Board of Education

It is the important function of the Board of Education of the New Kensington-Arnold School District to see that our schools are properly organized and efficiently administered. Its members are a group of civic-minded men who understand just how important education is, and they have given generously of their time and energy to see that our students receive the proper education. They are also to be seen at many school functions including athletic events, banquets, and plays.

The officers for 1967 are Henry J. Bitar, President; Edmund Humeniuk, Vice President; Veronica Mrozkowski, Secretary; Phillip Corbin, P. Louis DeRosa, Solicitors.

Together They Work For Quality Education

Administrators

WILLIAM L. JEFFERSON
Superintendent of Schools

Although we do not get to see our Superintendent of Schools very often since he moved to the Administrative Building, we know that Mr. Jefferson is hard at work planning and administering the educational policies of our school district. New buildings, renovations of old buildings, and up-to-date teaching procedures are all evidence that Mr. Jefferson is keeping our system abreast of the times.

The Class of 1967 sincerely thanks Mr. Jefferson for his devoted service to education in New Kensington and Arnold.

HARRY D. BERKEY
Assistant Superintendent of Schools

Mr. Berkey is continuing his long years of service to the advancement of education in this district by serving as Assistant Superintendent of the New Kensington-Arnold School District. Working with Mr. Jefferson, he assists in carrying out the policies of the Board of Education and is genuinely concerned with providing the best in education for our students. Teachers planning to retire look to Mr. Berkey for assistance in bringing to a close their teaching careers.

W. LEE VORLAGE
Administrative Assistant

Mr. Vorlage, administrative assistant for the New Kensington-Arnold School District, is involved in a multitude of duties. From the publication of a newsletter to the distributing of supplies to all parts of the school district, Mr. Vorlage continually finds himself working with administrators and faculty members. His devotion to his work and his friendly manner with all with whom he works have made Mr. Vorlage an important member of the administrative staff.

FRANK G. OLIVER, *Principal*

Mr. Oliver, high school principal, has organized our high school effectively and efficiently so that each student may be well prepared for the years that are ahead in a world that is continually changing.

Although busy with the many administrative details that are part of a principal's working day, Mr. Oliver also has a personal interest in the welfare of each high school student and is never too busy to aid in the solving of student problems. Many evenings students meet their principal at football and basketball games as well as at plays and musical events and always find him to be an enthusiastic supporter of extra-curricular affairs pertaining to Ken High.

Our Administrative Team Work Keeps

DR. JOHN BATISTE
Assistant High School Principal

MR. NICHOLAS VENTURA
*Assistant High School Principal
Director of Vocational Education*

