Arnold High School

The Creed Of Arnold High School

I BELIEVE IN ARNOLD HIGH SCHOOL AS A MEDIUM FOR THE DEVELOPMENT OF THE YOUTH OF THIS TOWN. I BELIEVE MY SCHOOL TO BE THE POWER THAT UPHOLDS THE MORAL AND SPIRITUAL IDEALS OF YOUTH, THAT FOSTERS RESPONSIBILITY, AND THAT BRINGS TOGETHER THE FACTORS THAT MAKE FOR BETTER CITIZENS. I BELIEVE, THEREFORE, THAT IT IS MY DUTY TO MAINTAIN ITS STANDARDS AND TO BETTER ITS NAME.

FOREWORD

We are presenting to you in this volume a resume of our year's activities
in the Arnold High School. We hope that in after years
it will bring to you happy recollections of the days
we spent together, of friendships formed,
and successes won.

If this book will bring you any happy memories in
future years, it will have been a success.

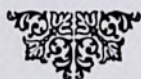

"OUR ARNOLD"

Onward to victory we cheer you,
Fight for your school so dear,
Ever fighting for Old Arnold
Of the game we have no fear.
Our teams are always fighting,
Our foes will be hard-pressed.
If you lose, we will not chide you,
For we know you've done your best.

So it's victory for Old Arnold,
Facing toward the foe.
It's victory for Old Arnold,
As down the field you go.
It's victory for Old Arnold,
We'll always be so true,
We're backing you, OUR ARNOLD,
We'll do our best for you.

DEDICATION ~

WE, the Class of 1930, dedicate this sixth volume of the Cauldron to our parents.

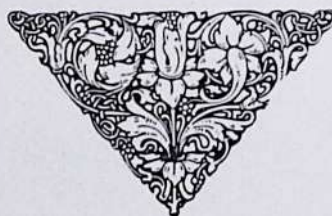

To our parents we owe what success we have had in life thus far. They have helped us to have the pleasures of social contact with our fellow students, to share with them the ideals and ambitions of youth and right living, and finally to graduate from Arnold High School, the better able to go out into the community to take the places of responsibility devolving upon us.

BUILDING A TEMPLE

A builder builded a temple,
He wrought it with grace and skill
Pillars and groins and arches
All fashioned to work his will.
Men said as they saw its beauty
"It shall never know decay.
Great is thy skill, O builder:
Thy fame shall endure for aye."

A teacher builded a temple
With loving and infinite care,
Planning each arch with patience,
Laying each stone with prayer.
None praised her unceasing efforts,
None knew of her wondrous plan,
For the temple the teacher builded
Was unseen by the eyes of man.

Gone is the builder's temple,
Crumbled into the dust;
Low lies each stately pillar,
Food for consuming rust.
But the temple the teacher builded
Will last while ages roll,
For that beautiful unseen temple
Is a child's immortal soul.

BOARD OF EDUCATION

To the Board of Education, we, the students of Arnold, desire to extend our appreciation for the cooperation and help given to us.

We appreciate the sterling qualities, the good judgment and the foresight of these men. They have labored with us to put more into our school life.

They have chosen a hardworking and industrious Superintendent and Faculty.

They showed their support of athletics by appropriating more than ever before to their support.

They helped to make possible the new stage, and, indeed, many other improvements.

All we can say is: "We thank you."

SENIOR CLASS HISTORY

In the ninth month of the year nineteen hundred twenty-six, a glorious sunrise cast its cheerful beams upon our group of Freshmen as we cautiously and wearily entered the portals of Arnold High School. We were welcomed by the faculty and our upper classmen, and, adapting ourselves to the routine of our new adventure, we were soon absorbed in the delightful task of seeking an education.

In our second year, worthy of the name of Sophomores, we were now fully launched on the waves which would lead us swiftly to the fulfillment of our ambitions. Among the outstanding occurrences which broke the monotony of our routine were the contribution of two of our members as recognized cheerleaders for the Alma Mater.

We were now past mid-stream, "Juniors." Many of our boys were members of our athletic teams. We presented a farce comedy in three acts entitled "Apple Blossom Time," which proved a decided success. The final event which capped the climax of our Junior year was the banquet and prom given in honor of the Seniors and could then bear proudly our motto, "We lead, others follow."

Our ship steamed slowly into the port and our goal came within reach. The years sped by so quickly that we were unable to comprehend the fact that we were Seniors and could then bear proudly our motto, "We lead, others follow." The crowning achievement of our high school career was the contribution of our Cauldron to the faculty and lower classmen. "Am I Intruding," a thoroughly modern comedy based on a mystery plot that held the attention from start to finish was given on April 11. As in the course of High School events, Commencement proved a glorious climax to the spectacular adventure within the realms of Arnold High School.

The officers were:

President	Jack Hunger
Vice President	Salvatore Marzullo
Secretary	Dorothy Mains
Treasurer	Arpad Heutchy
Advisor	Miss Wilds

Senior Class Poem

The sun is sinking slowly,
A cool wind whispers low,
Oh! It's terrible to say this,—
But we Seniors have to go.

We have reached the crossroads,
And soon we'll have to part.
The moment is drawing nearer——
Ah! A pain shoots through the heart.

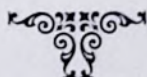

No one knows the heartaches,
No one knows the sorrow.
No one can ease the pain
That awaits us on the morrow.

We have studied hard,
And we have had our fun,
But life holds more than that
After all is said and done.

So hide those cowardly tears
And greet the world with a smile,
Success is for those who laugh
Rather than for those who growl.

Farewell to you, Faculty,
Farewell to all the rest.
Take a little advice from us
And to Arnold High School give your best.

UNDERCLASSMEN

HISTORY OF JUNIOR CLASS

When we entered Arnold High School in the fall of 1927 as Freshmen, the success or failure of our high school career was something remote, something to be decided as time progressed. We were determined to succeed, and we began building our success by taking part in all school activities and organizations. We distinguished ourselves that first year by winning the prize for selling the greatest number of football tickets, and we continued to take an active part in school affairs. Our studies were not neglected, and the Freshmen claimed many high scholastic honors. To round out a successful beginning year in high school, our class staged a very enjoyable party at the end of the term in the High School Auditorium.

