THE ADMINISTRATIVE changes resulted primarily with the planned retirement in June of Harry D. Berke, assistant superintendent.

The title was changed "assistant superintendent" on a legal move to ensure tenure for the position.

The changes and completion of building program will also mean elimination of one position, assistant high school principal.

THE BOARD VOTED 5-2 in favor of the changes. In favor were Henry Bitas, James Patterson, Lou Galli, John Agoli and Dom Flocker.

Dr. Robert Beatty and Mike Felac opposed. Ed Humeniuk didn't vote because he was hospitalized and was unable to study the positions and candidates. Charles Braglio was absent because of family illness.

## Communicatio

By Debbie Mazzotta and Shelley Burke

The fields of communication are expanding widely for the future.

Three English classes at the New Kensington Campus of Valley High School are experimenting with a most widely used medium, the television. Under the direction of senior English teacher, Mr. Scipio Alcibane, the classes are being introduced to fundamentals of television equipment along with backstage operations.

Purposes of the six-week study is to make students aware of the commonly used field of communication. Each student familiarized with the most exciting process of today.

Students alone take over responsibilities of accomplishing a worthwhile program. Each class chooses one classmate to be director. It

DR. BEATTY and Felack said their votes were no reflection on the abilities of any administrator as an individual.

## *Dedication*

Miss Mary Ann Hobaugh  
*Health Teacher*

The 1970 *Valakron* salutes Miss Amelia Cooch, Miss Mary Ann Hobaugh, and Mr. Harry D. Berkey who are retiring from service in the school district. Their educational background and years of employment in the schools are long and distinguished. One cannot find better examples of inspired teaching and educational leadership. Miss Cooch has been untiring in her efforts to establish a high standard in the new library of our school. Miss Hobaugh has been an excellent teacher in the health field, and as well, a doer in many community-related activities.

Mr. Berkey has demonstrated a keen sense of fairness and integrity in his relationship with all the people with whom he has had contact in his work as teacher and administrator. In addition, the staff honors Mr. Frank G. Oliver for his tenure of sixteen years as the principal of our school. We extend our congratulations to him as he assumes the position of Assistant to the Superintendent. The 1970 *Valakron Staff* is happy to dedicate this book to Miss Cooch, Miss Hobaugh, Mr. Berkey, and Mr. Oliver. May their future be bright and happy.

Farewell to you and the youth I have spent with  
you

It was but yesterday we met in a dream  
You have sung to me in my aloneness, and I of  
your longings have built a tower in the sky.

But now our sleep has fled and our dream is over,  
and it is no longer dawn.

The noontide is upon us and our half waking has  
turned to fuller day, and we must part.

If in the twilight of memory we should meet  
once more, we shall speak again together and you  
shall sing to me a deeper song.

And if our hands should meet in another dream we  
shall build another tower in the sky.

Yet I cannot tarry longer.  
The sea that calls all things unto her calls  
For to stay, though the hour burn in the

boards, found the swarming Vikings, who make up for their lack of size with agility and determination, more than he could contend with as he and his mates went down to a convincing 65-44 defeat. The Valley win, triggered as much by the absence of 6-7 Bill Demharter from the Highlands lineup as it was by the Vikings' own ability, creates a stalemate for the Section 1-A lead that will be settled next week at an undetermined site.

Valley's Frank Tuschak, a 6-3 workhorse in the heavy going underneath, allowed before the start of the game that something would be missing from his satisfied feeling if the Vikings won without having to contend with Demharter. "It won't be the same, I won't feel we've really accomplished anything," he said.

That was before the opening tip. When the action got hot and heavy, Tuschak, along with Gerald Martin and Kurt Mizuk, shed all feelings of what might pass for sympathy and spent their energies making the night miserable for Highlands' struggling Rams and Chada in particular.

Demharter's absence forced Highlands coach Chuck Gugino to completely revamp his offense — with stunningly unsuccessful results. "Yea, we had to switch around," he admitted afterward. "But we were so bad I don't think Rice (Valley coach Mike Rice) ever caught on anyway."

Whatever changes Gugino's strategy called for, one of them definitely was not having Chada move away from the basket on offense, something the big senior did continually.

It couldn't have worked out better for the host Vikings, as it turned out, since Chada hit on only four of 16 shots from

## A DREAM COMES TRUE

Sandy Kanselbaum and Amy Schwartz fulfilled one of their major dreams this summer by traveling to Israel for two months. They traveled with a group consisting of forty-five members of the Jewish B'nai B'rith Youth Organization from both Canada and the United States.

## Boy Bounces From Brazil

Valley's new foreign exchange student is Viriato Nunes from Pirigui, Brazil. His present home is with Karen and Bob Barclay.

Viriato has the ambition of becoming an electronic engineer in the future.

