

FANTASY BEGINNING

Looking for a way to say
The things I think about day by day
Listen to their meaning if you can
I may step outside myself
And speak as if I were someone else
That's one way I know you'll understand

In fantasy I can be black or white, a woman or a man.

John Karcis

This year the students of the class of 1974 would like to dedicate their edition of the Valakron to Mr. John Karcis, a teacher who had a great amount of love for his students and for his teaching experience at Valley High. His life was teaching and coaching, and his love was his family and his students. Mr. Karcis played for the then Pittsburgh Pirates and New York Giants. He was a member of the Giants' championship teams in the late thirties and early forties, head coach for the Detroit Lions for one season, and coach for North Catholic High from 1945 to 1949. Three of the five years that he was there, he won the Pittsburgh Catholic "A" championships. He will be missed by all who knew him, and especially by his family who will find it hard to adjust to life without him.

Planning and working together with the superintendent to meet the challenges of an expanding school program, the nine members of the New Kensington-Arnold School Board have displayed vision and courage. They have created policies for the educational program of the district that are designed to prepare the student for participation in a challenging future. The 1974 Senior Class of Valley High wishes to thank the board members for their efficient work this year.

VALLEY HIGH

Behind the machinery of every school, there is a person who guides all the students, teachers, and parents throughout all aspects of school life. Mr. Tannas, with the assistance of Mr. Romito and Mr. Zarchansky have tried to fulfill their duties this year with the maximum efficiency. They have maintained high standards in the areas of student activities, school business, and attendance at Valley High School.

Sincere thanks are extended from the Class of 1974 to the principal, his assistants, and all the faculty for their dedicated efforts this year.

ENGLISH

The English department is an important aspect of our total curriculum. Covering a wide variety of literature, its courses enable the student to explore classical as well as contemporary prose and poetry. Vocabulary and grammar are built up through the required reading and writing assignments. Each pupil has the opportunity to develop his writing abilities which encourages free self-expression on paper and in public speaking.

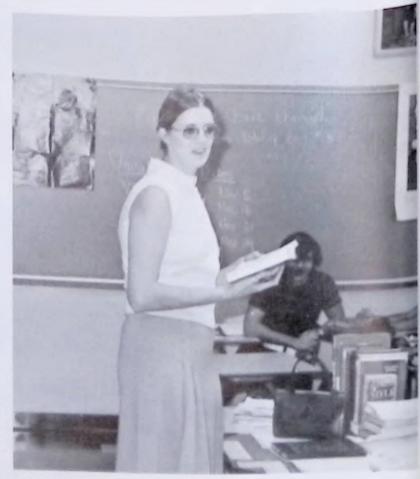

George Larson Philip LaRusse Andrew Morhack

FOREIGN LANGUAGES

Although Foreign Languages are not required at Valley, many students are enrolled in the French, German, Latin, or Spanish courses offered. Studying a foreign tongue is a new experience for most, which gives them a chance to not only speak the language but to explore the culture and customs of the people as well. Learning a second language is often beneficial in better understanding English. Language clubs are also offered to the students which further enhance their linguistic ability.

Louis Butera Catherine Hood Darlene Lange

Karen Lobur Donovan Rogusky Carol Thomas

MATH

The mathematics department includes courses that enable the student to grasp the fundamental principles which are needed in everyday life. Courses range from general math to more advanced types such as math analysis and computer programming. Each offers challenge to students and helps to develop their reasoning ability.

Daniel Barbiaux Gregory DePalma Vincent Fitzmaurice

Albert Garella Kenneth Jack Dennis Preisser

SCIENCE

Valley's science department offers chemical, physical, biological, and astronomical sciences. Each field gives the student a better understanding of the many different laws and properties of matter, life processes, and celestial bodies. The courses allow for the student the opportunity to observe various phenomena through experimentation and observation. Science clubs supplement their learning through extra-curricular activities.

The Vocational department is especially designed to provide practical education for those who want to enter a trade or industry. Half of the student's class time is spent in the regular academic curriculum while the other half is directed to shop activities. These include instruction in drafting, electricity, welding, auto mechanics, machine shop, printing, and carpentry.

BUSINESS

The Business Department is designed especially for those who wish to enter the business world after graduation. Recognizing the needs of the students, it provides for them specialized vocational instruction. This area includes subjects such as shorthand, typewriting, business machines, bookkeeping, and data processing. The skills, knowledges, and appreciations acquired in these subjects prepare the students for vocational competency in the field of business.

PHYSICAL EDUCATION AND HEALTH

Health Education involves the study of the human body and its proper care. The course also includes practical and theoretical lessons in first aid.

Physical Education consists of gym and pool. Gym gives the student a better sense of coordination and keeps him in good physical condition. Pool class introduces the student to the four basic strokes of swimming and helps the student become familiar with the water.

SOCIAL STUDIES

Valley High's social studies curriculum involves a deep study of the growth and development of our own and many foreign governments and cultures. Psychology and sociology, dealing with man and his behavior, are also offered. Each gives the individual an over-all knowledge and understanding of people and the world surrounding him.

HOME ECONOMICS, ART, AND MUSIC

The Home Economic, Art, and Music departments offer an opportunity for students to pursue their special talents. Home Economics includes basic and advanced instruction in sewing techniques, proper and safe methods of daily food preparation, and a course in personal and family relationships.

Art class allows students to use and explore a wide variety of media and techniques. During the course of the year they work with new and exciting methods of creating works of art.

