"The Spirit of the Gargoyles"

Our hearts lift up to the neverending glory of Grandview;
Together we salute her,
Ties of loyalty bind us here, ties that never can be loosened by time.
Our cherished dreams and memories are sealed within and guarded,
Guarded by the spirit of the gargoyles.

Out of their grotesqueness came deepest traditions;

They grace our tower with haggard, weathered faces carved in stone,

Steadfast and undying.

Each year they silently greet new faces, young and eager;

Each year they watch them silently grow older and wiser;

Each year they see them silently depart.

No matter what the name or who the students, this will always be our school,

For the spirit of the gargoyle remains.

Passing into a new age, reaching to greater dimensions, none can subdue them, none can remove the upturned corners of their mouths.

Like little elves, they only wink and smile.

Patrons of the arts, scholars, bearded sages they are.

Beneath their watchful eyes

We study,

We create,

We share,

We remember,

We move on...

Grandview Good-bi

As we say good-by to our students this June, we will also bid a fond farewell to five Grandview teachers.

Ms Goetz, Mrs. Krumenacker, Mr. Sarnosky, Mr. Skornickel, and Mr. Thimons will move on to the new middle school with our sixth grade students. We have been together so many years - at Birdville, First Ward, Riverview, Second Ward, Third Ward, Wood Street, and finally, Grandview School. We will miss all of you in our halls next year, but you will always remain in our hearts. May success, happiness, and good fortune follow you, along with our Grandview love.
