Orchestra is another of Ken Hi's many musical organizations which is called upon frequently for entertainment and accompaniment. This year the orchestra practices after school; consequently students must sacrifice many hours of their own time. The orchestra plays for many occasions but we especially look forward to hearing them at the Spring Festival and at baccalaureate and commencement. This year a new performance is anticipated when the orchestra will accompany the chorus for the operetta "Marianne" March 24 and 25. These students include a number who are really talented along musical lines and who will perhaps make a career of music. We shall be interested to watch their progress after they leave Ken Hi. Of course, Mr. Frank Oliver waves the baton for this group.

GIRLS CHORUS

The Girls' Chorus is a newly formed organization of twenty-five girls from the sophomore, junior, and senior classes. They practice three times a week during the third period. At the Christmas program in the gym the group presented several excellent selections in three part harmony. On several occasions this group has sung for the high school radio programs on Wednesday afternoons. Along with the Band, Senior Choir, and Orchestra they will participate in the Spring Festival. Their numbers are usually semi-classical. After the resignation of Mrs. Emogene Whitacre Truxal these girls were trained and sponsored by Mrs. Jean Dreher. This group which has taken the place of the Girls Swing Group which was composed of twelve girls who graduated last year.

KENNSYLVANIANS

The Kennsylvanians are under the able sponsorship of Mr. Frank Oliver, our competent band leader. This group of musicians was organized in 1946. They have been doing a fine job of playing for the dances and assemblies at Ken Hi and have contributed immensely to the success of many extra-curricular activities. They occasionally play outside of school for other organizations and clubs. It is not a very large organization but they make up for lack in number by the excellent quality of music they produce. They now number fifteen but are expected to increase in number in years to come. The recognized student leader is Robert Armstrong. He is a senior this year along with numerous other members. It would be well to watch this orchestra because it has a great future and we all wish them the best of luck.

THE SCRIPT AND SCORE CLUB

President	Emerson Milligram
Vice-President	Anna Lou Alex
Secretary	Gloria Pavan
Treasurer	Audrey Hobaugh

The Script and Score Club is composed of students who are particularly outstanding in music and dramatics. Auditions are held at the beginning of each school term and the most talented persons are selected for membership by the club sponsor and its officers. As a result of Mrs. Emogene Whitacre Truxal's resignation, Mrs. Jean Dreher has now taken over the sponsorship of the club. The club's operettas are always well received. In March of this year, the members presented the operetta "Marianne" by Yahres and Monroe which starred Anna Lou Alex, Harriet Fadrowski, Emerson Milligram, and Patsy Lucci. Each year the club attends an opera presented in Pittsburgh by a famous opera company. Last year the group attended the production "Girl Crazy" at Indiana State Teachers College starring Helen Faith, a former member of the club.

CHOIR

The Choir is one of the most active groups at Ken Hi. At eight fifteen each morning in Room 208 the Choir gives out with lusty voices. The Choir was formerly under the leadership of Mrs. Emogene Whitacre Truxal, who resigned because of ill health. Mrs. Jean Dreher has taken the position. At the beginning of the year, the Choir begins to practice for the Christmas season. Singing at the bank during Christmas Season has become a tradition for the Choir. The singing of the Choir at Easter time has also become traditional. The Choir has been complimented on their singing at the First Presbyterian Church during Holy Week. The Choir has also several radio broadcasts of which they can be proud. This year, the Choir's membership has reached one hundred and sixteen with many more applicants. The Spring Festival is the finale of the year.

COMMERCIAL CLUB

President	Patty Voyten
Vice-President	Sylvia Peters
Secretary	Helen Fink
Treasurer	Rita Potocnak

The Commercial Club is composed of junior and senior students who take the commercial course. They are selected to be in the Club at the end of their junior year. Meetings are held twice a month, one a social meeting and the other a business meeting. Special meetings are sometimes called when representatives from the business-world are invited to talk to the students about business conditions and new methods of doing things in the business-world of today. Some of the activities that the Commercial Club participated in this year were the "Pig Skin Hop," and a get acquainted dinner for the Club members only. They also sold candy to buy machines for use in the office machine practice class. They purchased four machines. One electric typewriter, a comptometer, and two electric Fridens. Mr. Keiser is the sponsor of the Commercial Club.

DISTRIBUTIVE EDUCATION CLUB

President	Theresa Di Fonso
Vice-President	Darlene Campbell
Secretary	Violet Duplinski
Treasurer	Alfreda Orkis

The D. E. Club, which is composed of members of the Distribution Education Course, is sponsored by Mr. Pfeiffer. One of the purposes of this club is to promote better salesmanship. As a group they criticize constructively other salesmen and girls in whose work they have taken particular interest. The most of their activity concerns the work itself. Not only do they stress good salesmanship but correct speech, personal appearance, and knowledge of their stock. Other activities also were part of their program for the year. One evening a tureen dinner was held at the high school. Another important event was a trip to Pittsburgh for a tour of the large department stores and a glimpse of "behind the scene" activities. Learning, combined with recreation, makes this club worthwhile.