Viriato finds the friendliness and helpfulness of the students and teachers encouraging. He also notices good behavior and an abundance of respect.

He finds our food, language, and customs hard to master. His greatest difficulties so far have been adjusting to slang and getting used to our food, especially frozen. He likes the freedom given to the teens, especially in dating and driving. The driving age of Brazil is eighteen.

This year Viriato is taking American Government, American history, English, trigonometry, physics, health, and gym. Among his favorite sports are soccer, basketball, football, and especially

I am feature editor for Penn Hills High School's newspaper publication, Penn Points, and very interested in extracurricular activities involving both journalism and sports. Having attended the Penn Hills-Valley football game on Friday, September 26, I was very much impressed with the spirit your school showed. Even though your team is not a first place team the students still support it. I hope the Valley High School keeps up its spirit and soon its team will begin to move towards first place position.

There were two boys in particular who impressed me with their spirit. One was with a group of girls in a car leaving the stadium after the game. The other was one of the walkers. I was in a car and asked if we were from Penn Hills. When they found out we were instead of criticizing our team, many students have a tendency of doing after they loose, they told us that in a year or two they were going to have a first place team that nobody could defeat. They congratulated us on our team for clinching the All Valley Conference and, regrettably, our conversation had to end because traffic was moving. If anyone could identify these two students for me, it would be appreciated.

## DRUGS ARE REALITY AMONG TEENS OF OUR SOCIETY

Many students want to escape from the establishment, homework, study, and school in general, so they turn to drugs for this unreal escape. They first eat morning-glory seeds, which psychologically turns them into a state of mind where they eventually progress to the point where they blow their brains out with hypodermic needles. If the peace loving students of the world want peace within themselves, they should cool it with their minds, bodies, and souls. If these students think the world is a mess at the present time, they should look to the future, when they will have run this world of ours. People who take drugs frequently cannot concentrate more than thirty seconds on any one topic, others have various problems, blood pressure problems, heart trouble, kidney malfunctioning, etc.

Surprisingly enough, the adults who answered the question were in the class, only a qualified teacher were to teach. In answer to the idea of experimentation one parent replied, "I do not feel that the students should be allowed to experiment with drugs, rather, it would be better if they were taught the dangers of drugs and the consequences of using them."

The Viking Hoopsters will start their season by hosting a strong Lakeshore team on November 5th. This will be the first of six exhibition games this season. Some other preseason games the Vikings will be playing are: Penn Hills, Churchill, Plum, New Brighton, Elwood City, and West Mifflin North.

Coach Rice's starting lineup will consist of five seniors. They include Robert Lyle, Larry Barbiaux, Frank Tuschak, Kurt Mizuk, and Gerald Martin. Harvie Oliver and Alfie Vaina are going to be the top reserves.

As the season progresses the Valley Viking Sports Staff wishes the Hoopsters good luck.

commercialism being what it is, everyone is lured by drugs whether in the form of aspirin, gambling or food as anything that serves as a "crutch" is a type of drug.

"Curiosity or challenge generally results in young people getting hooked on drugs.

"SOME USE drugs simply as a means of revolting against adults and authority, little realizing that once started the availability of successful treatment to kick the habit is zero," said Miss Coffey.

She explained that she had spoken to drug pushers and they admitted readily that they never "introduce" young people to drugs.

Generally, the young experiment at the insistence of so-called friends. Once introduced, or hooked, the young people look for the pushers.

"I COULD BUY a new Cadillac any Monday from the profits I make each weekend. And, as long as there are fools willing to buy, I will sell," one known pusher told Miss Coffey.

Of course, it is up to the young to determine what they will become and how they will lead their lives. And right now they seem involved in the somewhat frightening experience of determining, "Who they are."

"THIS SEARCH has led to the use of narcotics and hallucinogenic drugs. Little do the young realize that the use of such things make them incapable of making their own worthwhile decisions and becoming the adults they so long to be," she said.

Miss Coffey explained that although the use of drugs is illegal, a person caught in the company of one possessing drugs may also be considered guilty and subject to punishment.

Miss Coffey was quick to reply that many would like to blame adults entirely but usually it is the young people's own curiosity, desire to experiment or need to be 'one of the crowd' that leads to addiction.

SHE ALSO answered other questions by noting a search warrant is needed to enter homes when officials are looking for drugs and that young people should not pattern themselves after irresponsible persons.

# AQUA MAIDS RACE FOR SECTION

Valley's aquamaids opened their season with a 49-37 victory over Highlands. The medley relay was won by captain Leslie Rowe, captain Susie Robinson, Laurie Pierwsza and Cheryl Polczynski. Individual winners were Cheryl Polczynski in the 50 yard butterfly, Laurie Pierwsza in the 50 yard backstroke, Carol Krupa in the 100 yard freestyle, and freshman Judy Gracey in the 50 yard freestyle.

