CLASS OF

Revised

Tim,

To the most wonderful boy in Ken Hi. Remember all the fun we had in the cafeteria especially when you were eating two lunches. Meeting you was the most wonderful way for me to end my sophomore year. Never forget all the good times we've had together and I hope our friendship will never end. Stay the same because you couldn't get any nicer and remember me always.

Love Always,

Sally

## KENTONIAN STAFF

"The school exactly as it goes" has been the policy of the Kentonian or school paper. Published by the journalism class, the newspaper is distributed to students once each month. The four-page paper consists of a sports page, a feature page, and a news page. The paper is under the direction of Miss Russell and Mr. Shearer. Members of the staff are journalism students.

## HANDBOOK STAFF

The Handbook is familiar to all and is used quite frequently throughout the year by all the Ken High students, especially the Sophomores. This booklet contains much information concerning the high school and its activities — courses of study, period schedule of classes, clubs and sponsors, sports schedule, certain rules and regulations of the school, requirements for graduation, and the English reading list. Under the competent guidance of Mr. George, a select group of students comprise the staff who edit the Handbook.

## KEY CLUB

The Key Club is a service organization sponsored by the Kiwanis Club and Mr. George. This year, activities performed by the club members included cleaning Ken High's stadium, selling refreshments at the basketball games, assisting the Red Cross, serving at the Kiwanis pancake supper and aiding

the Salvation Army at Christmas. A basketball game against KQV disk jockeys and a dance were also part of the club's activities. Early in the spring many Ken High Key Clubbers attended the Pennsylvania State Convention at Reading.

*The fruits of their labors helped jam the gym for the game between the Klods and the High Hoopers.*

*The Executive Board — the upper house of Ken High's legislature—meets in the library.*

*Mrs. Jefferson, Mr. Jefferson, Fred Maier, Mr. Oliver and Mrs. Oliver enjoy the Student Council banquet.*

## STUDENT COUNCIL

The Student Council, governing body of New Kensington High School, is comprised of thirty-nine homeroom representatives and twelve executive board members. With the help of Mr. Oliver and Miss Boucher, the Student Council directs all extracurricular activities and money raising projects. It also initiates campaigns to build school spirit and morale. This year the biggest project of the Student Council was the donkey basketball game held in February. It proved to be a huge success.

## ART SERVICE CLUB

The Art Service Club, under Miss Fry's supervision, planned several projects for the school year of 1960-61, including the collecting of food and money for a needy family at Christmas. The club's second major project was selling stuffed animals to raise money for its treasury. One of the club's main responsibilities is planning displays in the large showcase near the auditorium. The displays are always neat and well done, adding a bit of color to Ken High's halls.

*Ron, Bill, and Steve look very professional as they serve at the faculty dinner.*

## WAITERS' CLUB

The Waiters' Club which is composed of sophomores, juniors, and seniors is under the supervision of the school dietitian and serves at teas, luncheons, and banquets throughout the year. Every April the group has a social event for its members to climax a year of hard work. Officers are President, Steve Wardzinski; Vice-President, William Spak; Secretary-Treasurer, Ronald Guz.

of the first two choirs named is to make the Senior Choir. A senior, after three years of choir, is entitled to go on the trip to New York which is arranged by Miss Bruno. Anyone wishing to learn to sing and to have some fun should join one of the choirs.

## SKIN DIVING CLUB

The members of the Ken High Neptunes organized this unique club this year to learn safe skin diving. This winter, the group spent Friday afternoons learning diving theory and Saturday evenings getting practical experi-ence at the Tarentum Y.M.C.A. This summer they plan to take trips to various near-by diving spots to take part in the fastest growing sport in the U.S.A.

## BAND

A fun-filled week at camp began another busy, but enjoyable year for the members of the Band. Under the precise baton of Mr. John Stephens, the Band performed for the Hurst Band Festival, the Allegheny-Kiski Valley Festival, the football games, the basketball games, the pep rallies, and the Spring Concert. A highlight of the year for many members was participation in the Westmoreland County Band Festival held at Ken High.