Administrators

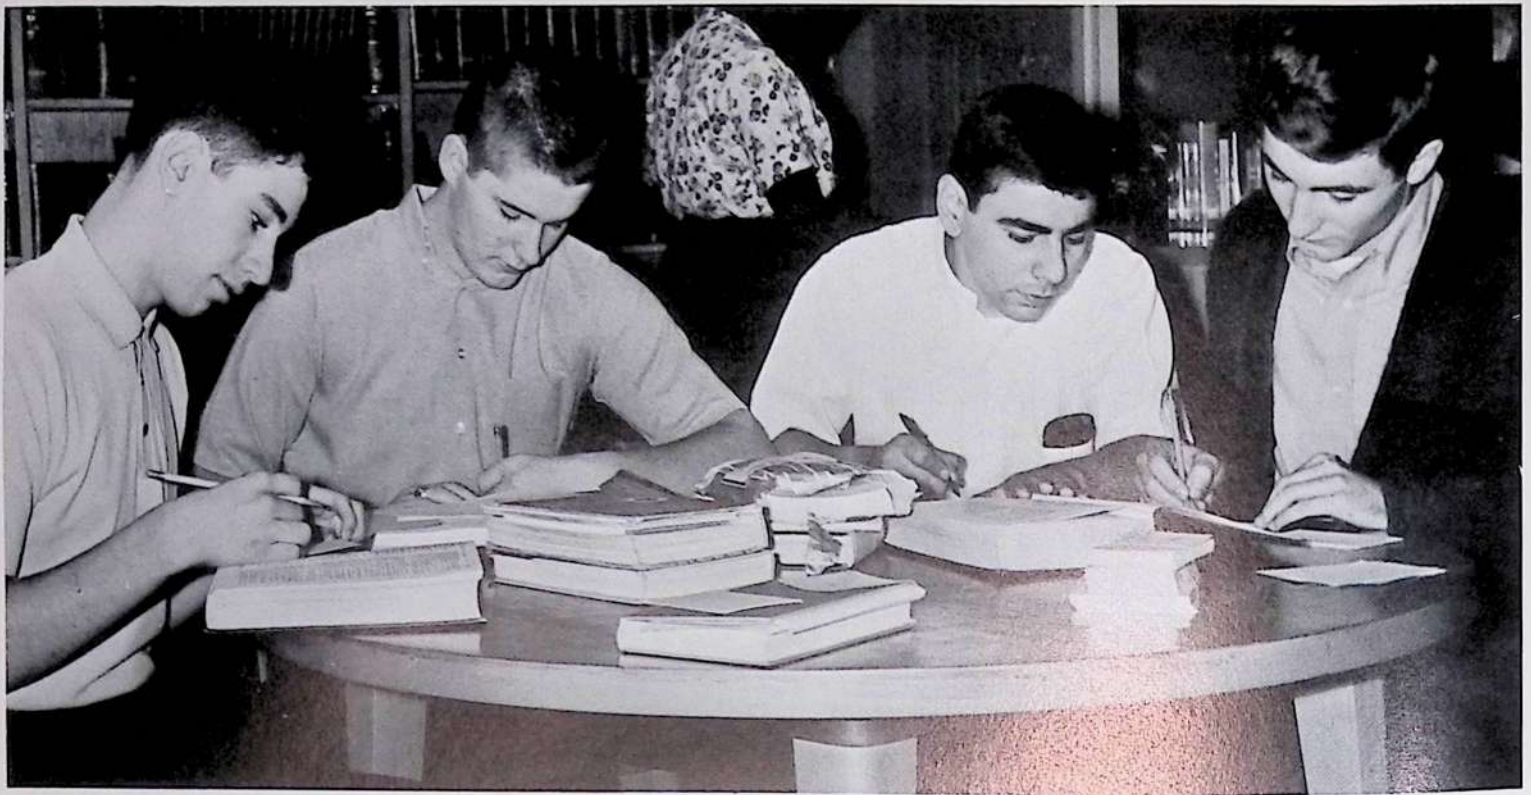

From 8:00 a.m. until 4:00 p.m. each day Dr. Batiste's office is a beehive of activity as he takes care of his numerous tasks. Discipline, attendance, detention hall as well as extra-curricular affairs such as the Taleoken and the Student Council keep Dr. Batiste alert to the many facets of school life.

Students, although not always happy with his decisions, find in Dr. Batiste an administrator who tries to do his job in an impartial and just manner that is aimed to help those students who run into difficulties with the rules and regulations of the high school.

After many years of experience in vocational education Mr. Ventura joined our school system as Assistant High School Principal and Director of the Vocational School. Every school day finds him actively supervising the various shops, conferring with students, and assisting Mr. Oliver in the efficient operation of a complex school program. Mr. Ventura is also responsible for an adult program which trains and retrains men and women who wish to prepare themselves for the world of work.

*Dave,

Where in the world do they get questions like these?

Alice Joswig and Diane Malecki get information on dental hygienists at the annual Career Conference.

The old saying "Too many cooks spoil the broth," doesn't seem to be working in this case.

Activities

The money just rolls in for the Taleoken subscriptions as Keith, Darlene, Berylann, and David check the cash.

You better watch out for the "Commuter Bands."

Our Many Club Activities Take Time,

You must admit these Art Service Club masks are different and weird to say the least.

A bit of strenuous practice doesn't seem to depress Bonnie, Patty, Lynn, Barbara, Merlina, and Janice.