The Music department consists of both instrumental and choral music instruction, besides intensive courses in music appreciation and theory.

DRIVER'S EDUCATION DISTRIBUTIVE EDUCATION AND OCCUPATIONAL EDUCATION

Driver's Education offers students the opportunity to learn safe driving methods. They are taught in class the safe, efficient, and correct ways to manage an automobile, then given the chance to put this knowledge to use in the school cars during practice driving sessions.

Distributive Education is taught on a cooperative basis. Classes are geared to assist students during work experience of on the job training. Its purpose is to develop competent, aggressive business leadership in the field of distribution and encourage the development of organized social activities.

The Occupational Education curriculum gives the students training for basic jobs. The course is a combination of the general business, and distributive education departments. Many of the students hold jobs through which they gain working knowledge and experience.

AFS STUDENT ROSEMARY PARISH

This year Valley High welcomes Rosemary Parish, our AFS student from the Republic of South Africa. The school system there is more disciplined than our own in that all students are required in each subject to pass a three hour test known as the Matriculation Examination. English and Afrikaant are compulsory subjects but history is not. While in South Africa, Rosemary studied biology, physical science, math, and geography in addition to the languages. At Valley she is presently enrolled in physics, math analysis, advanced biology, American cultures, psychology, and English. Prior to coming to the United States, Rosemary spent one semester at the University of Capetown where she is studying medicine. She enjoys swimming and field hockey, likes to read historical novels, and has become acquainted with horseback riding. This year she ate her first Thanksgiving dinner and saw snow falling. We hope Rosie has an eventful stay in New Kensington and wish her much success at Valley and in the years to come.

BASEBALL

This year at Valley there were two new sports that have promised to be exciting. They were the football team and the girls' tennis team. Wait a minute? Football new? Yes, that's right, football is new at Valley. They have shown the students that there is some new and different things about the team. The Vikings went away to Connellesville and in their first conference game of the new season, they showed the fans of our school and town that they had changed. Then the next week they came home for their exhibition game against Canevin Catholic whom Valley tossed aside by winning 27-10.

Many skeptical Viking fans wondered if the team's good fortune would hold up against Kiski. When the Vikings did meet them, it was without a doubt who the victor would be. The team went out and grabbed a stunning victory 14-8. It was a great tribute to the long hours of practice put forth by the coaching staff and players. From there it seemed that it would be smooth sailing to a conference title, but the Vikings lost a game to both Latrobe and Greensburg-Salem. Valley ended their season with a record of 7 wins and 2 losses. But there was something new about our Vikings. They seemed to have gotten the meaning of Viking Pride. It was an altogether new and marvelous spirit that they had acquired.

Although the team in general was outstanding, they had three juniors who were awarded honors by the Foothills Conference. They were defensive end, Peter White, who was awarded Most Valuable Lineman, defensive back, John Martin, who got the Defensive Back Award, and tail back, Kevin Thrower, who was awarded Most Valuable Player for Offense. Thrower and Martin were Honorable Mention All State.