Upon our return as Sophomores the following term, we took up the reins of our school life again. We had the incentive then of working to outstrip the success of our Freshman year. We again won the prize for selling the greatest number of football tickets, and we continued to take an active part in school affairs. The high light of our Sophomore year was the presentation of a movie, solely under the direction of the class, the returns from which we generously contributed to the Athletic Association. But we did not have all work and play, because during the year we gave two very successful parties which everyone enjoyed immensely.

During our first two years in high school, we worked hard to establish a reputation, and on our return as Juniors, we were an influential part of the high school, and great things were expected of us. We determined to live up to all expectations and even to exceed some of them.

Along with keeping up the good work, that was expected of us, we had the big problem of making enough money to finance the annual affair to be given in honor of the departing Seniors. We did this first of all by selling candy in school and at football and basketball games. We then gave the annual Hallowe'en Dance which was enjoyed by all who attended. This was followed by a skate at the Nu-Ken Gardens which, of course, was also a success.

The biggest undertaking of the year was the presentation of the class play, "Hixville to Hollywood." It was very clever and something entirely new in the type of plays presented at Arnold. Another new and novel idea was the introduction of specialty numbers into the play, which were greatly enjoyed by the audience. Along with having a new and different play the Juniors had the added distinction of using for the first time the remodelled stage, the new scenery, and new curtain. The play owed its success largely to the expert direction and management of Miss Jay and Mr. Laufe.

The Juniors finished a third successful year in high school by giving the gala annual affair in honor of the Seniors at the end of the term. The brilliant event was the result of the careful planning and foresight of the class officers.

The uncertainty of the success or failure of our high school career entertained by us when Freshmen has lifted somewhat. We can look back now, at the end of our Junior year, and truthfully call our class a success. We look forward to next year as an opportunity to put the finishing touches to a thoroughly successful high school career.

JUNIOR CLASS POEM

'Tis long since we were Freshmen,
Freshmen shy and proud;
'Tis long since we were Sophomores,
Sophomores green and loud.
But now we are the Juniors,
Ah! Juniors worldly wise,
And to the rank of Seniors
We are about to rise.

As Freshmen, we built records staunch
As Sophomores broke them too;
As Juniors used them well to launch
A foot-hold for our records new;
The records made by all the rest
As Seniors we shall do our best
To conquer and surpass
And be the model class.

History

The Sophomore year of the class of '32 is nearing its close. As we look back over the progress of the last two years we see that we have been successful. As Freshmen our class was well represented in all athletics. We worked hard and sold a great many tickets for the class plays and the operetta. Some of the Freshmen showed musical talent by taking part in the operetta. Season tickets for both football and basketball were bought by nearly all of us. The successful party we held at the close of our Freshman year will be treasured as a happy memory by all. In 1928-29 the Freshmen were recognized as a class of scholars, willing and ready for work.

In the fall of 1929 about 70 of us returned as Sophomores. We all determined to live up to our class motto "Labor conquers all things." This year our class has been even more prominent in all athletics than in our Freshman year. The snappy little cheerleaders, Richard Seddon and Joseph Yotz, were both members of the Sophomore Class. We all set to work to sell tickets on the season "Activity Plan." The Sophomores again were well represented.

A number of Sophomores showed great dramatic talent in the school play and operetta. No one of the Sophomores shirked his studies, and again we were well recognized as scholars.

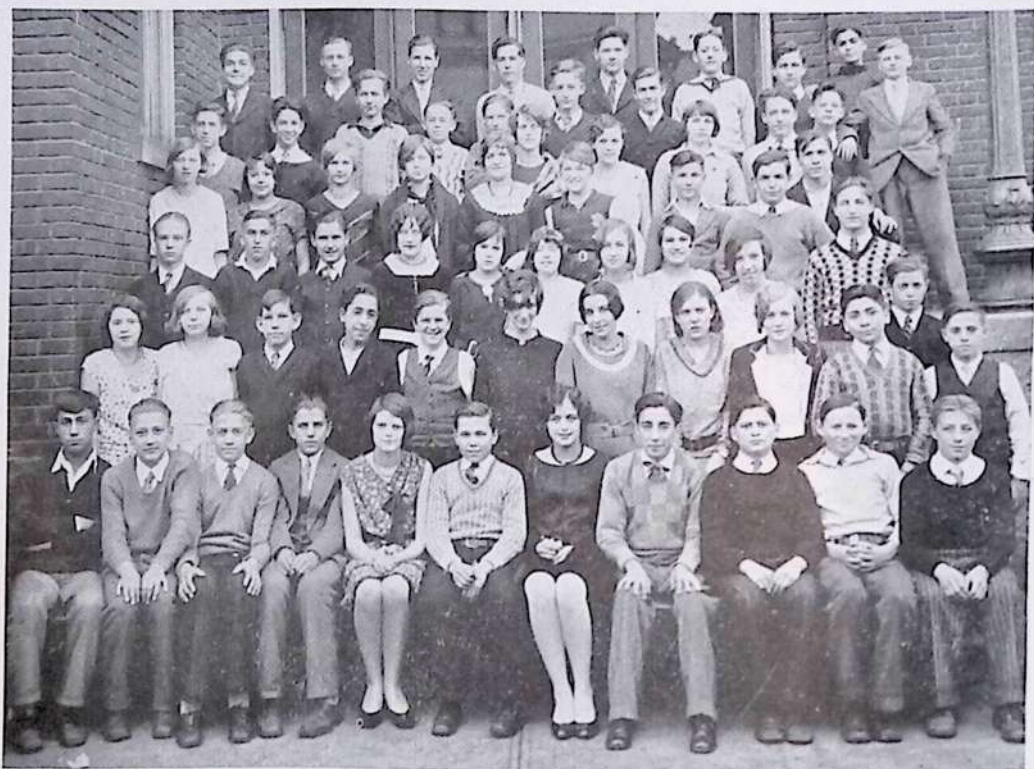

The Sophomores will not forget the successful parties of the class in the past year. In all we have labored and conquered as we set out to do. The class of '32 will work hard to make their Junior and Senior years even more successful than the first two spent in Arnold High School.