Thought, Energy, And Creativeness

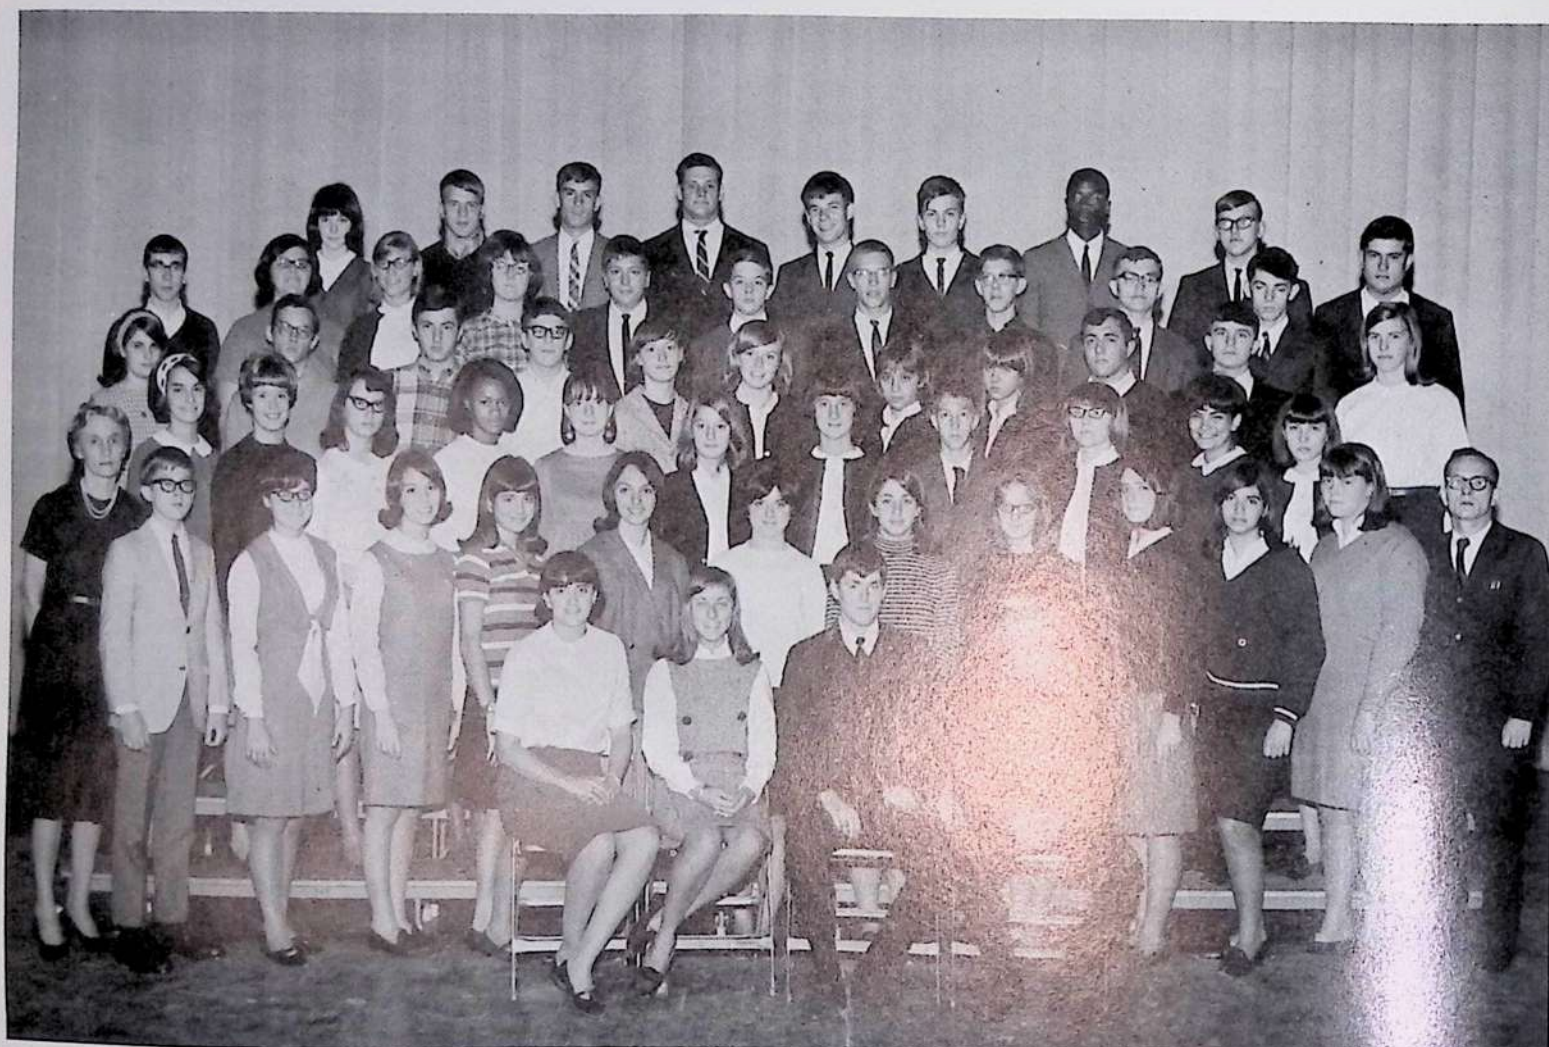

Tension is building up in this game of wits.

I'd hate to be in her shoes.