The girls' tennis team was new in that this was their first year as a

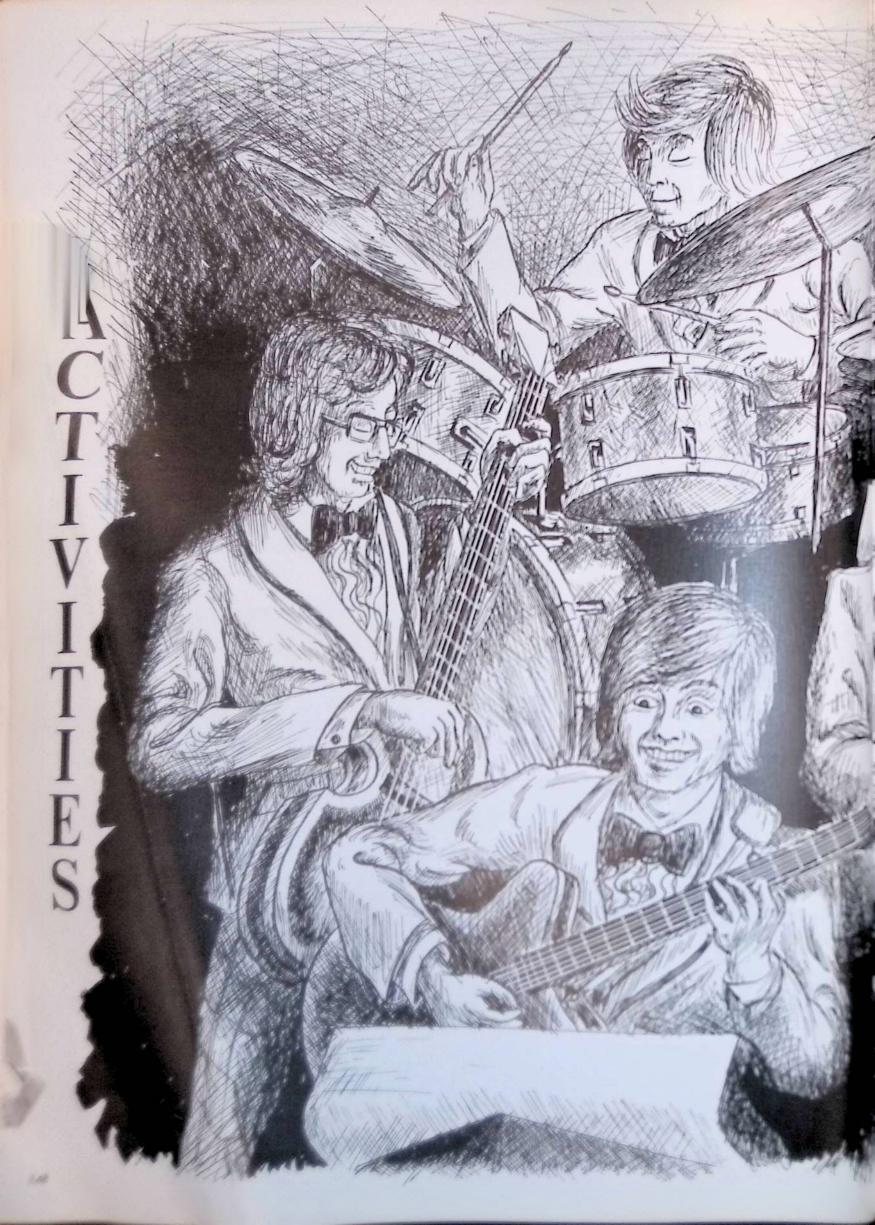

team. Their season was exhibition. This coming season will be their first year of sectional play. They will be coached by Mr. Rogusky who also coaches the boys' tennis team. We are sure his experience as the coach of the boys' team will be great for the girls, and we wish them luck.

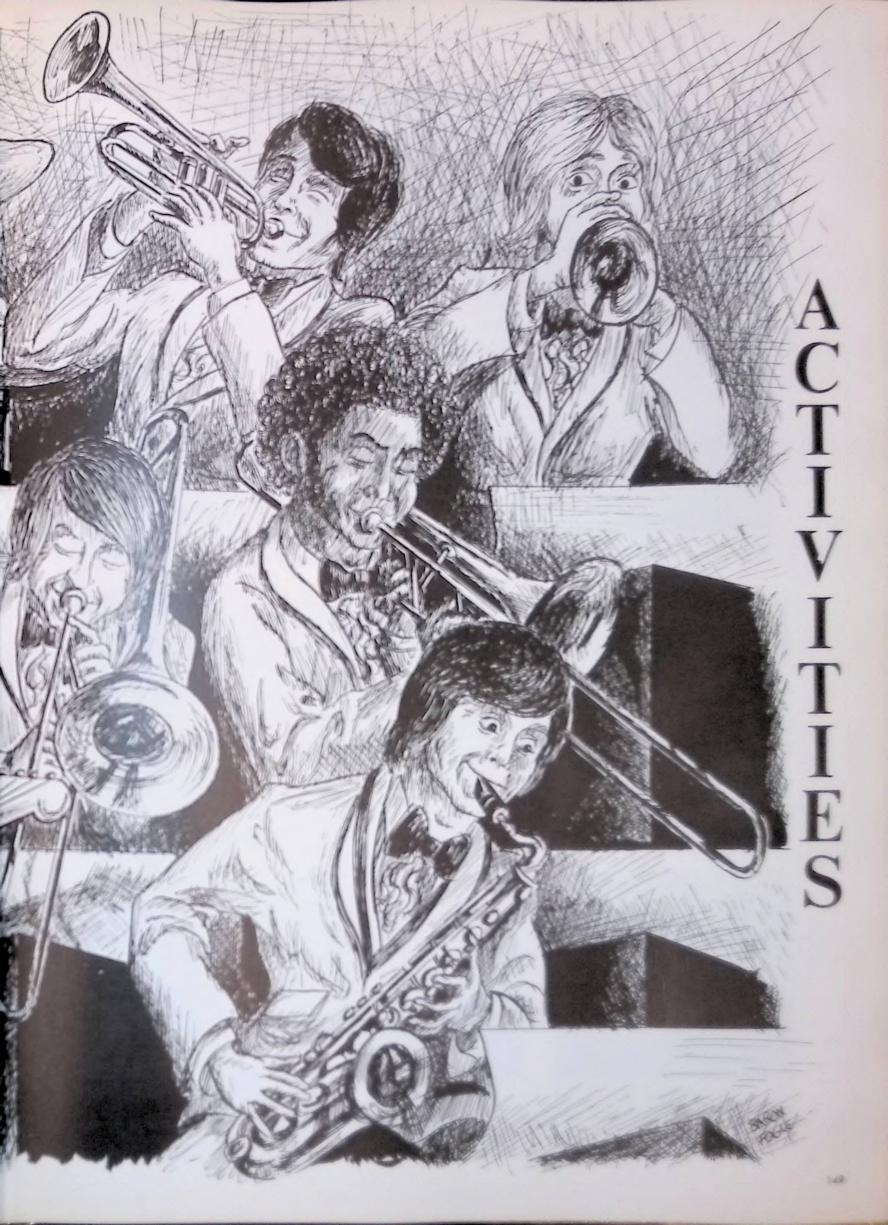

As for the other sports this year, we saw a new coach for the boys' swim team, Mr. Streitman. Even though they had a losing season, we see a better outlook for the team in the future. The girls' swim team had a poor season but we look for a better season. In Cross Country and Golf we had some evidence of fine showmanship. The wrestling team had a fair season but they are still young and inexperienced. The two basketball teams had a good year. The boys came very close in winning their section, but we all know how the season turned out; the loss to Burrell cost Mr. Rice's team a chance at becoming section champs again. But wait till next year, our girls' basketball team is showing great improvement.