P o e m

And now that we've reached
The half way mark,
Let all of us labor,
As we have from the start
To make our record
At the Arnold High
One to be proud of
And praised to the sky.
Let us make victories many
And our failures few,
So that the school may remember
The class of '32.

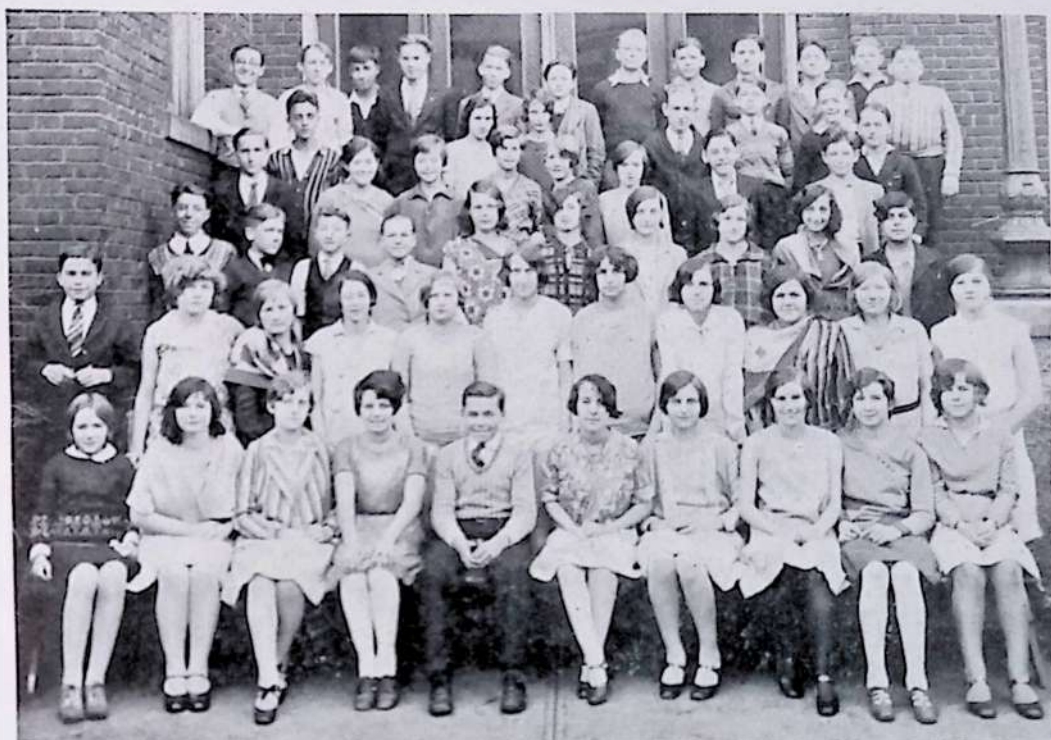

FRESHMAN CLASS HISTORY

Our Freshman year is over. With justifiable pride we look back over the bright and successful start we made in our first year of High School. From the first we proved to be an orderly class, and ever since our first organization we have abided by the laws set for us by our persevering officers and advisors.

One of our greatest achievements, and one which shows our cooperation, is the prize we won from the ticket sale. The Freshmen sold the greatest number of tickets of the four classes for the operetta "Tulip Time." We won a prize of eight dollars which increased greatly our treasury funds.

The Freshmen were well represented in all activities. Many of our number played on the football and basketball teams, while others showed unusual musical talent. There were several members in the orchestra and even more took part in the operetta. We were not entirely lacking in dramatic quality. This year for the first time, the Freshmen were allowed to take part in the play "Climbing Roses." Several Freshmen were at the tryout, and some were in the cast.

No one can say we did not have a good time during our Freshman year. We had a lively party after the basketball game on December 13. Everyone surely had a snappy evening. Among the other social events was the picnic. At this outing none complained, and everybody was entirely satisfied. How could we help it? Our officers worked hard, and the results were the best—the kind our officers always have. There was not a thing to mar the day.

So our school year continued, each day bringing more enthusiasm and genuine enjoyment. And in this same way we reached the end. The memory of this year will help us overcome all obstacles next year. Our Sophomore year will be based on our Freshman year. Since our Freshman year has been so successful, and since the victories of this year are increased in our next, we surely look forward to a most successful Sophomore year.

ORGANIZATIONS

CLUBS

Many new clubs were organized this year, which have proved very beneficial as well as entertaining to everyone. Each club was started on its way to success by the selection of several people to act as leaders for the other members. The responsibility of all activities was placed upon the students, the teacher in charge being only an overseer. Most of the chapel programs and entertainments held in the club meetings were entirely original this year and afforded much enjoyment to the audience. By the organization of these societies all could look forward to at least one and sometimes two entertainments a week. These broke the monotony of work, giving enjoyment as well as educational help. All the clubs proved very successful. Everyone seemed interested and tried to make his club the best it could possibly be. Many who were backward have overcome this fear by taking part in the club activities. Many have developed great dramatic ability and will probably gain more in the future. As a whole the clubs have a very good influence on everyone. Many benefits result from them and because of their aid they should stay in existence from now on.

NATIONAL HONOR SOCIETY

The National Honor Society was founded in 1921. There are over 600 chapters of this society in American High Schools. Our school became a chapter of this society in 1926 through the efforts of Mr. T. V. Kelly, former High School principal. This society is doing much to define and set the standards of the ideal High School students.

The Constitution of this organization recognizes four cardinal objectives as fundamental in all educational practice; Scholarship, Character, Leadership and Service. To exalt these objectives and hold them ever before the school as goals toward which all should strive is the purpose of this society.

The emblem of the Society is the keystone and flaming torch. The Keystone bears at its base the letters S. L. C. & S. which stand for the four cardinal principles of the organization. As the keystone is placed by the builder to hold the perfect arch in perpetual stability, so the structure of our education must hold firm and true to the purpose of life represented by the virtues in this symbol.

The following have become members of this Society in our school:

THE DLONRA DEBATING CLUB

The Dlonra Debating Club, one of the newly organized clubs of 1930, met with great success. It succeeded in its purpose to train the members for debating and public speaking. Under the capable supervision of Mr. Carson, our sponsor, much was accomplished.