Such concentration should produce some pretty sweet notes.

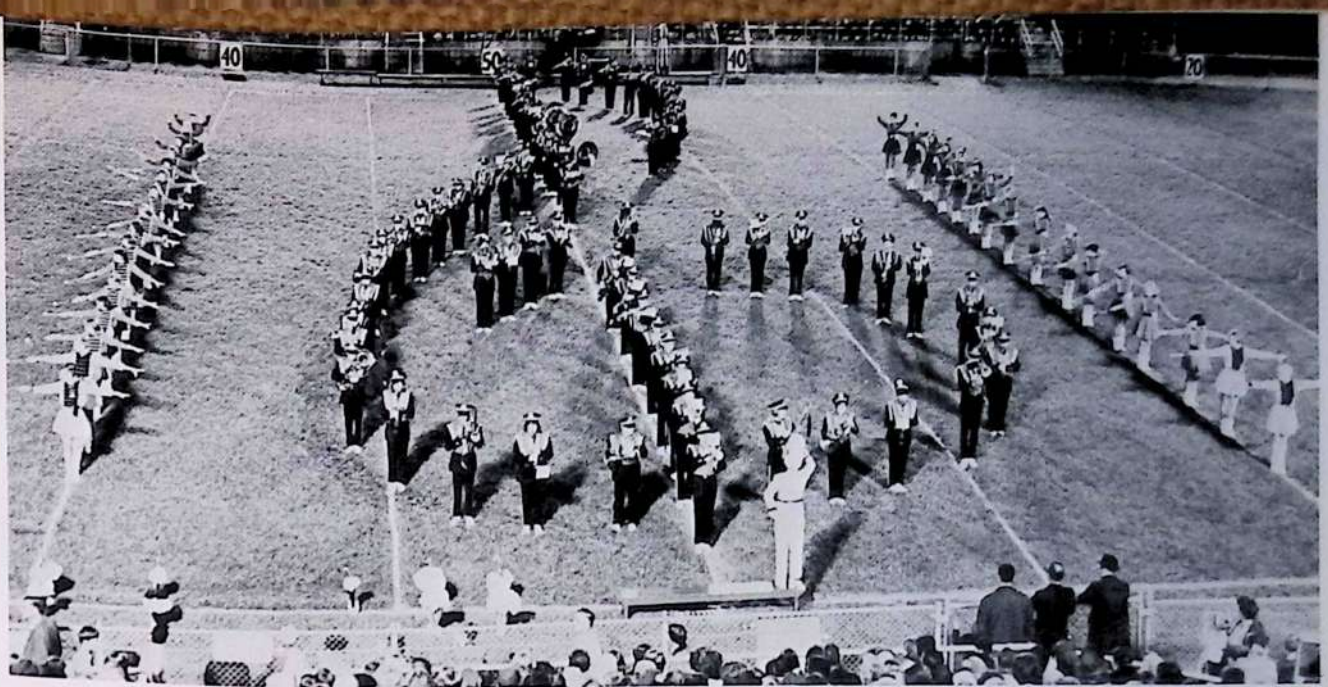

After weeks of practice, the senior choir comes through in a big way.