Our sports from the spring were successful. The track team was very successful in winning the A.I.C. Invitational. They put the pride of our school behind them and won. The baseball team had another good season getting a season record of 8 wins and 4 losses. We look for another fine season. For the boys' tennis team, they had a down season, but we

look for a gleaming future.

The sports section of the 1973-1974 Valakron is now at a close but the coming seasons of sports will be still followed by myself and others of the sports section and the school. We hope to see a good, if not great, season from all the individual sports and to see all of the sports keep the meaning of Viking Pride alive and kicking.

The cheerleaders, sponsored by Miss Linda Dunn, is one of the most active organizations at Valley High. They energetically lead cheers at home and away. Their vitality was unexcelled on both the football field and the basketball court. The cheerleaders put in hard work at practices after school and before the games. In their new black and gold outfits, the cheerleaders are one of the most outstanding groups at Valley High.

Row 3: Miss Traiana, Mrs. Saulle, M. Latagliata, T. Butler, L. Radasheck, C. Lobur, T. Egelsky, P. Zola, S. Soroka, B. Pagana, L. Berkwith.

Providing an interesting variety of programs, the Valley High School majorettes march onto the field every football game under the direction of Miss Troiano and Mrs. Saulle. The majorettes are known not only for their performances on the field but for their active part in community and school affairs. Valley's 18 majorettes would certainly make an entertaining addition to any half-time show!

During half-time at Valley High School foot-ball games both at home and away the Valley High School Marching Band performs. The members of the band must go to band camp two weeks in the summer to relp prepare themselves for the football season. The band not only has a marching season but it also has a concert season where the members practice for their spring concert every 7th period.

1973 TROUBLE SHOOTING CONTEST

On May 17, 1973, the Plymouth Trouble Shooting Contest was held at Valley High School. 16 teams competed from western Pennsylvania schools. The contest consisted of 2 parts, a 30 minutes written and a working part that took approximately 1 hour and 50 minutes. The two contestants from Valley, Jae De Meo and Rich Salem, won third place.

BOTH SIDES NOW

Bows and flows of angel hair and ice-cream castles in the air and feathered canyons ev'rywhere; I've looked at clouds that way. But now they only block the sun They rain and snow on ev'ryone. So many things I would have done, but clouds got in my way.

I've looked at clouds from both sides now, from up from down and still some how it's clouds illusion I recall, I really don't know how at all.

Tears and fears and feeling proud,
To say I love you right out loud
Dreams and schemes and circus crowds,
I've looked at life that way.
But now old friends are acting strange,
They shake their heads, they say I've changed
Well, samething's lost and something is gained
In living everyday.

I've looked at life from both sides now, from win and lose, and still somehow, It's lifes illusions I recall, I really dan't know life at all.

Josi Mitchell

To av'ry thing (turn, turn, turn)
There is a season (turn, turn, turn)
And a time for av'ry purpose under heaven.

A time to be born, a time to die; A time to plant, a time to reap;

A time to kill, a time to heal; A time to lough, a time to weep.

A time to build up, a time to break down: A time to cast away stones, a time to gather stones together.

A time to dance, a time to mourn;

A lime to cast away stones, a lime to gather stones together.

A time of lave, a time of hate;
A time of war, a time of peace;

A time you may embrace, a time to refrain from embracing.

A time to gain, a time to lose; A time to rend, a time to sew; A time to love, a time to hate;

A time of peace, I swear it's not to late.

To evirything (turn, turn, turn)

To evirything (turn, turn, turn)
There is a season (turn, turn, turn)
And a time for eviry purgase under heaven.

PROM

COMMITTEE

The 49 Juniors who decorated the gym for the 1973 Prom consumed 12 cases of pop. They worked every day till after 11 p.m. It took 8 rolls of chicken wire and every box of green Kleenex in New Kensington, Arnold and Lower Burrell. Even though it was a lot of hard work, everyone had fun.

A STEP INTO THE ORIENT

Welcome to the Orient. The Prom on May 4, 1973 was a step into the Orient. Two groups performed at the prom, they were Thy Brothers Blood and Louise's Dag. Looking at the levely decorations everyone could tell the hard work the prom committee had done to make the evening enjoyable.

NAMOW MAI

I am waman.

Hear me roar in numbers to big to ignore and I know to much to go back and pretend. Cause I've been down there on the floor no one's ever going to keep me down again.

Yes, I am wise, but It's wisdom for the poin.
Yes, I've paid the price but look at what I've gained If I had to I can do anything I am strang. I'm invincible. I am waman.

You can bend but never break cause it only serves to make more determined to achieve my final goal. And I came back even stronger not a novice any longer. You've deepened the conviction in my soul.

I am waman.

Watch me grow, see me standing toe to toe as I spread my loving arms across the land.
But I'm still an embryo with a long, long way to go
until I make my brather understand.

MR. TAMBOURINE MAN

Hey, Mister Tambourine Man, play a song for me.
I'm nor sleepy and there ain t no place I'm going to.
Hey, Mister Tambourine Man, play a song for me.
In the lingle, langle morning I'll come followin' you

Though I know that evenin's empire has returned into sand Vanished from my hand, Left me bilindly here to stand but still not sleepin. My weariness amazes me, I'm branded on my feet, I have no one to meet. And the ancient empty street's too dead for dreamin'.