During the year, two assembly programs were given by the members of the club. They were enjoyed very much by the student body.

The emblem of the Dlonra Debating Club is the scroll and mallet.

In parting we can easily say that we have established a solid foundation for a very successful debating club.

The officers were:

President	Myron Gehr
Vice President	Cyrus George
Secretary)	Lois Slocum
Treasurer	Josephine Cappone
Cauldron Reporter	Theresa Astorina
Sponsor	Mr. Carson

THE DEBATING TEAM

The Debating teams of 1930 enjoyed a successful year under the direction of Mr. Paul Carson. This is the second time Arnold has participated in high school debates, and the progress the teams have made is commendable.

The question for this year's debate was—Resolved, That the county unit system of education should be adopted.

Every member in the teams worked hard to win every debate they possibly could win. Although teams of this sort do not attract as much attention as athletic teams, they certainly deserve to be given credit for their work, which was difficult intellectually if not physically.

Thus do the debating teams of 1930 deserve the ovation accorded them.

THE BOOK LOVERS CLUB

The Book Lover's Club was among those formed at the beginning of the school year. The purpose of this club was to better acquaint the members with the best books, plays and authors of the present day.

During the club periods many readings, short stories, and plays of interest were read and discussed.

The members of the Book Lover's Club presented three chapel programs during the year. These were all very interesting, as well as amusing.

The officers of the year were:

President	Jack Hunger
Vice President	Salvatore Marzullo
Secretary	Frances Rome
Librarian	Florence Armitage
Cauldron Reporter	Mary Margaret Wells
Sponsor	Mr. Laufe

DRAMATIC CLUB-A

The Dramatic Club-A is one of the largest clubs in the school. Through the enthusiasm and efforts of its members the club has proved a success. The meetings have been interesting. Many amusing programs were given which revealed the unusual talent of some of its members.

In all, the members have been greatly rewarded for their work. They started at the beginning with the determination to make the club a success, and they have succeeded far more than they realized, making it one of the best.

The officers were:

President	Minnie Jane Klingensmith
Vice President	Steve Stanko
Secretary and Treasurer	Rachel Stowe
Cauldron Reporter	Lubow Maduk
Sponsors	Miss Hankey and Miss Wilds

DRAMATIC CLUB-B

This club has accomplished much in the line of dramatics, considering the few times meetings have been held.

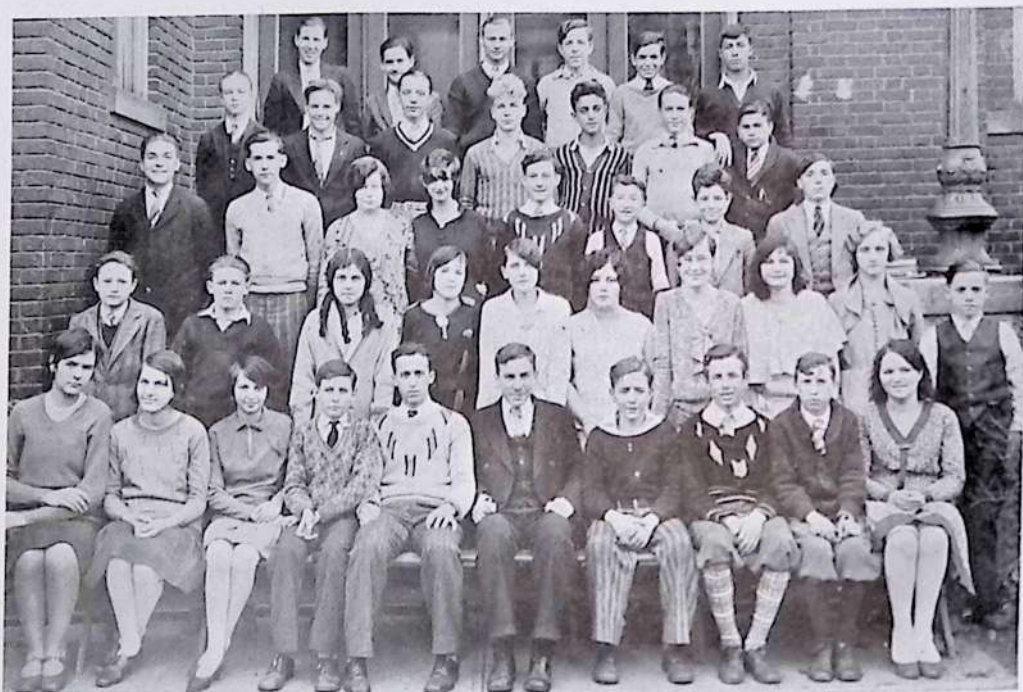

The best plays, which have been before the public, were studied. This interesting work readily engaged our attention. We discussed the abilities of famed and rising actors and actresses alike.

The members of this club took part in numerous club programs through which the meaning of good expression became very clear to us.

On Hallowe'en an original sketch written by the members and directed by Miss Crim, our club advisor, was presented in the auditorium and was a success.

The officers were:

President	Dorothy Mains
Vice President	Caroline Cypher
Secretary and Cauldron Reporter	Margaret Victor
Club Advisor	Miss Crim

BOOSTERS' CLUB

This club is looking back on its first year, which was a success.

The purpose of the Boosters' Club is:—To stand up for its Club, its School, and Standards. The things that were considered important were discussed at the meetings.

Three very interesting Assembly programs were given by members of the club. The first was "A Football Review," which was enjoyed by the students.

All members were delighted with being in this club.

The meetings were enjoyed by all who learned how to boost their Club, School, and Activities.

The officers were:

President	Robert Edgar
Vice President	Raymond Frabotto
Secretary	Victor Huff
Cheerleader	Edward Murhamer
Cauldron Reporter	Marie Vent
Sponsor	Mr. Elder

JOURNALISM CLUB

It is quite evident that this club, in view of merits of its past accomplishments, has proven itself the most valuable and indispensable organization of the high school. It ranks first in being an essentially educational club in which the higher standards of class cooperation and productiveness are maintained to a degree nearing perfection.