DRAMATIC CLUB

President	John Iverson
Vice-President	Bud Black
Treasurer	Lorraine Marco
Secretary	Harry Ireland

This year the Dramatic Club's presentation was something entirely different—the spine-chilling mystery, *TEN LITTLE INDIANS*, by Agatha Christie. The cast was carefully chosen to fit each role. The play was presented at the Main Street Auditorium on March fourth at 8:15 o'clock and was well received by the audience. Part of the proceeds made from this production enabled the entire club to make its annual trip to Pittsburgh where they attended Oscar Wilde's *"The Importance of Being Earnest"* at the Pittsburgh Playhouse. These "actors" are kept busy working on original skits for initiation, radio programs, assemblies, and smaller plays which are presented monthly at the club's evening meetings. In this way the members earn their much coveted pin. Who knows but that there may be a future Lunt or Fontanne in their midst? Mrs. Alice Klinke is the club's capable and well-loved sponsor.

CAMERA CLUB

President	Lee Guida
Vice-President	Ella Mae Armstrong
Secretary	Regina Siuta
Treasurer	Mary Perriello

The newly organized Camera Club has developed successfully this year, sponsored by Miss Janet Mathison. The club enrolls about forty junior and senior girls and boys. The purpose of the club is to give those students, who are interested, the chance to learn the techniques of photography. The 1949 Camera Club has been extremely active and energetic. Lectures on portraiture, exposures, lens, and negative contrasts, visits to local commercial photo studios and a picture-taking jaunt to Pittsburgh were among the projects of the group. The highlight of the club's activities was the Shutter-Flutter Hop when King Kodak, Dick Brown, and Queen Ansco, Pat Voyten, were chosen unanimously from the Senior Class to wear the crowns. Camera Club photographers were present that night for request pictures.

GEOGRAPHY CLUB

President	Bud Black
Vice-President	Ella Mae Armstrong
Secretary	Bertha Baker
Treasurer	Donna Jean Bordonaro

The Geography Club of Ken Hi was established for those students who have an active interest in geography and wish to know more about the subject. The club is a section of the Geography Club of Western Pennsylvania and the National Council of Geography Teachers. Miss Mary Phillips is the sponsor, and any student who is a member of a senior geography class is eligible for membership. The club undertook various activities, but the most important and worthy was the sponsoring of two Care packages to two needy families in Europe. This deed of unselfishness should show the people of the world that the geography students of Ken Hi are not only interested in their climate, resources or political party but that they are also interested in the people themselves.

GIRLS LEADERS CLUB

President	Sylvia Peters
Secretary	Norma Jean Bolt
Treasurer	Mary Lou Murtha

The club is made up of junior and senior girls maintaining a satisfactory grade in physical education and an average of C or better in all other subjects. The purpose of the club is to assist instructors of the Department of Physical Education. These girls referee games in gym classes, check gym equipment, check locker rooms and showers, and assist in many other ways. To be eligible for membership the girls must show distinct qualities of leadership, including dependability, initiative, resourcefulness, willingness, and good sportsmanship. The club also helps to develop and promote general leadership and good sportsmanship throughout the school. Tournaments and supper dances along with many other social events add to the interest of the club. Miss Rosemarie Pascarella is the enthusiastic sponsor of the club.

HANDBOOK

The Handbook Staff under the sponsorship of Miss Owen has the task of compiling the Handbook manual. In the Spring of the previous year they hold regular meetings at which time assignments concerning the book are given and received. Sports schedules, new clubs and teachers, rules and regulations, courses of study, and just an all round check is made to secure accurate and correct information for publication in the Handbook for the benefit of the students the following year. This is the Ken Hi student's right and wrong, do it or don't book. It is here that information of all types can be located. Several other schools have used it for a model for their own books. Ella Mae Armstrong is editor; the staff and typists include R. Armstrong, C. Fitzgerald, R. Chorba, R. Marks, M. McCabe, J. Sisley, R. Trojanowski, J. Luffy, L. Johnston and V. Lavick.

KENTONIAN

The Kentonian, our school paper, is published every two weeks during the school term by the student journalists. Miss Russell, who is in charge of the paper, sees to it that the reporters keep up to date with editorials, jokes, features and happenings in the field of sports and news. The journalists are divided into four groups. These groups are then assigned a certain page of the paper, and an editor for the page is chosen, whose responsibility is to see that the work is done completely, accurately, and on time. Two sections of the paper are reserved for the junior high schools and they have their own reporters who cover the news. The journalism class provides an excellent opportunity for students to demonstrate ability in creative writing and originality in ideas. The editor-in-chief of the Kentonian is Donald Guerrin, and the assistant editor is Diane Bordonaro.