Take me on a trip upon your magic swirlin' ship.
My sonses have been stripped. My hands can't feel to grip.
My toes too numb to step. Walt only for my boot heels to be wanderin'. I'm ready to go anywhere. I'm ready for to fade.
Into my own paradie. Cast your dancin' spell my way. I promise to go under it.

Hey, Mister Tumbourine Man, play a song for me.
I'm not sleepy and there ain't no place I'm going to.
Hey, Mister Tumbourine Man, play a song for me.
In the lingle, langle marning I'll come followin' you.

The special project of the journalism class is the Valley Viking. The Valley Viking is a source of practical experience for the journalism class as it strives each year to print worthwhile reading material for students and teachers. Its purpose is to inform the student body of school and social activities as well as to provide pleasant reading. Our school newspaper is made possible through Mr. Alcibiade and his journalism class.

Members of the Student Council are chasen from each homeroom to represent the students in school projects. They democratically serve the student body and inform them on activities. Members must have a "C" average. The primary goal of the Student Council is to unify all student organizations under one governmental body and establish understanding between faculty and students.

CLASS PLAY — "SOMETHING DIFFERENT"

Go placidly amid the noise and haste and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons. Speak your truth quietly and clearly: And listen to others, even the dull and ignorant: They too have their story.

Avoid loud and aggressive persons, they are vexations to the spirit. If you compare yourself with others, you may become vain and bitter; for always there will be greater and lesser persons than yourself. Enjoy your achievements as well as your plans.

Keep interested in your own career, however humble; it is a real possession in the changing fortunes of time. Exercise caution in your business affairs; for the world is full of trickery. But let this not blind you to what virtue there is: many persons strive for high ideals; and everywhere life is full of heroism.

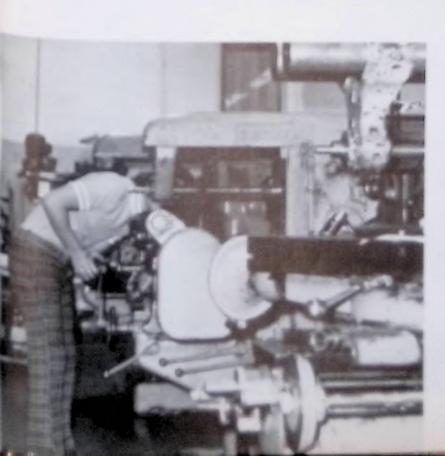

Be yourself. Especially, do not feign affection. Neither be cynical about love; for in the face of all aridity and disenchantment it is perennial as the grass.

Take kindly the counsel of the years, gracefully surrendering the things of youth. Nurture strength of spirit to shield you in sudden misforture. But do not distress yourself with imaginings. Many fears are born of fatigue and loneliness. Beyond a wholesome discipline, be gentle with yourself.

You are a child of the universe, no less than the trees and the stars; You have a right to be here. And whether or not it is clear to you, no doubt the universe is unfolding as it should.