Its aim is to develop and promote any journalistic or literary tendencies among the student members and to provide experience in newspaper writing and the like.

The most outstanding achievement has been the introduction of a school paper, the Broadcaster—a semi-monthly periodical in which all views and news-events of the school are published in typical newspaper style. This has been a decidedly great success. Several programs held during the year have also been successful.

The Officers were:

President	Fred Edgar
Vice President	Jack Rogers
Secretary	Harold Howe
Cauldron Reporter	James Sell
Sponsor	Miss Jay

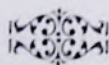

COMMERCIAL CLUB

Under the supervision of Miss Cypher the newly organized Commercial Club was a great success. The main feature of this club was the banking system which was practiced throughout the year. The members showed their ability as stenographers in the play, "Trying Them Out." This being the Commercial Club's first appearance, we are sure that next year it will be a greater success.

The officers were:

President	Rhoda Singleton
Vice President	Mary Stonecheck
Secretary	Irene Pastura
Treasurer	Mary Pituch
Cauldron Reporter	Lenora Thompson
Sponsor	Miss Cypher

THE HIKING CLUB

Under the careful guidance of Miss Edith Jay, the Girls' Hiking Club, a newly organized club this year, attained great success.

It brought the girls into a more friendly group and did much in promoting better health by long, pleasant hikes. The girls also learned many good points on outdoor life such as studying different plants, building fires, etc.

It is very much regretted that more hikes were not held, and it is hoped that next year it will meet with still greater success.

The officers were:

President	Justina Tomayko
Secretary	Theresa Astorina
Treasurer	Pearl Zorena
Sponsor	Miss Edith Jay

ATHLETIC CLUB

One of the finest movements undertaken this year was the organization of the Boys's Athletic Club. Miss Bowmer, who sponsored the undertaking, is given credit for the success of the club. The purpose was "To be a good clean sport at all times." The motto was "Good character shows good sportsmanship." The club accomplished much in the development of the boys, morally, physically, and mentally..

Various topics dealing with sportsmanship and athletics were discussed. Interesting programs were rendered at its bi-monthly meetings. At times the members engaged in games such as basketball, hockey, and handball. Also several interesting chapel programs were given by the club.

The officers were:

President	Aurelio Guilioli
Vice President	Frank Suatoni
Secretary and Treasurer	Geno Bussotti
Cauldron Reporter	Louis Ciancutti
Sponsor	Miss Bowmer

SCIENCE CLUB

The purpose of the Science Club was to deal with scientific happenings of every day life. The club had seven major aims:

- (1) To increase the pupil's appreciation of his environment.
- (2) To develop his powers of observation.
- (3) To train him in the scientific method.
- (4) To stimulate him to organize his common experience for use in the solution of new problems.
- (5) To develop his desire to practice personal hygiene.
- (7) To teach him specific ways in which the principles of science are applied to the work of the world so that he may fully realize the importance of science in the home, community, state, nation, and the world at large.

The goal is to give the pupil an overpowering curiosity and desire to know the truth.

Many interesting programs were presented.

The officers were:

President	Ernest Howe
Vice President	John Fuge
Secretary and Cauldron Reporter	Elizabeth Ramsey
Treasurer	Adolph Bagdon
Sponsor	Mr. Browne

THE MADGEBURG CLUB

This year some of the Junior boys felt the need for a club all their own. This need culminated in the Madgeburg Club.

The idea back of the club was to develop fellowship, friendship and fratern-
alism. It has admirably succeeded in carrying out its three major aims. The mem-
bers of the club are all doing their best to carry out the ideals which they have
laid down.

The boys looked forward to the club being a growing one, which will live
on from year to year furthering the ideas and ideals of the organization.

The club is just a new one but it is hoped by all the members that its use-
fulness will continue.

The officers for 1929-1930 were:

President	Ben Slomoff
Vice President	John Culp
Secretary and Treasurer	Fred Hamilton
Constitutional Interpreter	Dominic Perino

THE HI-Y CLUB

The Hi-Y Club was organized here in 1927. Each year marked a large increase in membership and in 1928-29 a total of twenty new members was added. This year thirty new members were added. That alone denotes the becoming popularity of this organization, and we hope that such prosperity will be enjoyed in the future.

The purpose is: "To create, maintain, and extend throughout the community, high standards of Christian Character."

The slogan is: "Clean Living, Clean Speech, Clean Sports, and Clean Scholarship."

The Hi-Y Club is profoundly important to the community. Honest, upright, young men should belong. It gives opportunity for Christian leadership which is one of the main keystones of the National Honor Society. It challenges every high minded young man to be a member, and though many are called, few are chosen.

Many social activities were sponsored throughout the year, which included banquets, dances, and swimming parties.

Club officers were:

President	Harold Howe
Vice President	George Thompson
Secretary	Jack Hunger
Treasurer	Louis Derose

Sponsors for the year 1929-30 were Mr. Laufe and Mr. Carson.

GIRL RESERVES

The Girl Reserves is a very prominent organization of Arnold High School.

Through the aid of Miss Edith Jay and Miss Freda Cook, this club was re-organized last year, and had as its motto: "To face life squarely and to find and give the best." The girls certainly did live up to their motto.

Fifteen new members were admitted into the organization during this past year.

The club's first social event was a Christmas Grab Bag and supper. They also held many other activities, some of which were: Valentine Dance, St. Patrick's Dance, April Fool Party, and a few suppers.

Every member greatly enjoyed every activity of the year.

The officers were:

President	Dorothy Twyford
Vice President	Caroline Cypher
Secretary and Treasurer	Rose Shirella
Sponsor 1929-30	Miss Jay

GIRLS' GLEE CLUB

Owing to the splendid and capable direction of Miss Elinor Cook, the Girl's Glee Club has proved to be a very successful organization.

This club has revealed the unusual talent of the high school as shown by the success of all their undertakings.

The Glee Club gave a very appropriate demonstration of the ability of its members at their public performances and entertainments.

The weekly rehearsals were all very educational and interesting, as well as amusing, and were enjoyed immensely by every member.

This club plans to give many more entertainments next year.