Riverside was Valley's next opponent. Hosting Valley, Riverside lost to a 49-37 loss. Taking first place in the medley relay were Judy Gracey, Laurie Pierwsza, Susie Robinson, and Leslie Rowe. Judy Gracey took first place in the 100 yard freestyle and the 50 yard butterfly. Leslie Rowe won the 50 yard freestyle. Setting a school record for the 50 yard backstroke, Susie Robinson finished in 35.1 seconds. The previous record was 37.5 seconds.

Miss Patricia Felock is on her third year of coaching the girl's swim team and is quite proud of them. When asked what she thought of this year's team, Miss Felock replied, "We have a very good chance of taking section." She agrees with Miss Felock "the way".

The Hemphill game tared no better for the Vikings who lost 44-0. Johnstown proved to be another tough opponent for Valley with the Trojans beating the Vikings 32-0.

Penn Hills was another tough one, although the Vikings held the Indians to one touchdown during the first half, they broke loose and proceeded to run up a score of 20-0.

## GOLFERS SPLIT

The Valley High golf team has played their first six games. They have won three and lost three. The golfers have beaten Sharpsburg twice by the same score of 13-3. Verona also lost to Valley by the score of 10-6. Junior, David Bell is captain of this year's team. Other members of the golf team include Keith Serence, Bob

## MILERS START COMEBACK

Considering the field our cross country team must use for practice, they do a fairly good job.

Although the Vikings lost their first meets to Kiski Area and Penn Hills, they had a much hoped for victory over Mars, 16-39.

At the All West Conference, Valley did very well with Duane Martin placing 10th, captain Jack Kabazie 13th, Berry Bertock 16th, and Larry Fennell 21st.

Other members placing at 1 meets were Michael Owezycki, Tim Sheezley, and Dave Fi

instead of criticizing our team as many students have a tendency of doing after they lose, they told us that in a year or two they were going to have a first place team that nobody could defeat. They congratulated us on our team for clinching the All West Conference and, regrettably, our conversation had to end because traffic was moving. If anyone could identify these two students for me, it would be appreciated.

It is unusual for me to write an editorial to another school, but it is meant in all sincerity. Good luck in future games and bring home a victory.

## THE SEN

With basketball season right around the corner, the Vikings will be making a strong bid to rival Highlands.

Coach Rice's squad is expected to be a letterman coming back along with the varsity. Here is Coach Rice's opinion.

Frank Tuschak - Frank was a letterman last year. We expect him to be just as strong this year.

Robert Lyle - Robert is one of our best players. He is probably be a starting guard and a scoring load.

Larry Barbiaux - Larry is one of our best players. He must have a good year for us.

Gerald Martin - Gerald was a letterman last year. He is fast and if the improvement in rebounding problem. He should be a starting guard.

Kurt Mizuk - Kurt is an excellent player. He has a good year for us.

Harvey Oliver - Harvey is a letterman last year. He is a good player and if he improves in rebounding, he should be a starting guard.

On any given day, a student in our high school may walk to the track and see a true star in action. Harvie Oliver, from his shy smile to his modest disposition is worthy of this reference. Harvie is an all-state track athlete with outstanding performances of 45 feet 10 $\frac{3}{4}$  inches in the broad jump. His record broad jump was performed in February, at an early season meet in South Clark, and amazingly enough, "H. O." made this leap without any previous practice this season. A little guidance from Coach Ryan could turn mild-mannered Harvie into a super state star. We at the Valley Viking, along with all the students who know Harvie, wish him all the luck in the world.

A chip on his shoulder?

## BATMEN BEGIN PRACTICE

The Viking nine's first practice was held on Wednesday, March 12 in the New Kensington gymnasium. Last season the Vikings found themselves in 4th place, due to their scarcity of hits. But this year great emphasis will be placed on going for the base hit. The catching department will have one man back, Ray Ruz, who has just starting

be Tom Krol and Bob Mainwaring. The infield will be manned by two lettermen from last year, Lou Lanzino and Larry Barbiaux. Ed Lacinski and Kim Greene will most likely fill in the other two positions. Three other fine prospects will be Tim Landis, Jim Yates, and Joey Discello. The ground in the outfield will probably be held by Pat Higgins,

won two of their last three matches of the season in meets with Munhall, Derry Area, and Penn Hills. On February 19, Vall won a close match with Munhall on the latter's mats with a score of 26-24. On February 21, the boys won over Derry Area with a 32-19 score. Although the Vikings lost to Penn Hills in the last match, some of our boys represented Valley in the sectional tournament, held at Burrell on February 28 and March 1. Joe Griffith, at 133 pounds, and Mike McCloud, at 145 pounds, both won section titles and represented our school at the W. P. I. A. Qualifying Tournament, held at Penn Hills on March 5. However, Griffith fell by the wayside. Valley when he was decisively won by Ray Reagle of New Castle. Mike McCloud, however, kept his undefeated record intact with a 4-2 triumph over George Brock of North Hills. Mike then went to the W. P. I. A. L. Championship Tournament at the Field House where he lost to Dave Batista of Cannon-McMillan by a 9-3 score.