ATHLETICS

Those activities in which we participate as players or spectators and in which, regardless of what our position may be, we learn the attributes of fairplay and good sportsmanship.

Band

After their annual outing at summer camp in Salisbury, Pennsylvania, Ken Hi's Band returned to the city ready for the football season. Their week of rigid training and fun under the competent leadership of Mr. Oliver had prepared them for a tough schedule of performances with new formations and a new mascot, Kenny Russell. Kenny is now a favorite of all Ken Hi fans. In all, the Band performed before over a hundred thousand people during the season. They entertained at the All Star game in Pittsburgh, the Steeler-Detroit game, and all Ken Hi's games. In addition to this the Band plays at all the home basketball games, and practices a full period every day in preparation for the Dispatch Band Festival, the Allegheny Band Festival and the All District Band concert. A change in the Band Festival plans for this year is scheduled. Har-Brack, Tarentum, Springdale and Ken Hi bands will present a joint program in the Ches Arena in Cheswick rather than a program in each of the high schools as they had done before. Bob Armstrong, a trumpet player and a member of the graduating class, has attended the State Band concert for two years in succession.

Majorettes

Since Majorettes are now a part of every high school's band, Ken Hi can well be proud of her high steppers! Under the direction of Mr. Frank Oliver, the corps has become well known throughout Western Pennsylvania. Early this fall the group performed at Forbes Field as guests of the Pittsburgh Steelers. Many hours of diligent practice have made the majorettes so well trained and precise that they are often referred to as Ken Hi's "Rockettes." Each summer the majorettes, along with the Band, spend a week in the clean mountain air of the Booster's Camp in Salisbury, Pennsylvania. This little jaunt helps to give them the pep and energy to perform so arduously and thus inspire our team. The senior majorettes are awarded beautiful heavy white sweaters with a majorette insignia in vivid red. In the corps there are eleven graduates who will turn in their batons at the end of the term. They are the following: Bertha Baker, head majorette, Rita Potocnak, Janice Wolfe, Audrey Etta Brooks, Ann Moyes, Shirley Ross, Dolores Hess, Betty Stanko, Lorraine Marco, Linda Johnston, and Audree Perez.

Cheerleaders

N. Baumiller, R. Whalen, I. Pollack, M. McCabe, H. Greer

The 1948-49 Cheerleaders were made up of five members, three seniors and two juniors, Nancy Baumiller, Helen Greer, Rosalie Whalen, Irene Pollack, and Margaret McCabe. Last summer they attended the Booster's Camp, at Salisbury, with the Band. While at camp they practiced old cheers and composed several new ones for the coming sport seasons. During football season the Cheerleaders held pep rallies in the school gym and led cheers at all games at home and away. At the close of football season they were guests of the School Board at a banquet given for the football team. With the coming of basketball season the Cheerleaders were again on the job backing the team. Under their sponsor, Miss Pascaretta, they organized Ken Hi's first Pep Squad. These girls deserve the admiration of the school and faculty for the spirit they try to instill throughout Ken Hi.

Directors and Coaches

In recent years the ranks of directors and coaches at Ken Hi have increased considerably. Closely associated for many years with Ken Hi Athletics is Mr. Glock who is now director of Athletics. Mr. Vorlage is faculty manager while Mr. Jefferson has charge of equipment.

Head football coach is Mr. Fletcher who is assisted by Mr. Slosky and Mr. Dunn. Mr. Slosky heads the basketball coaching staff with Mr. Veitch as his assistant. Mr. Dunn is baseball coach. Track and Cross-Country Coaching is directed by Mr. Chegwidden.

VARSITY FOOTBALL

The varsity team, losing one game, came very close to winning the "AA" championship for the third year in succession. Considerable tribute has been paid to Coach Fletcher and his assistants—Mr. Jefferson, Mr. Dunn, and Mr. Slosky—who led the faithful team on to its many victories. The team went on undefeated to a record of twenty-two wins and one tie. They were then defeated by Vandergrift by a score of 20-14. At the end of the season the Red and Black's record to be totaled for the past three years was twenty-three wins, one loss, and one tie.

A tense moment during the Steubenville game.