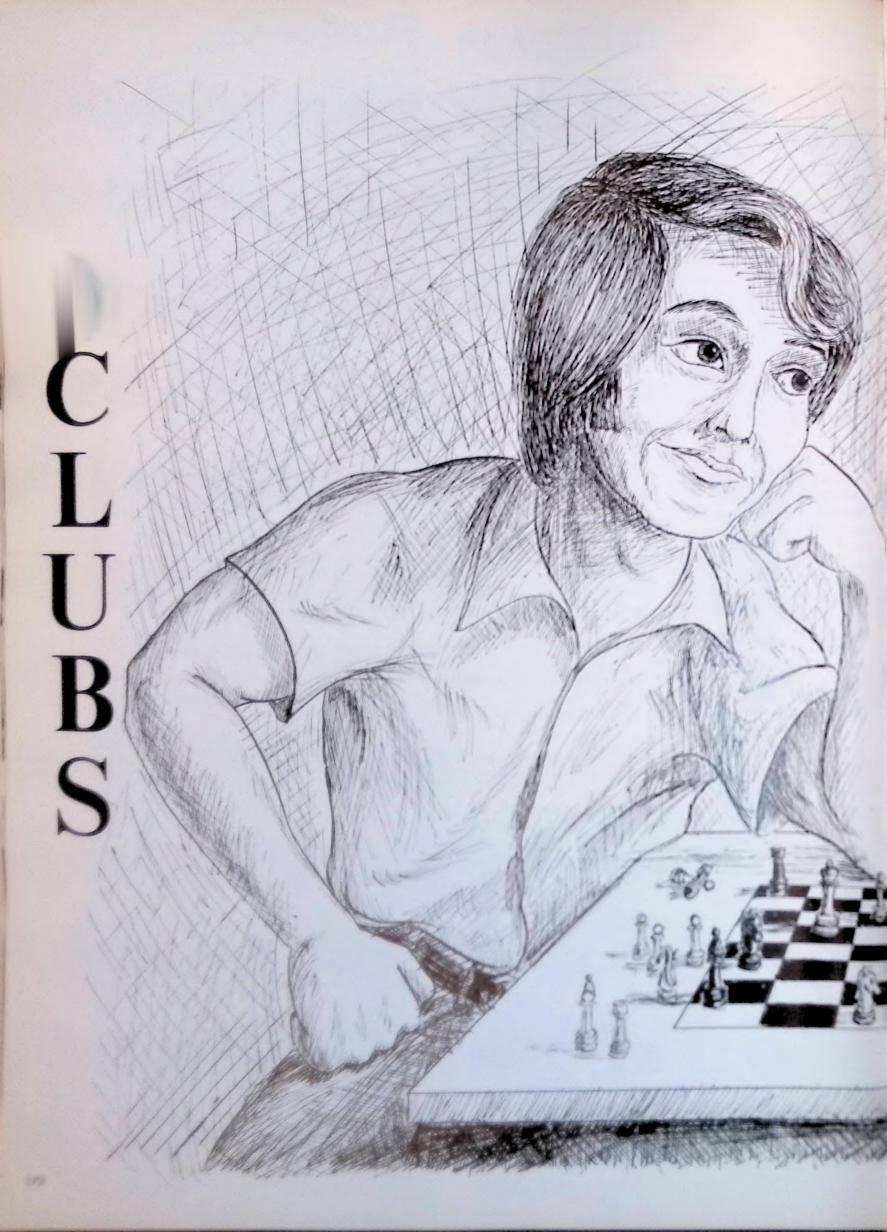

Therefore be at peace with God, whatever you conceive him to be, and whatever your labors and aspirations, in the noisy confusion of life keep peace with your soul.

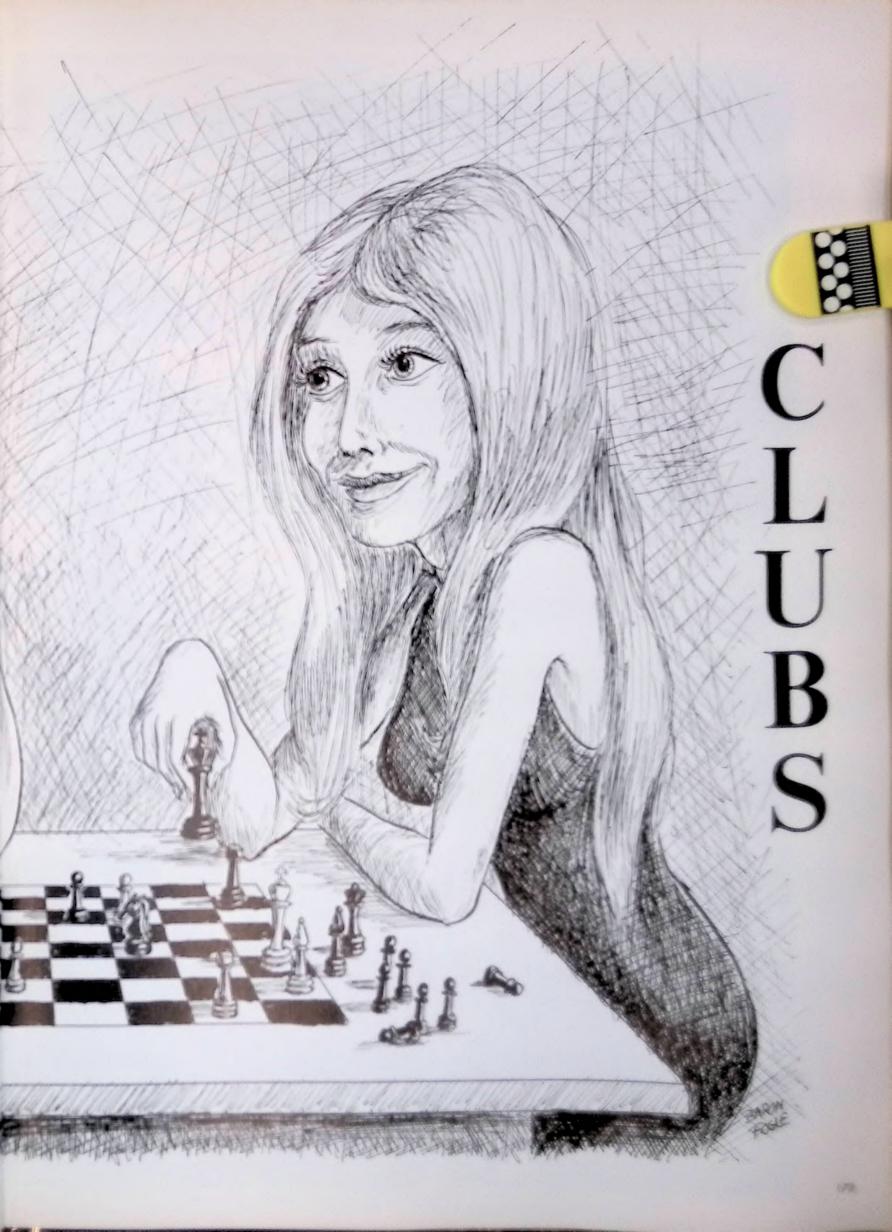

With all its sham, drudgery and broken dreams, it is still a beautiful world. Be careful. Strive to be happy.