## THE RACKETMEN RETURN

The Valley High tennis team will open its season on April 1 meeting Burrell at home. The tennis team will be competing with five other teams in section

The team, according to Coach Don Rogusky, will be only slightly inconvenienced by the construction work going on near the tennis courts. The team will be compensated by this loss, however, because they will be using new equipment this year.

Returning to the ranks of racketmen are Steven Perry, Eugene Zilinski, Dan Corbin, and Odrey.

## Grapplers Find Schedule Rough

The Valley High wrestling team opened its season with a tough 25-24 loss to Franklin Regional. The Viking Grapplers then made their comeback and defeated a strong Wilkesburg team. The Grapplers then journeyed to Serra Catholic and defeated the Sabers. The tragedy came when Valley was defeated by three powerful teams - Gateway, Kirtland and North Hills.

The Vikings then competed in their first Westmoreland County Tournament at Latrobe. Valley gained a well deserved 5th place finish, while Ken Spisak and Mike McCloud earned to be county champions in their weight classes, 88 lbs. and 154 lbs. respectively.

Coech Ray Binar is looking forward to starting section play. They will be meeting such teams as Central Catholic, Kirtland, West Mifflin, North, Richland, Plum, Munhall, Greensburg and Penn Hills. The Viking Grapplers, who have excelled this year are Mike McCloud 5-0, John Griffith 6-0, George Houser 4-0, and Ken Spisak who lost only one in five outings.

The Junior Varsity has yet to be defeated in six matches. As Coach Binar says, "They're a fine bunch of wrestlers."

Coach Binar gave these remarks about this year's senior wrestlers:

**Mike McCloud** - A great athlete who has not lost in the last two years. I look for him to win section and challenge for W.P.A.L. field - will probably attend State Finals.

**John Griffith** - John is a "winner" and always depends on his moves. He will also win the section and challenge the W.P.A.L. and will probably attend the State Finals.

**Sam Tosto** - Has great potential, but has not yet lived to it. He can win the section if he wants it bad enough.

**Sam Spataro** - Sam hasn't as yet found the "old punch". He will do better.

**Rick Spear** - If he finds the "key" any door will open for him.

## SPORTSLIGHT

Valley was trailing 48-42 into the final event of the meet against West Mifflin. As senior Michael Grady swam the anchor, his opponent took a lead of three quarters of a pool's length. Michael swam ahead and won the race.

Being a member of the swim team for four years, Michael will earn his letter this year.

Entering his first meet at age of five, Michael has earned collection of 67 ribbons, 13 medals, and 6 trophies. He has been among the top three in YMCA state meets, on the relay teams for Hillcrest Club, and winner at the moreland County Coaches' League.

After graduation Michael will swim for West Mifflin swim team.

We're gonna fight with all our might!

## Priceless Presents

Have you been wondering what to buy your parents for Christmas? Is it especially difficult because you are operating under the usual high school student budget? What is the solution? Give them something that is immaterial and will remain a memory of their high school days. For anything you could buy, a memory of their high school days. For instance, Carol Elmer can remind her mother of when she was in the Girls' Leaders Club and portrayed Mrs. Needy in high school play and her father of when he received 102 points out of 150 in an athletic test.

# STUDENT — TEACHER

## RELATIONS IMPORTANT

### NATIONAL HONOR

Relationships between students and teachers are important to the education of a student. If the student has no communication with his teachers, the majority of his efforts to understand and to like his subject are wasted. A teacher should not be a dictator that stands by the book, lecturing for the full hour, but rather a guide who helps students develop a full understanding of the subject. If the teacher is not ever in the classroom, students may develop a misunderstanding of the subject. The teacher's enthusiasm in his subject helps to copy himself, or trying to copy himself, the student will look forward to that class. There are also students who have no guidance at all. They look solely to the teacher for answers to their problems. The teacher should be able to guide the student, but not do it for him. The teacher should be able to guide the student, but not do it for him. The teacher should be able to guide the student, but not do it for him.

## STUDENT COUNCIL MAKES DECISIONS

### Women Win Rights

Cold weather is one of the reasons for suggesting that girls be permitted to wear slacks to school. This matter had been discussed some time, but it was not until Thursday, January 8, that a decision was made. Valley High's dress code is gradually becoming more liberal.

## Happy reminder.

Life ahead offers many uncertainties.  
But throughout the years one constant remains.  
Your Balfour class ring. It will never fail as a happy  
reminder of the golden years you shared with your  
classmates. Wear it with pleasure.