THE BOYS' GLEE CLUB

A club well calculated to develop in the minds of the students an appreciation of harmonious classics has so improved since its organization that one may un-
lushingly shout, "marvelous."

The club has a membership of twenty-three music-loving fellows. These celebrities, under the knowing baton of the supervisor, Miss Elinor Cook, have frequently blended their voices into song to provide entertainment for many programs. We cannot forget their participation in the operetta, which was a "howling" success.

ORCHESTRA

To say that our school orchestra is indispensable would be superfluous. Organized in 1927, it has long since proven its worth.

This year their services have been immense. The classic entertainment presented in accompaniment with the various dramatic activities of the year has been of the highest type. This organization greatly added to the success of the faculty banquet, and its participation in numerous other activities was considered an absolute necessity.

The organization has been a tribute to the excellent supervision of the sponsor, Miss Elinor Cook, and may such success continue to be theirs in the future.

THE BROADCASTER

The Broadcaster! That peppy little recorder of all the social activities of Arnold High has come to the end of it's 1929-30 career.

The paper run by an efficient staff headed by the capable Editor-in-Chief, Anthony Uhar, and advisor, Miss Jay, has well deserved it's bid for fame.

The 1929-30 school term marked the second time Arnold proudly boasted of a school paper. Despite the fact that this is only it's second year, the paper has won a niche for itself in our school. We little realize how much news value our Broadcaster published, or how much it would be missed if we did not have it.

All year the staff and practically everyone associated with the paper has worked hard to make and publish a paper which the students and outsiders would appreciate, and it can certainly be said that they have done it.

Every bit of news of dances, plays, and athletics was published in the paper; thus has the paper proven invaluable as far as advertising is concerned. And as for humor — little would be said of it for no funny incident escaped the eagle-eyed reporters.

In view of all these facts and knowing the popularity of the Broadcaster, it is easy to realize that the Broadcaster has enjoyed its most successful year under "Editor Uhar" and his staff.

Many of the papers most faithful contributors and best writers have written their last article for our paper.

"AM I INTRUDING?"

"Am I Intruding?", a mystery comedy in three acts, was presented by the Senior Class on the evening of Friday, April 11.

"Am I Intruding?" is a thoroughly modern comedy causing laughter galore, based on a mystery plot that holds the attention from start to finish and comes out quite differently from what anyone in the audience is expecting.

The action hinges around the efforts of Horace Vare, a wealthy business man, to keep from being frozen out of the Bluebird Motors Corporation in which he is a heavy stockholder. Blair Hoover, an adventurer, acquires some notes of Vare's when the latter is short of cash and threatens to ruin him unless he will sell his Bluebird stock at a low figure.

Vare has been forced into a tight corner financially when Jerry, eccentric son of his comrade of years ago, appears on the scene. Jerry is a regular rustic toronado and sets out not only to save the stock for Vare but to win Vare's daughter for himself. This he does and the dramatization comes to a glorious ending.

The play was well enacted and well received. Congratulations Seniors.

ALUMNI ASSOCIATION

The sun is slowly setting in the west. The evening of your high school days is at hand. You, the graduates of Nineteen Hundred Thirty, are now looking back with us on your four years spent at Arnold.

But we cannot live on memories, no matter how delighted they are. We, who have graduated and gone out into life, realize that life is made up of tasks to be performed and duties to be met.

We, The Alumni Association, welcome you into our ranks. We know that you have ambitions and goals—we know that you are teeming with life—we need you to help us carry on to make an organization which will mean something to the Arnold of tomorrow. We know that if we were going back again, there are things that we should do differently, and that we should like to have better possibilities for growth.

So let each one of us, as we are banded together, determine to do our part and use our influence to help make Arnold Hi better year by year.

"HIXVILLE TO HOLLYWOOD"

On February 14, the Juniors gave their class play "Hixville to Hollywood" in the High School auditorium.

"Hixville to Hollywood" is a comedy in three acts. It is the story of Flossina Jersey, a small town girl, who wins a local contest and then heads straight for Hollywood and fame.

One scene in the play is a faithful representation of a moving picture studio in operation and is the most unusual scene ever done in local production. Another act which was a hit in this outstanding comedy was that which showed the Hixville Grange Hall with the Annual Bazaar at its height.

The play was one of the most ambitious undertakings ever attempted by a local high school class, but the enthusiasm which was shown at rehearsals warranted its success.

ATHLETICS

FOOTBALL RESUME

"King Football Reigns!" A tackle, an end run, a punt, pass—all these gripped them with a desire to fight for their old school. They gave their best, and that's all that is asked.

Arnold had a successful season; however, the season would have been more successful if the team had not been hampered by injuries. But there are two things higher than winning a game, and they are Loyalty and Sportsmanship.

Below is a brief record of the games played:

Sharpsburg was the first to be encountered and proved to be our first victim. The battle was fiercely fought. Late in the game George galloped to a touchdown—6-0.

Then for Leechburg—it certainly was a glorious battle. In the first quarter there were many worried faces, but from then on, the Eldermen settled down and put a brilliant battle. The line functioned well, and with excellence interference, George and Uhar ran the ends for touchdowns—19-0.

Students turned out in a mass to see the next game, the yearly tilt with our great rival, Ken Hi. Both teams played great ball, and the game was a tough one to lose. Ken Hi scored in the first half. In the next half Gabrish took the ball over for Arnold's lone touchdown. With victory staring them in the face, Arnold's hopes were blasted when, in the last quarter, Heutchy, Schaffer, Calderini, and Gabrish were forced to leave the game because of injuries. Ken Hi won, but they had to fight for it—12-6.

The following Saturday, Springdale was met on their own field. The Orange and Blue held the upperhand in the first half on Nee's touchdown. Late in the game, Springdale came back and took the verdict—7-6.

Freeport with her "pack" was next encountered, and our boys were completely submerged. Heavier and more experienced players were too great a handicap for the Eldermen to overcome. The game ended with a score—20-0.

Playing again on our field, Apollo was our opponent. The Arnold boys clicked beautifully at times but did not have the reserve to cope with the Orange and Black. With the score 6-0 against them, the Elderman put on a great offensive attack, and George finally bucked his way over the goal line. It was a tie—6-6.