Ken High's Talented Choral and Band Members

John Cope and the rest of the chorus seem pretty pleased with their performance.

The Ken High Band dazzled the crowd with its music and routines at the Band Festival.

Alvin and Lenny tryout a new style of music stand during a practice session.

Stop! I lost my whistle.

Band camp food brings out the best in the majorettes including 20 per cent fewer cavities.

Informality seems to be the style as the girls blow out a little sweet music on a rainy afternoon at camp.

Pay attention to your footwork instead of the Taleoken cameraman.

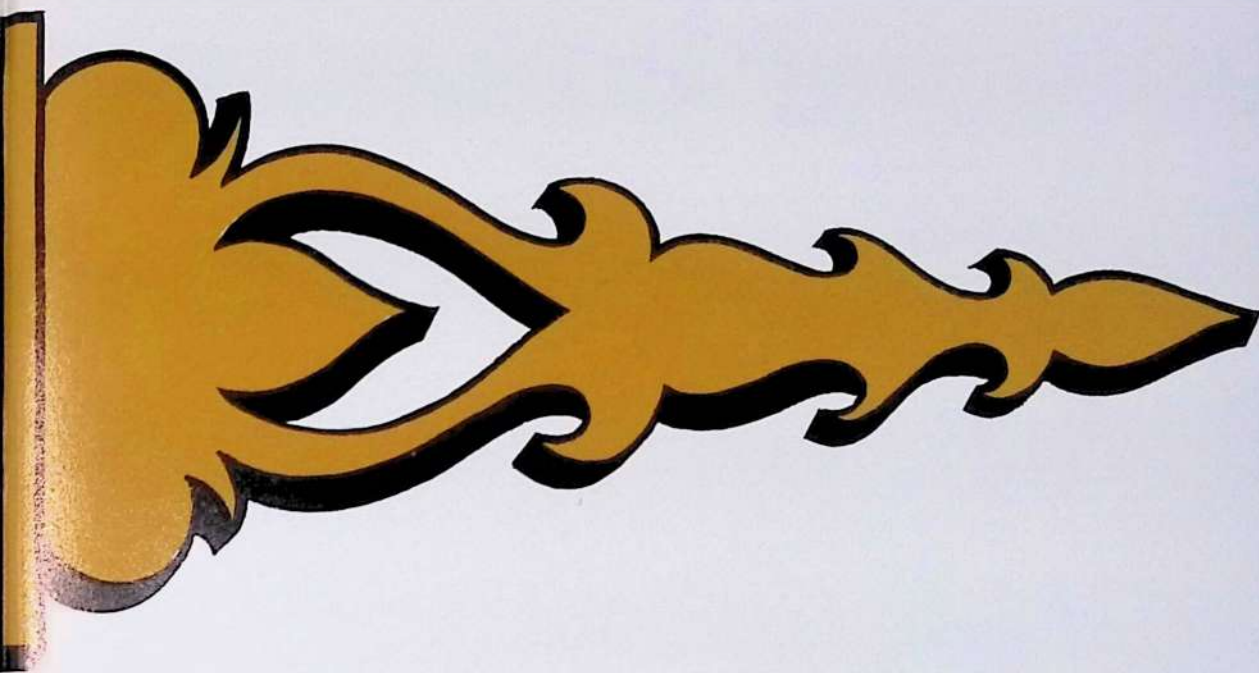

We knew that you were going to play, so we wore our ear muffs.

Hi, Ho, Hi, Ho, it's off to march we go but let's get rid of those capes and ear muffs first.

The girls seem to have that wind-blown look about them as they go through their routine on the Penn Hills playing field.

COACHES

Ken High's coaches are what made the team move. Beginning in the hot days of August, these men worked together trying to mold both the varsity and the junior varsity into winning football teams.

Mr. Brown and his assistants deserve much recognition for their efforts in creating good sportsmanship among the members of the squad as well as for their efforts in forming a good football team.

Mr. Naunchik, Mr. Blumer, Mr. Brown, Mr. Ryan, Mr. Davis.