THE BOX

Once upon a time in the land of hush-a-bye around, about the wandrous days of yore, they came across a sort of box bound up with chains and locked with lacks and labeled, "KINDLY DO NOT TOUCH - IT'S WAR," The decree was issued round about all with a flourish and a shout and a gaily colored mascot tripping lightly on before. Don't fiddle with this deadly box or break the chains or pick the lacks, and please don't ever play about with war. Well, the children understood, children happen to be good, and they were just as good in the time of yore. They didn't try to pick the lacks or break into that deadly box, they never tried to play about with war. Mammies didn't either, sisters, aunts, nor grannies neither cause they were quiet and sweet and pretty in those wondrous days of yore. Well, very much the same as now, and not the ones to blame somehow for opening up that deadly box of war. But someone did; someone hattered in the lid; and spilled the insides out across the floor. A sort of bouncy bumpy ball made up of guns and flags and all, the tears and horrors and deaths that go with war. It bounced right out and went bashing all about and bumping into everything in store, and what was sad and most unfair is that it didn't really care much who it bumped or why or what or for, it bumped the children mainly and I'll tell you this quite plainly, it bumps them everyday more and more, and leaves them dead and burned and dying thousands of them sick and crying cause when it bumps, it's really very sare. Now there's a way to stop the ball. It isn't difficult at all. All it takes is wisdom, and I'm absolutely sure that we can get it back into the box and bind the chains and lock the locks, but no one seems to want to save the children anymore. Well, that's the way it all appears cause it's been bouncing round for years and years in spite of all the wisdom wised since those wondrous days of yore and the time they came across the bas bound up with chains and locked with locks and labeled. "KINDLY DO NOT TOUCH -- IT'S WAR."

- Loscelles

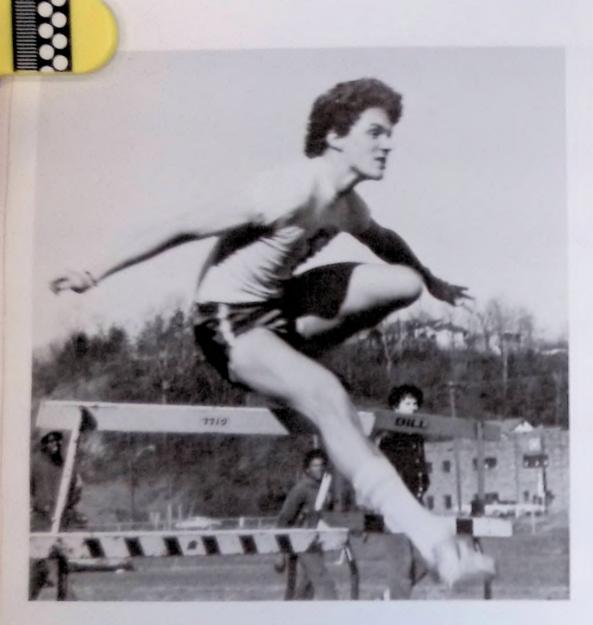

BOOKENDS

A time it was and what a time it was it was A time of innocence A time of confidences long ago it must be I have a photograph preserve your memories They're all that's left to you. They're all that's left to you.

Paul Simon

ONE DAY AT A TIME

Finish every day and be done with it. You have done what you could. Some blunders and absurdities no doubt crept in; forget them as soon as you can. Tomorrow is a new day; begin it well and serenely and with too high a spirit to be cumbered with your old nonsense. This day is all that is good and fair. It is too dear, with its hopes and invitations, to waste on a moment of yesterdays.

Ralph Waldo Emerson

AMERICA

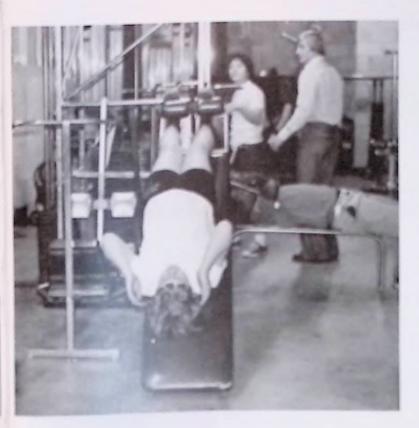

Oh beautiful for smoggy skies for insecticided grain for strip-mined mountains majesty above its asphalt plain America, America man shed his waste on thee and hides the pines with billboard signs from sea to oily sea.

- G. Carlin

Myself when young did eagerly frequent Doctor and Soint, and heard great argument About it and about; but evermore Came out by the same door where in I went.

With them the seed of wisdom did I sow,
And with my own hand wrought to make it grow;
And this was all the harvest that I reaped —
"I came like water, and like wind I go."