Journeyed to Oakmont, the Arnold lads were victorious—7-0. The team as a whole put up a battle against which the Marshall men were helpless; the line functioned as it had never done before. In the last quarter Nee intercepted a forward pass and made the touchdown.

Then Arnold bucked up against the justly powerful Parnassus combination. The game was very close, but the playing of Koleva, Parnassus center, could not be stopped, and the Crimson and Gray romped away to a—19-0 decision.

A great Har-Brac team battered its way to a victory over our boys in the final game. Our boys fought hard, and although they didn't win this game, they made a great showing. The score was 19-0.

Arnold has many more successful football seasons stretching before her. There will be numerous defeats and off years, but the school has climbed to a high standard in football and will rank with the best of its caliber.

THE COACH

Coach Robert "Bob" Elder is the man responsible for the high brand of football and basketball played at Arnold. For the past two years he has piloted Arnold's ship into the realm of sports; and he really has made a successful job of it.

He is a graduate of Penn State, and previous to his coming here, he coached in the Northwestern part of the state where he earned quite a reputation.

During his stay here, it didn't take him long to establish himself as an idol of the athletes.

In football, he knows how to make the boys on the line get down and dig away. His system of secondary defense has functioned very well.

In basketball, the Elder system is notorious, and to mention Elder is to mention Arnold. He instils into his boys that "Arnold Spirit."

In appreciation of his great work, the student body and the seniors who graduate and who were under his tutelage, wish him continued success in all his undertakings in years to come.

RESUME OF THE BASKETBALL SEASON

Shortly after football season, Coach "Bob" Elder called the first varsity basketball practice. With Nee, Uhar, George, Heutchy, Edgar, Foti, Kolcun, and Kuznicki eligible from last year's squad, and with Guilioli and Boucher added to the list, Elder built up the most successful quintets ever to wear the colors of the Orange and Blue.

Stepping out against Leechburg in the opening game, the Eldermen were defeated by one point. The final score was 27 to 26. Uhar and Foti led the victors with five and four field goals apiece.

Aspinwall invaded the Arnold gym and toppled the Arnold quint, as in the previous game, by one point—18-17.

Journeying to Greensburg, the Eldermen defeated the county-seat passers by a score, 14-12. The players were evenly matched, and our triumph was not decided until Uhar broke the deadlock with a field goal.

Continuing the schedule, the quint journeyed to Aspinwall, a trip which resulted in an Aspinwall victory, 23-14. Guilioli starred for Arnold.

In the second Leechburg encounter, Arnold again broke into the winning side of the ledger. Arnold led the whole way. George and Uhar starred with three field goals each. The final count was 31-22.

With Kuznicki and Nee "on," Arnold completely submerged the Washington Township team 42-9. Kuznicki scored seven field goals, while Nee dropped three through the loop.

Sharpsburg was encountered in the next game. They also were defeated by the Elder quint, 16-12. Guilioli led the scoring with ten points.

A big Purple and Yellow team came up from Verona and gave defeat, the Elderman another one point 19-18. Guilioli led with three field goals.

Then came the first game of the W. P. I. A. L. season, and we met Ken Hi on their own floor! Captain "Pie" Nee led the Eldermen to a great victory, 19-16. His three field goals and George's and Foti's two were the scoring highlights. A defense set up by Edgar and Heutchy was almost impregnable.

Murdock's fifteen points spelled defeat for the Arnold squad—37-11. The Burnt Orange and Blue played in good form at times but could not cope with the steady, relentless drive of Har-Brac.

Freeport proved easy for the Arnoldites. The score was 28-13. Foti and Guilioli stood out as the scorers.

Arnold led most of the game but in the last few minutes of play were defeated by six points at the hands of Tarentum, the score was 24-18.

An extra period was necessary for Parnassus to get verdict over our boys in the next game—25-22. George's ten points looked best for the Arnold cause.

Springdale was next met. Nee with five field goals played a great part in the 28-20 victory.

A week's rest and then came Catholic High of Pittsburgh—another victory of 17-16. Uhar's playing was the highlight of the game. He scored five field goals.

In the return game with Ken Hi, Arnold took it on the chin, this time 21-9.

A poor first half enabled Har-Brac again to defeat Arnold 38-23. George and Uhar led the Eldermen with three field goals apiece.

George, Uhar, and Nee plus an avalanche of field goals spelled defeat for Freeport. George with twelve goals, Uhar with six, and Nee with three led the attack. Heutchy played a great game at defense.

A reverse was met at the hands of Tarentum 21-17.

Avenging a previous setback, Arnold defeated the old rival, Parnassus—15-13. Edgar and Heutchy were the stars in this game.

The last game of the W. P. I. A. L. season was played at Springdale—another Arnold victory—25-20. Nee and Edgar were the leading scorers.

WESTMORELAND COUNTY TOURNAMENT

Playing Washington Township, Arnold romped away to an easy victory. Uhar and George with four and three field goals respectively led the scoring column.

Vandergrift was encountered in the second game. It was a great game but Arnold was defeated 20-19.

After the Westmoreland Tourney, Arnold took Oakmont into combat. Kuznicki showed great punch in this encounter playing a "heads up" game. He scored five field goals, and the score was 27-14.

Journeying to Verona, Arnold won another game 32-28. George and Kuznicki led the attack.

Catholic High was defeated in the last game on the Arnold floor, again by one point 17-16.

ALLEGHENY-KISKI VALLEY TOURNAMENT

Again, Arnold defeated Parnassus. This time in a game at the A-K tourney—19-16.

Advancing to the first round, Arnold played brilliant basketball and downed a great Kittanning team. Edgar and Kuznicki played one of the best games this season.

Arnold ended its court season by taking a beating by Leechburg in the second round of the tournament—30-15.

So it goes! Captain Nee, Uhar, George, Edgar, Heutchy, Foti and Kolcun have played their last year of scholastic basketball. A great team and only one of the two teams to beat the W. P. I. A. L. champs! When we remember this victory over Ken Hi and the two over our other rival Parnassus, we cannot help but be proud of our boys, and we are sure that everyone agrees with us that Arnold, under Coach Robert T. Elder, has had its most successful season.