Takes Hard Work To Get A Team Ready To Play

MANAGERS

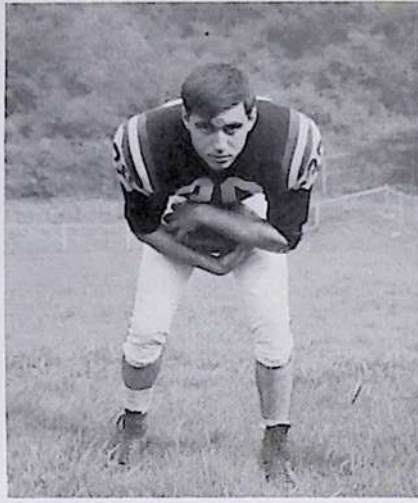

Long before the first game and long after the last game, Mr. Primozic's managers were hard at work making sure that all the equipment was ready for the team.

In addition, the managers were responsible for preparing the field for play before each home game.

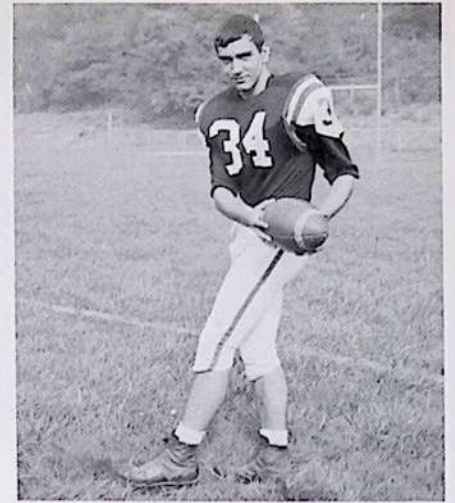

The managers also helped to boost the team's morale during each game. They were a very important part of the football team.

A little mediation on our plays might help us score.

It looks like the boys really have the fighting spirit.

Now look here boys, we'll have no more of that rough stuff.

I wonder what "86" thought was trying to do.

Good to a great play. Good look in the future! Tom 2

Intramural Sports Involve Ken High Students

You would never know it from their dress, but this is the school's intramural volley ball championship team.

Tennis is one of the spring and fall sports in which the girls participate with vigor.

Intramural basketball is a popular sport for many of our boys throughout the winter months.

In A Many Sided Athletic Program Throughout The Year

That won't get the ball over the net.

Not the ballet, but intramural basketball.

Apparently this is what the well-dressed intramural basketball champions consider the latest in good grooming.

Hi my David,

My most wonderful, fabulous, understanding, funny and sincere boyfriend who means more to me than anyone else in the whole world. We really had some happy and unforgettable times together and I'll never forget them.

Never forget all the times we went to the drive-in & the hundreds of movies we've seen. I'll never forget the good times we had there & when we went to see "The Sound of Music." Remember going Christmas shopping in Pittsburgh just walking around & looking at the decorations. They were so pretty, but being with you there made them look prettier. This Christmas was fabulous especially when I came down your house for dinner going to midnight mass & exchanging gifts! Remember New Year's Eve & how our plans failed. Remember your birthday when I came down for dinner - I tried to make your birthday the greatest. Thank you for the watch you gave me - it's beautiful. I would be even satisfied with just you. Never forget the times down your house & especially when you had Mrs. Remember going down Eat'n Park & all the cheeseburgers, cokes, extra tartar sauce & big boys. Remember Rick's & going on deliveries, Chessaro's, & me picking you up from work.

Never ever forget our Sunday afternoons when we took rides, going to the zoo, museum & Summer Lodge. Also the prom picnic & our own picnic we had at Crooked Creek just laughing, roasting hot dogs, dancing & waiting for our initials in the bench! Never forget all special places - down the tracks & behind the church. There were happy & sad moments there - but I loved them all. Remember coming up my house every night - I wouldn't know what to do if I didn't see or talk to you once a day!! Remember the long conversations in your car. Thanks for everything you've done for me David - I appreciate everything & I'll make you as happy as you made me. I also hope of your Senior year you think of me! I'll miss you. I'd a boy like you. Over to 140