— Omar Khayyam

THE HAIR PIECE

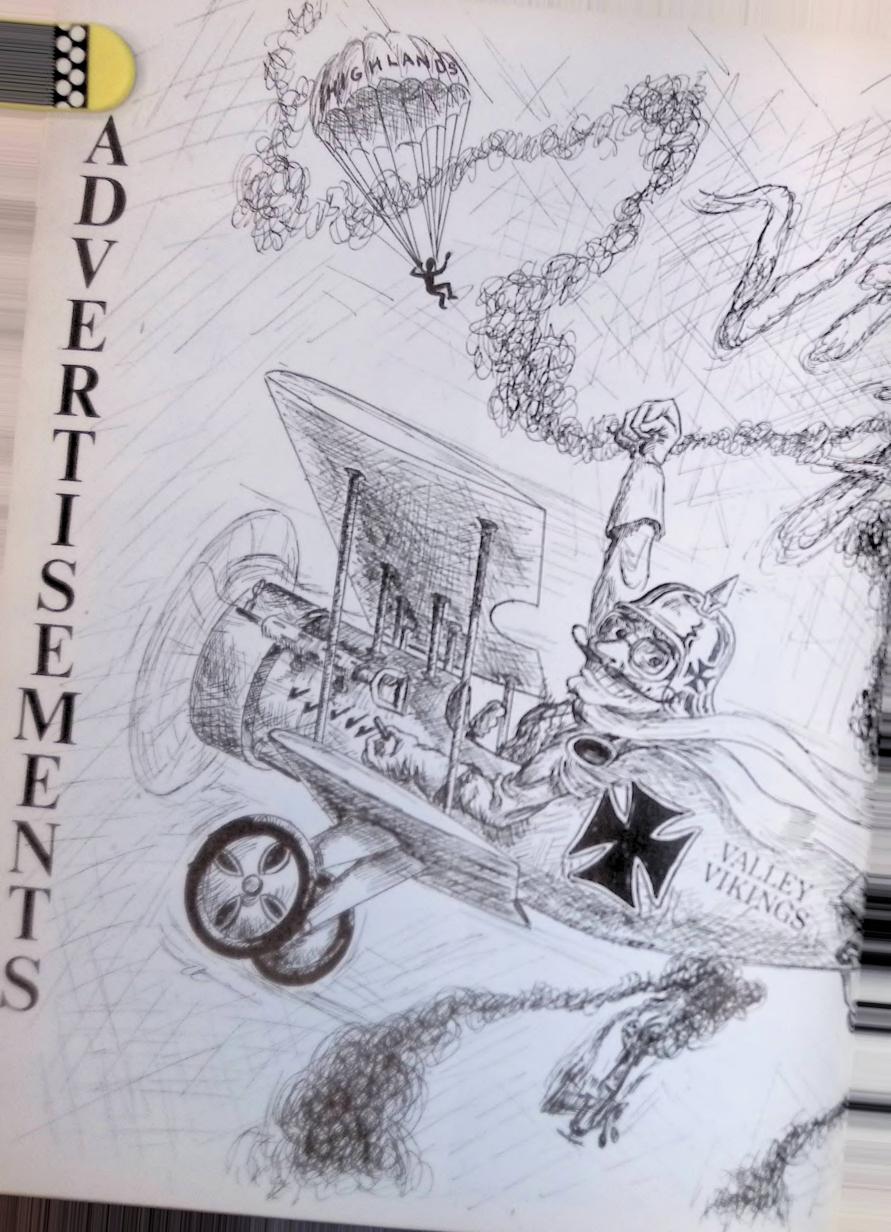

I'm aware some stare at my hair. In fact to be fair - some really despair of my hair. But I don't care -'cause they're not aware nor are they debonair. In fact, they're just square. They see my hair, down to there, say, "BEWAREI" and go off on a tear. I say, "No Fair." A head that's bare is really nowhere. So be like a bear. Be fair with your hoir. Show if you care. Wear it to there or to there or to there if you dore. My wife bought some hair at a fair to use as a spare. Did I core? Au controire spare hair is figur. In fact, hair can be rare. Fred Astoire has no hair nor does a chair nor a chocolate eclair. And where is the hair on a pear? Nowhere mon frere. Now that I've shared this affair of the HAIR, I think I'll repair to my lair and use Nair. (Do you care?) Here's my beard.

Ain't it weird? (Don't be sceered. 's just my beard.)

First came ten soldiers carrying clubs; these were all shaped like the three gardeners, oblong and flat, with their hands and feet at the corners; next the ten courtiers; these were ornamented all over with diamonds, and walked two and two, as the soldiers did. After these came the royal children; there were ten of them, and the little dears came jumping merrily along hand in hand, in couples: they were all ornamented with hearts. Next came the guests, mostly Kings and Queens, and among them Alice recognized the White Rabbit: it was talking in a hurried hervaus marrier, smiling at everything that was said, and went hervaus marrier, smiling at everything that was said, and went hervaus marrier, smiling at everything that was said, and went hervaus marrier, smiling at everything that was said, and went hervaus marrier, smiling at everything that was said, and went hervaus marrier, smiling at everything that was said, and went hervaus marrier, smiling at everything that was said, and went hervaus marrier, smiling at everything that was said, and went hervaus marrier, smiling at everything that was said, and went hervaus marrier, smiling at everything that was said, and went hervaus marrier, smiling at everything that was said, and went hervaus marrier, smiling at everything that was said, and went hervaus marrier, smiling at everything that was said, and went hervaus marrier, smiling at everything that was said, and went hervaus marrier, smiling at everything that was said.

- Lawis Carroll

Now that we've seen the last of quad-paks, croppers, grease pencils, pictures, and deadlines for this year, the editors would like to thank the people who made the 1974 Valakron possible. Thank you's go to the Valley News Dispatch for the candid on page seventy-four, to Michael A. Kanakis for his picture on page one, to Baron Fogle for the table of contents, all divider pages and a very special thanks for the great job on the cover, to Rob Fusia for some sports action

shots, to Mr. Jones and Miss Nulph for putting up with all the confusion and trouble we caused, to Mr. Frank Gustine and Mr. Roger Hannigan, advisors from Taylor Publishing Company, for their assistance, to all the Valley High students who worked hard on this year's book, and to Mr. Thomas J. Wilczek, our fearless leader, for just about everything. We would also like to wish the class of 1974 good luck in their future endeavors.

Fantasy End

Now that I've expressed my soul
I'll step back into my real-life role
And hope I've brought you back across the line
You may think there's nothing you can do
To change what's all too true
But all you have to do is use your mind

In fantasy you can be anything you want to be
And sameday your reality will be as good as never never land
— Carole King