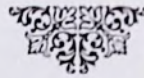

TRACK

Immediately after the close of the basketball season, interest in track became manifest. Although track was not recognized last year by the school officials, the boys organized a track team of their own, having a fairly successful season, considering the material and time spent.

This year, for the first time since 1926, track is a recognized sport at Arnold High School. The majority of the boys who were on last year's track team are left to compete another year, so we are looking forward to a great year. Three boys, the point getters of last year, deserve special commendation. They are Harold Howe, captain of the team and distance runner extraordinary; Joe Yotz, the sophomore newsboy miler; and Cy George, who excels in the 100-yard dash and the pole vault. These boys, with the other strong material left from last year, formed the nucleus of a great track team.

Some on the team will leave this year. We mentioned especially Captain Howe and "Cy" George. We will miss them, but we know they will go on to bigger and better things—earning new honors for our town.

Thus, we close the annals of the 1930 track team, which won many honors under the direction of Coach "Bob" Elder.

MY OLE STAR

(RED HARTNETT'S CAR)

Of my old car they all make fun,
They say it was made in nineteen-one.
Maybe it was but this I'll bet
She's good for many a long mile yet.

Her windshield's gone, her radiator leaks,
Her fan belt slips, her springs all squeak,
She rattles the nuts and screws all loose,
But she sure can run on motor juice.

If we can't get this, we burn kerosene,
And we've driven home on Paris green.
She's a rattle in front, a grind in the rear,
And a Chinese puzzle for a steering gear.

Her coils are dead, her plugs won't fire,
Her piston rings are bailing wire,
But in spite of this the hills she'll pass,
And all she asks is a little gas.

With other cars they give you tools,
Some extra parts and a book of rules,
But a monkey wrench and a pair of shears
Is all I've carried for the last four years.

Jack Hunger—"How did you get that red on your lip?"
Salvatore Marzullo—"That's my tag for parking too long in one place."

Early to bed and early to rise,
And your girl goes out with the other guys.

Mr. Browne—I take great pleasure in giving you 85 in Chemistry.

Mr. Carson—Miss Twyford, you have entered the debit item under

Dorothy Twyford—"Yes, sir, I'm left-handed."

John Acopine—"There's been something on my lip for weeks."
Emma Resh—"So I notice. Why don't you shave it off?"

Charles Foti—"Her niece is rather good looking, eh?"
Robert Edgar—"Don't say 'knees is,' say 'knees are.'"

GREETINGS!

GREETINGS!—TO THE SENIORS OF CLASS 1930

To the Seniors of Class 1930—

We want to greet you in the true, neighborly spirit of camaraderie—to take our place side by side with you—in initiative, forethought and faith.

From ambitious youngsters you have arrived full grown with ideals high, and with an unsevering aim to supreme attainment—you have achieved your cherished goal.

But the end is not yet—for like the far horizon that ever recedes, your endeavors, your plans must aim higher with every accomplishment—we hope you will never be satisfied with fixed standards—that each tomorrow shall see higher and yet higher attainments.

We congratulate you—and wish you success in your new undertakings

The world is old but likes to laugh,
 New jokes are hard to find.
 The whole big editorial staff
 Can't tickle every mind.
 So if you meet some ancient joke
 Decked out in modern guise,
 Don't frown but call the thing a joke.
 Just laugh! Don't be too wise.

Here lies the remains of a radio fan,

 He went to a powder mill, smoking a pipe,
 And was picked up by twenty-one stations.

CLASS PROPHECY

A fantastic haze surrounds the crystal globe; it circles and swirls in tiny spirals from the pot. Strange and indistinct forms move in the weird atmosphere. A dim light from nowhere cast a gleaming shaft of pale green through the shadows of darkness. But soon the forms become more distinct, and as the arrows of dawn dart through the eastern sky we can see:

Ah! "Porkie" Acopine is clothed in a white satin coat, shaving the tough beard of Mussolini.

And lo! The mighty John Becker stands fully recognized as Daniel Webster's duplicate.

Miss Bushnell, founder of the Women's College of Elocution, is nationally known as a great orator.

"Chick" Chickowski whirls lightly over the stage. She is Florenz Ziegfeld's latest star.

Arpad Heutchy is now the leading pianist in the Roxy Recording Orchestra.

Salvatore Marzullo has discovered through his chemical genius a potion guaranteed to remove wrinkles from old maids.

Nettie MacFarlane is the leading instructress on weight reduction for stout women in Bouquet Solarium.

George Thompson in collaboration with Myron Gehr has produced a book on Science entitled, "A Safe Journey to Mars."

Little Boy: "Mister, when I eat an apple the worms will have to look out for themselves."

First Party: "Is it right for a married woman to work?"

THE FORD'S 23RD PSALM

The Ford is my car,
I shall not want another.
It maketh me lie down in wet places,
It soileth my clothes,
It leadeth me into deep waters;
It leadeth me in the paths of ridicule for it's namesake;
It prepareth a breakdown for me in the presence of mine enemies.
Yes, tho I run thru the valleys, I am towed up the hills.
I fear great evil when it is with me.
It anointeth my face with oil,
It's radiator boileth over,
Surely to goodness if this thing follows me all the days of my life,
I shall dwell in the house of the insane forever.

It was evening. Fred Hamilton approached a motorist.

"Sir," said Fred, "your beacon has ceased to function."

"Huh?"

"Your illuminator, I say, is shrouded in unmitigated oblivion."

"Beg pardon?"

"The effulgence of your raditor has effervesced."

"My dear fellow, I—"

"The trasversal ether oscillation in your incandescer has been discontinued."

Just then Ray Johnson walked up and said, "Hey, Mac, your lights are out."

Becker—"Why don't you get your trousers pressed?"

Johnson—"I can't."

Becker—"Why?"

Johnson—"Well every place I come to has a sign saying: Trousers Pressed Inside."

Becker—"Well?"

Johnson—"I want mine pressed on the outside."

John Nee—"A fellow told me the other day that I looked like you."

Louis Derosé—"Where is he? I'd like to punch him in the eye."

John Nee—"I killed him."