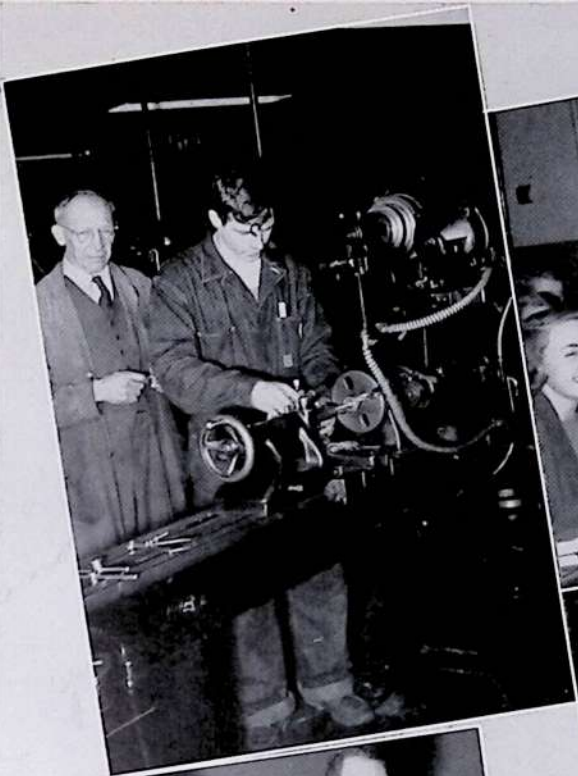

Those long arms of Willie keep off an Altoona opponent.

Exciting action when Ken Hi met Allentown.

Evidently a comparatively calm interval in the Ambridge game.

A scene in that never-to-be-forgotten Vandergrift game.

A Har-Brack player grabbed the wrong arm.

Mr. Remy explains to Richard Critchlow how to operate a lathe.

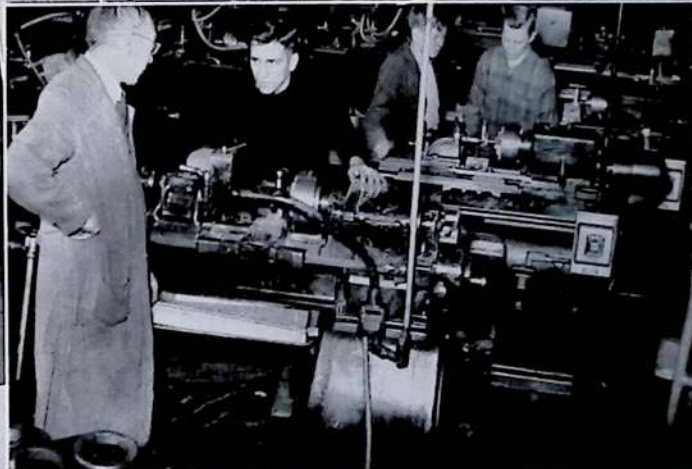

Everyone is having a good time at Tri-Hi-Y meeting.

Mr. Fletcher seems to think Willie's speech is very entertaining.

Ruthie Rapp displays her talent before Janet, Nancy, Virginia, Alma, and Nancy.

Angelo talks with Mr. Remy while Don and Dick are busily at work.

VARSITY BASKETBALL

Under the coaching of Mr. Slosky the varsity basketball team displayed excellent training and sportsmanship in 1948-1949. Winning seventeen games and losing four, the varsity team became Section I champions. However they met defeat when they played Rankin in the first round of the WPIAL at the Pitt Stadium. The team had a steady backing by the many loyal fans and school mates. The underclassmen regretfully said goodbye to France, Thrower, Tamburo, Brown, Campbell, Bosso, Kozikowski, and Crouse—seniors on this year's squad.

Mr. Veitch's Jayvee squad furnished some excitement along with the varsity squad by completing a successful season with fifteen wins and five losses. There is plenty of varsity material for next year's team from this excellent Jayvee squad.

We may well be proud of our teams for their good sportsmanship and loyalty. We are looking forward to the 1949-1950 season but will scarcely find one so exciting as that just ended.

BASEBALL—1948

Ken Hi's baseball team, coached by Mr. Dunn of Parnassus Junior High School had another successful season. With a record of eight wins, three losses and one tie, the team played very excellently all season. In the first elimination game Ken Hi defeated West Deer but was then upset in the second game by Vandergrift.

TRACK—1948

The 1948 Track Team, coached by Mr. Chegwiddden, participated in seven track meets, one triangular meet at Jeannette and the County Meet at Greensburg. The team scored a total of 256¾ points. Ernie Michels had a total of 49¼ points for top scorer. Willie Thrower, Bill Horrell, Jim Turner and William Walls set new records for Ken Hi.

CROSS COUNTRY—1949

Coach Chegwiddden's well-organized Cross Country team participated in nine meets during the 1949 season. The team won two meets and lost seven. The team, although losing, did very well for the season for a cross country team that had been organized for only two years.

Ray Centazzo, John Fern, Geno Pesce and Jack Bowser, Trade school boys, seem very studious don't they?

The library is such a quiet place! Frank, George, Dick, Mike and Albert seem to be enjoying themselves.
